Senior Sponsor Is Honored With Dedication

Linda,
Remember on the
working on the
float all by ourselves
in that spooky building.
I really appreciate all
your hard work. Best
luck to you and come
back to see me.
Love,
Mrs. D.

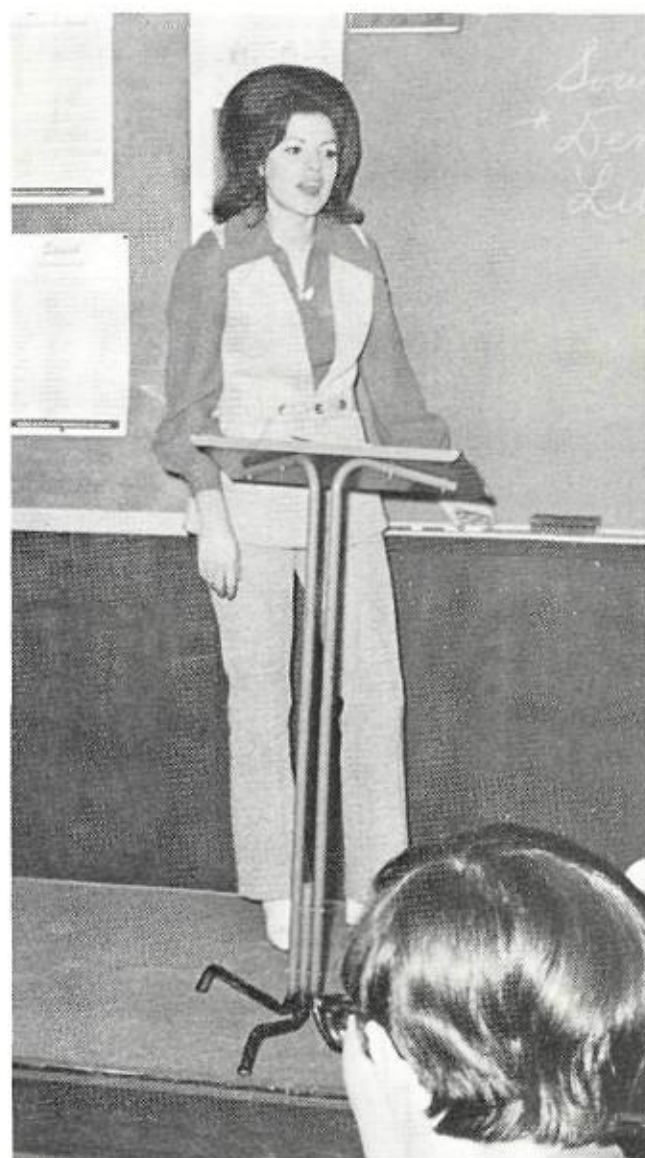

This year the Trinity High School Annual Staff has chosen to honor Mrs. Patsy Daunis through the dedication of the 1971-1972 Annual.

As a long time favorite among her English students, Mrs. Daunis remains especially close to the Senior class of 1972, which she has sponsored for three years. Since the opening of T.H.S., Mrs. Daunis' personality and wit has made her a favorite among students and faculty.

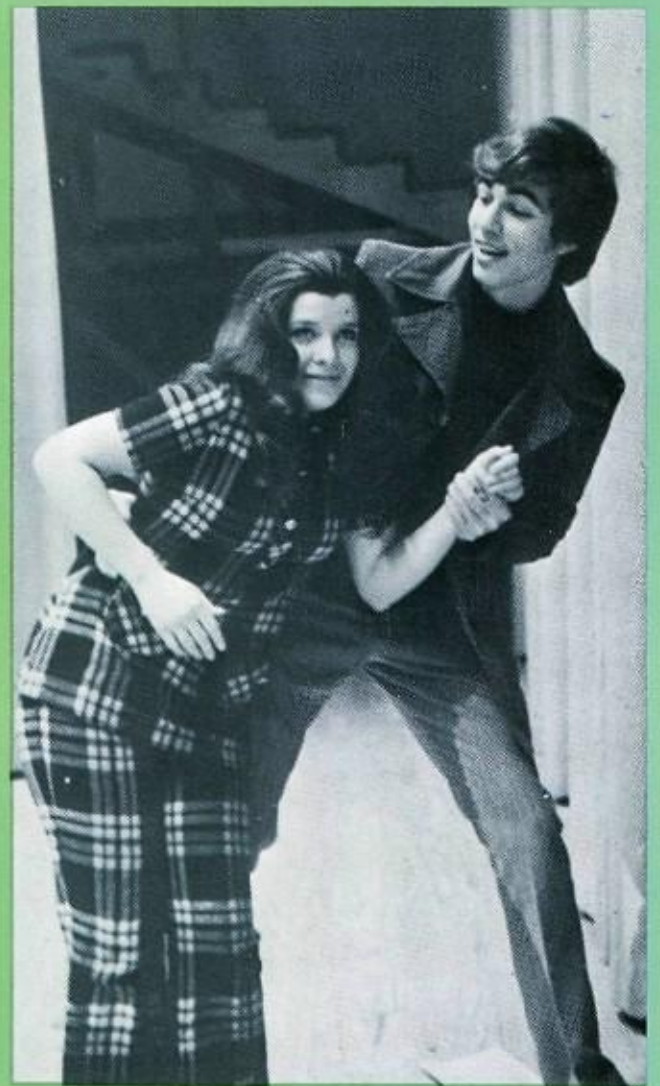

Involvement for Mrs. Daunis extends beyond normal classroom limitations and into her home. Mr. Walter Daunis and their daughter Shelly frequently donate time and effort to many class projects and have become valued members of the class of 1972.

The Annual Staff considers it a privilege to dedicate this Annual to Mrs. Patsy Daunis in recognition of her ability, understanding, and compatibility.

Students Lose Inhibitions For Twirp Week

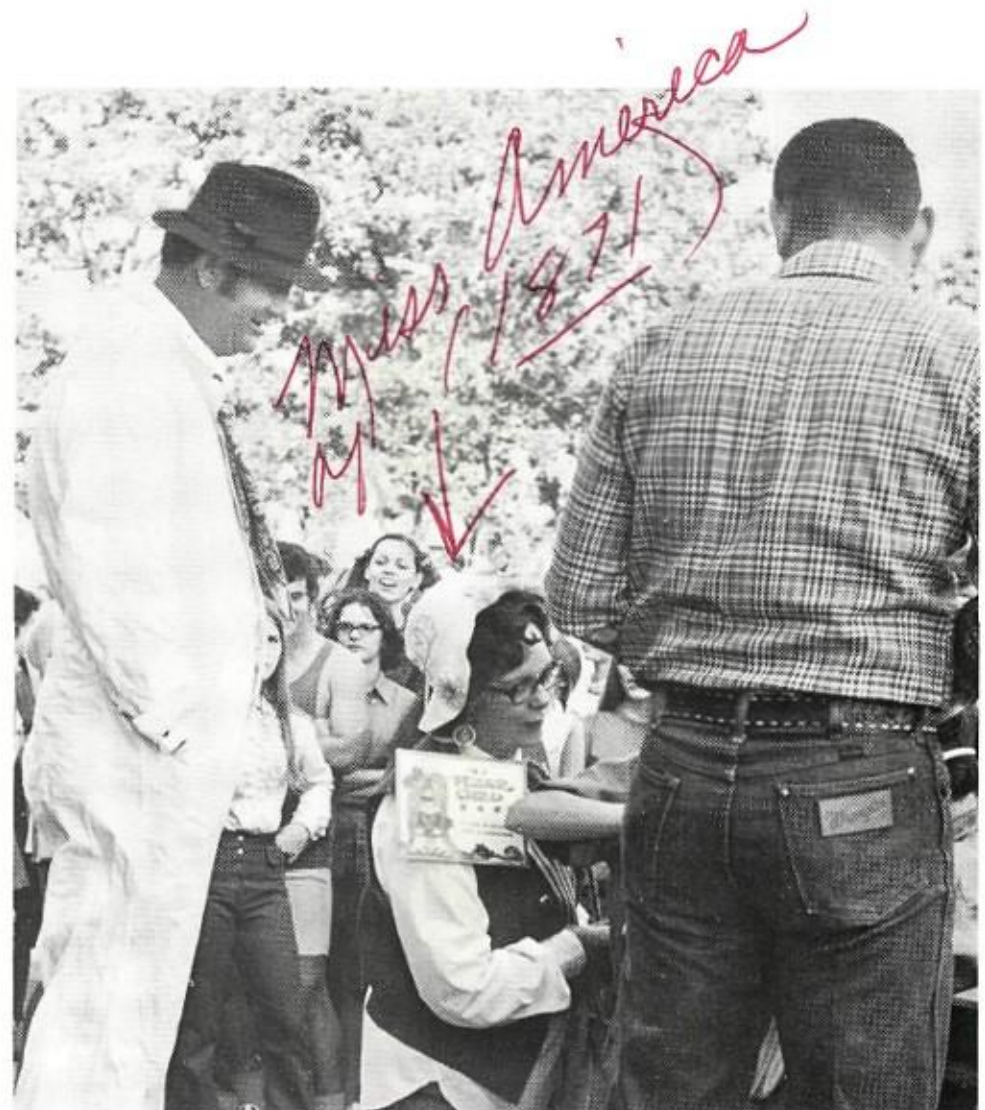

The highlight of the spring season for 1971 was, as always, Twirp Week, sponsored by F.T.A. Any club who wished to sponsor an event could do so and some of the activities which resulted were the egg throw, barrel riding, three-legged race, whip cream fights, beard growing contests, and the wheelbarrow race. Slave auctions were continued all week with Mr. Jim Schutts posing as auctioneer. There was even a jail in which, for a small price, you could have your favorite (?) teacher locked up.

Wheels Raise Money

In the spring of last year, the final money-raising activity held by the Senior Class was a motorcycle rally. Set up in the field across from the school, it was completely organized and carried off by only the Seniors. In the course of the day, over fifty entries participated in such events as the slow race, the boot race, a wheelie contest, and several races for speed. The most humorous event of the day was the greased board competition, where, as it sounds, the contestants tried to ride their bikes across a board thoroughly oiled with axle grease. It was also the easiest to judge since only three made it across. The finale was a dirt track-hill climb combination of which some didn't even dare to try. The winners of the day were presented with trophies and also several local motorcycle shops donated cash prizes.

Students

With partners like this, no wonder they called it a "trust walk."

On August 15, representatives from almost every club and school sponsored activity met for a conference at Eagle Mountain Lake. Organized to improve the capabilities of the school's leaders, the Leadership Conference managed to combine enjoyment and learning into a memorable experience. Through the various activities planned to increase cooperation, patience, and understanding, the students not only learned to cope with others but with themselves as well.

Even the "permanent" leaders took part in the activities and benefited from them, for accompanying the students were Mr. B. J. Murray, Mrs. Juana Hill, Mrs. Bettye Rucker, Mrs. Madeline Taylor, and Mr. V. V. Shearburn.

Juniors Show Best Interpretation Of Theme

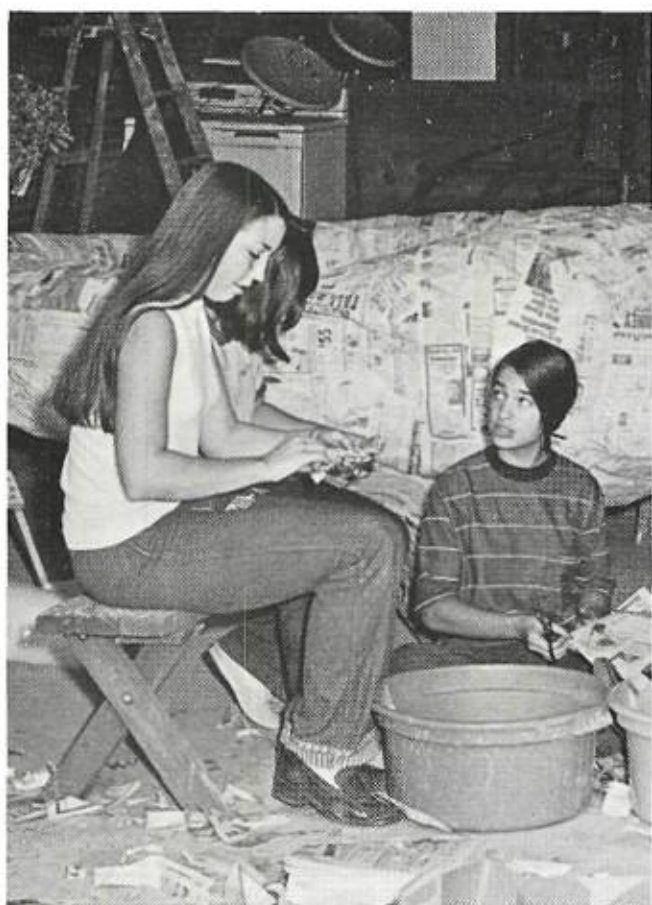

On the evening of Tuesday, October 26 (or should I say the early hours of Wednesday morning), the Trinity Campus was flooded with students and sponsors trying to assemble their homecoming displays. The deadline was Wednesday morning at 8:00 a.m., when the judges, furnished by PTSA, circled the campus and judged the class floats and the hall decorations. The outcome was not to be announced until Friday, October 29, at the pep rally. A quiet hush filled the gym when Don Middleton, Student Council President, approached the microphone. Finally the time had arrived. "And the winner of the float competition is The JUNIOR CLASS!"

The Juniors mix fun and work while assembling their victorious display.

Homecoming Court Adds Royalty To Trinity

An honorary activity held every year is the election of a homecoming queen and court. The court is composed of two girls from the Sophomore and Junior Classes and three from the Senior Class, which are elected by their classmates. Out of the graduating class, one girl is elected to reign as homecoming queen and is presented during the half time events.

This year's court was comprised of Julie Hyde and Norma Smith, Sophomores; Cindy King and Lynn Erickson, Juniors. Pam Kerns, Phyllis Coffman, and Alana Nichols were the Seniors on the court with Phyllis being chosen as queen. Don Middleton and Gary Gilby presented her with an inscribed plaque and bouquet of white mums. She then led a caravan of white Cadillac convertibles around the field, trying to smile amidst the tears of joy.

Pam Kerns, Alana Nichols, and Lynn Erikson, still awed by all the excitement, exchange thoughts while they are chauffeured around the stadium.

Doug Pitts exhibits his enthusiasm as he watches the kinds of pep rallies he remembers when he was still a Trinity student.

Trinity Greets Ex-Students

Trinity welcomed all ex-students back to its campus on Friday, Oct. 29, to join with her present student body in the pep rally activities. The 1776 Thespian Troupe sponsored a tea for all ex-Thespians after the pep rally with Mrs. Beverly Brown doing the honors. The appearance of some of Trinity's ex-notables added a boost of enthusiasm to the day's events.

Dance Rounds Out Week Of Activities

The event that concluded the Homecoming Day's activities was the post-game dance held in the cafeteria. As it has been in the previous years, the activity was sponsored by the Student Council. STEEL, a local group, furnished the music. The band had been chosen previously in the year out of three who were

competing for the honor. The decorations followed a space age idea based on the main Homecoming theme of "A Gaze Into The Years To Come." The excitement lasted until 1:00 a.m. with the refreshments furnished by the PSTA.

"Drandruff!" Paul Pence, Charnell Hightower, Pam Kerns, and Bill Scott.

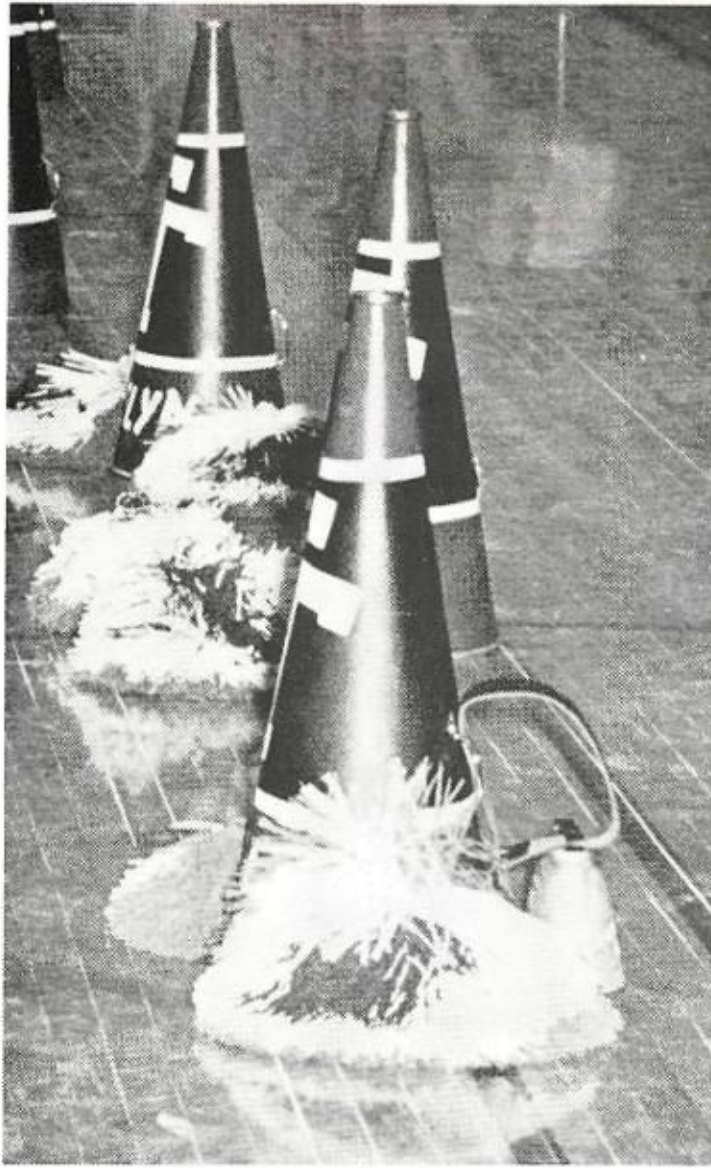

STEEL provided the music for the Homecoming Dance.

Announcement of Notables

The annual Christmas Ball offered sparkle and excitement to Trinity's campus. Traditionally, the formal dance is sponsored by the Troy-Anns, who furnished appropriate decorations to set the wintery mood.

A total of five titles were presented at the Christmas Dance, adding to the already high level of excitement of the evening. The three winners of the Class Favorites were announced, acknowledging Norma Smith and Jimmy McKnight as the sophomore favorites, Chris Sullivan and Regina Ware as the juniors. There was a tie for the senior favorites between Debbie Orlowski and Mike McKnight, and Laura Gonzales and Bobby Wilcox. The Christmas Ball Queen was also presented. There were three girls, each representing their respective class. Terry Dougherty was the nominee for sophomores, and Pam Kerns represented the seniors. Karen Knight, a junior, won the title.

"Scrooge" Joins "Odd Couple" as

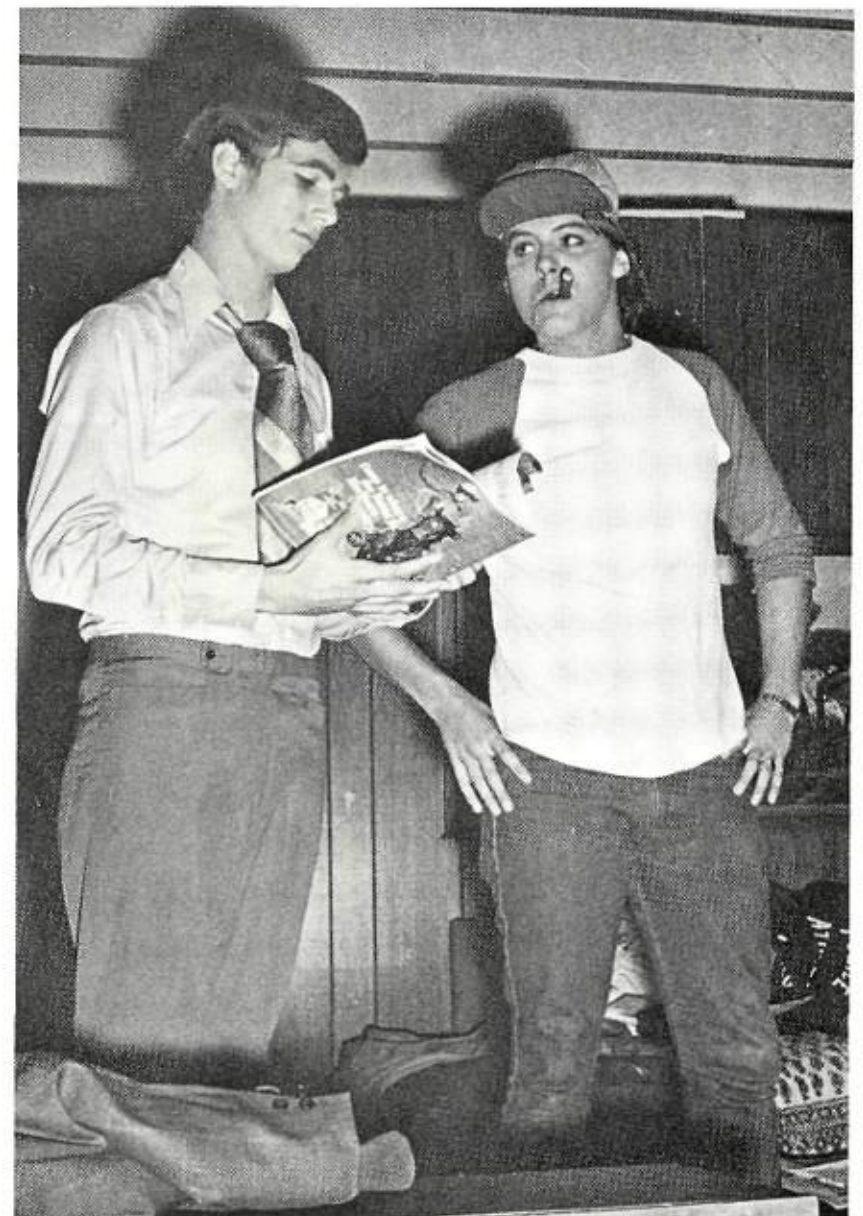

Trinity's second year of 1776 theaters opened with "Odd Couple", a three act comedy by Neil Simon.

A new innovation was added by using double casts. On Friday, Oct. 22, Jimmy Parker and Clyde McCullar headlined the show by playing the characters of Felix and Oscar, two divorcees who decide to live together-one a cronic perfectionist and the other a confirmed slob. On Saturday, Oct. 30, the play remained the same but with a change in cast members. This time, Harvey Norman and Joe Sowell took the lead roles. There were also separate sets of minor characters for each night.

The play was performed by Mrs. Beverly Brown's Drama 3 and 4 classes under her direction in Trinity's cafeteria.

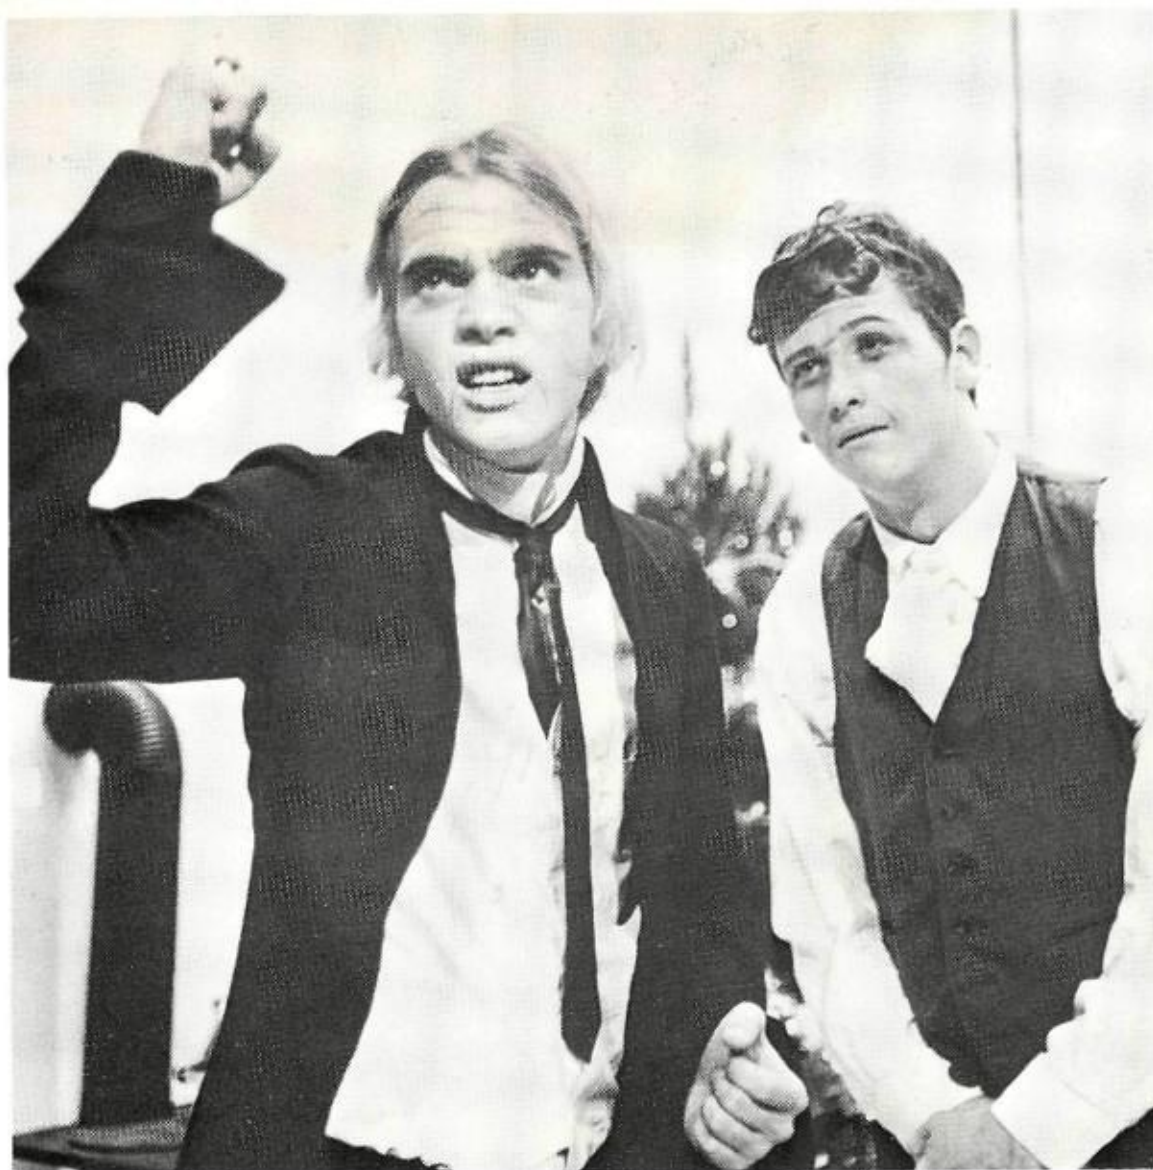

Greg Wall pauses for a minute of silent meditation while Tim Rhodes gazes fearfully at the audience.

"I'm sorry I had to be the one to tell you, kid, but there just aren't any fold-outs in Popular Mechanics."
Jimmy Parker and Clyde McCullar.

First Accomplishments

The immortal story of Scrooge, "A Christmas Carol," was presented by the Trinity Troubadours to promote the Christmas Spirit. The play starred Mike Ryan in the role of Scrooge, but the majority of other characters were beginning drama students. Three performances were given plus a special performance at South Hurst Elementary. The play was directed by Miss Jane Thomas, an outstanding credit in her favor since it was her first production.

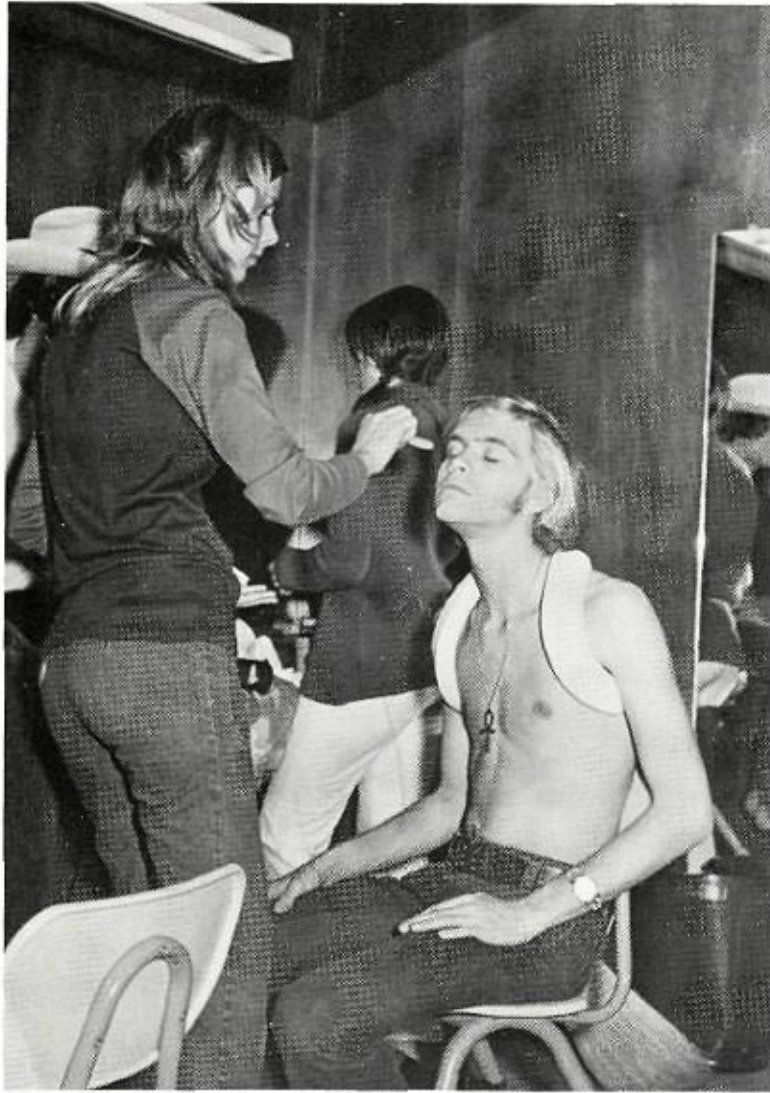

Scrooge (Mike Ryan) professes his "Bah, humbug!" attitude as his apprentice, Bob Cratchett (Andy Vinson) looks on, unable to change his mind.

To share the outrageously funny adventures of a Jewish family's European vacation, one needed only to attend a performance of Woody Allen's **DON'T DRINK THE WATER**.

The play was performed as a dinner theater in the cafeteria with members of FHA serving as hostesses. Dinner, served by candlelight, was complemented by fine entertainment supplied by talented students.

Some of the characters were double cast, giving more students the opportunity to perform. Mrs. Beverly Brown directed with her usual flair and ability.

Exchange: A Way of Contrasting Knowledge

"Come on guys, fess up. I got your records right here." Mr. Engle briefs Luciano and Henrique.

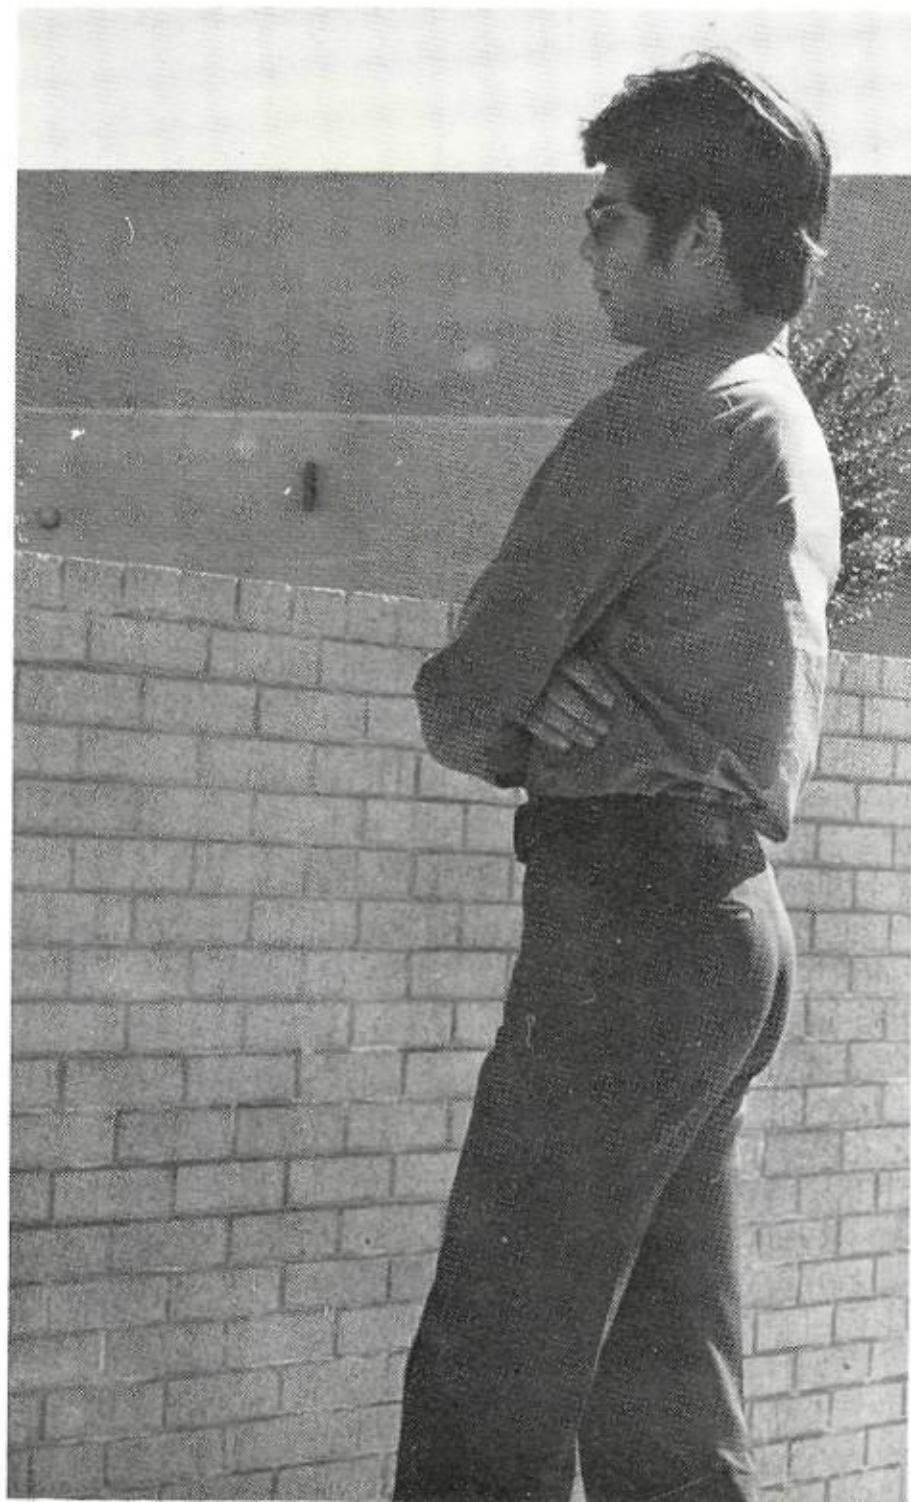

Two new students checked into Trinity this year. The reason that Henrique Bittencourt and Luciano Pereiara are special is the fact that they were exchange students from Brazil. They were able to come to Texas through the Youth for Understanding exchange student program. Besides the most obvious problem of a language barrier, there were many other adjustments to be made as well. The Brazilian school system is composed of a four hour, six day school week with three years of advanced high school, or "Cientifico", between high school and college.

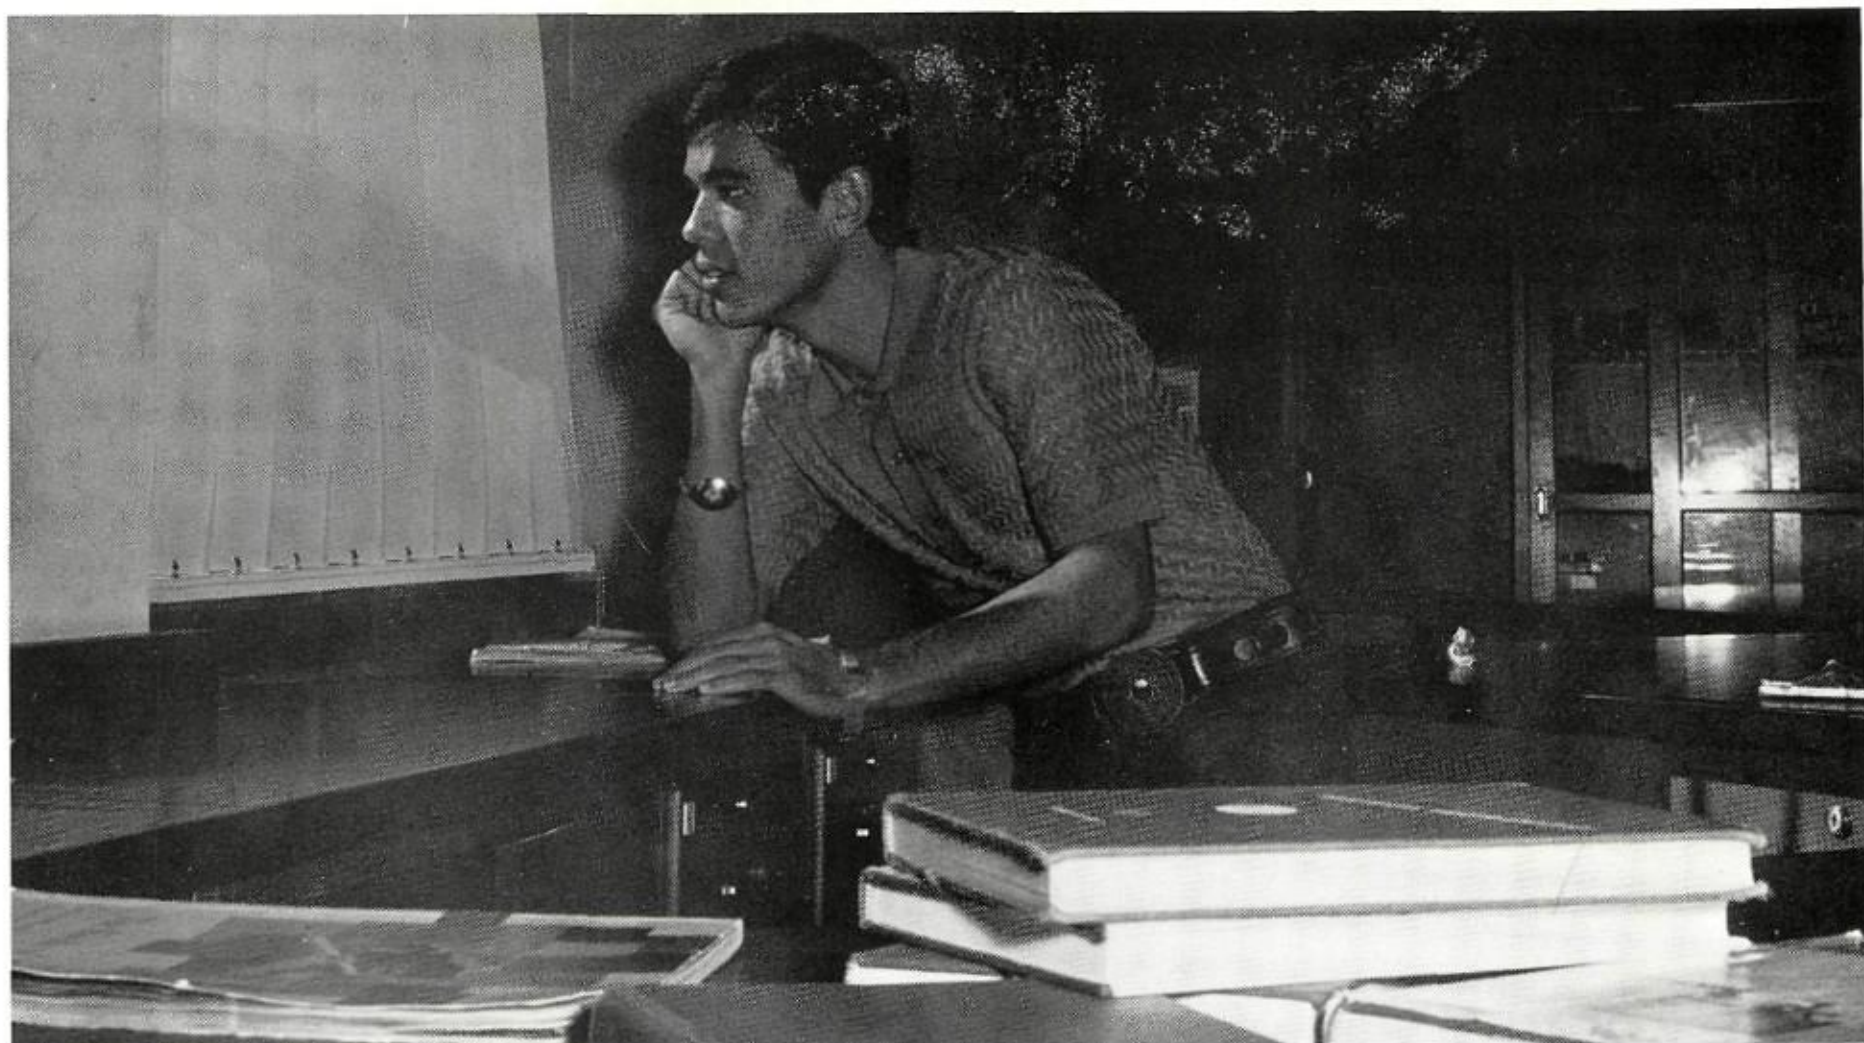

Henrique and Luciano registered at Trinity the second semester. Under this program they will be allowed to stay in the United States for six months---not much time to learn from them, but then, perhaps there is enough time to contrast ideas.

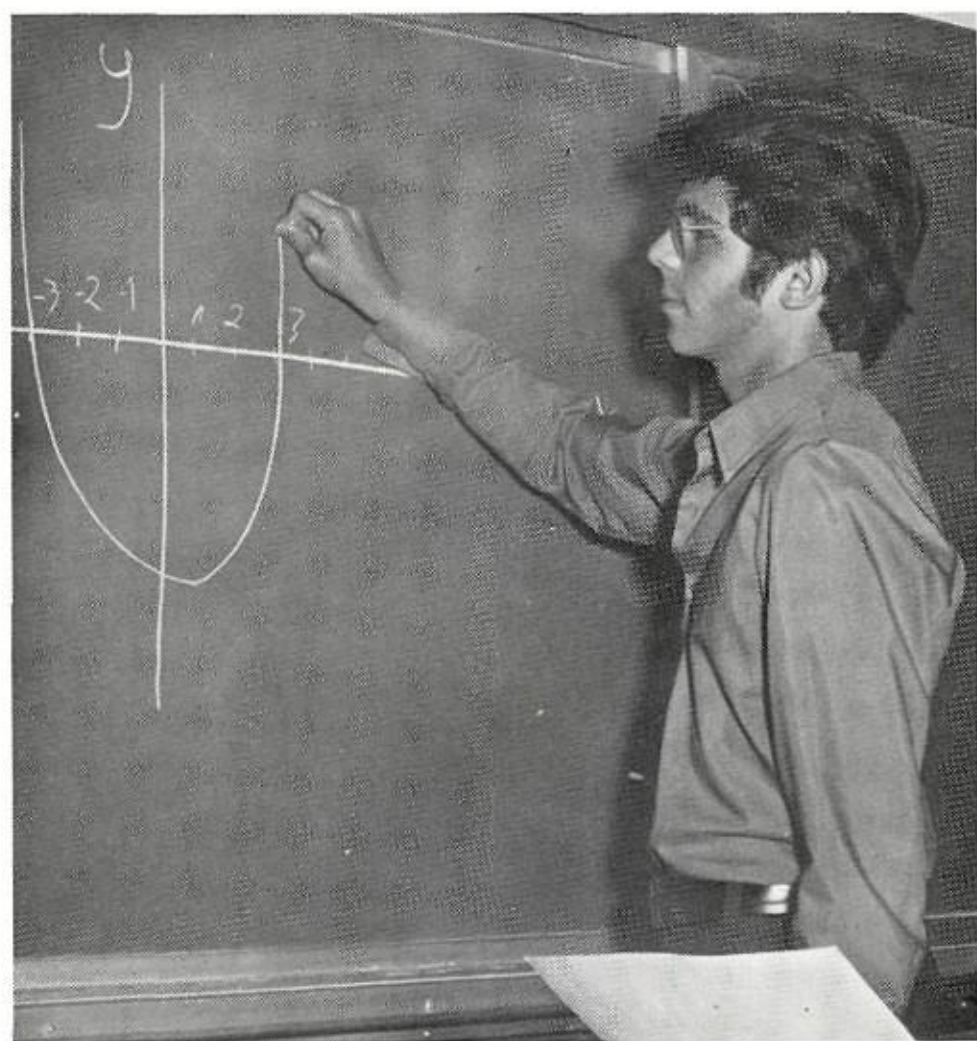

Henrique brushes up on his English.

Luciano gazes beyond the wall at Trinity while recalling contrasting memories of Brazil.

Homesick? A questioning glance from Henrique.

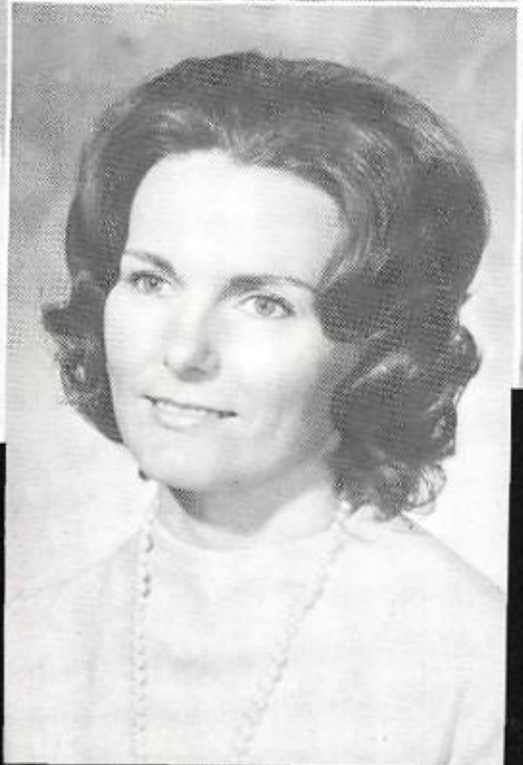

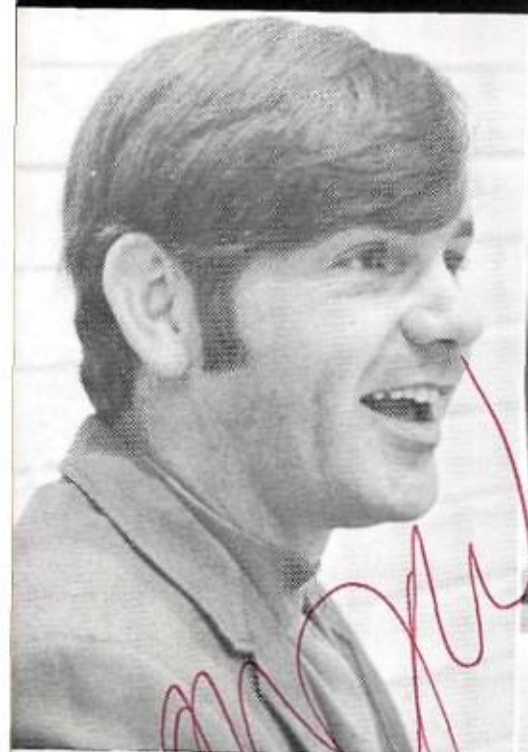

"It's alright, Luciano, it's supposed to look like that."

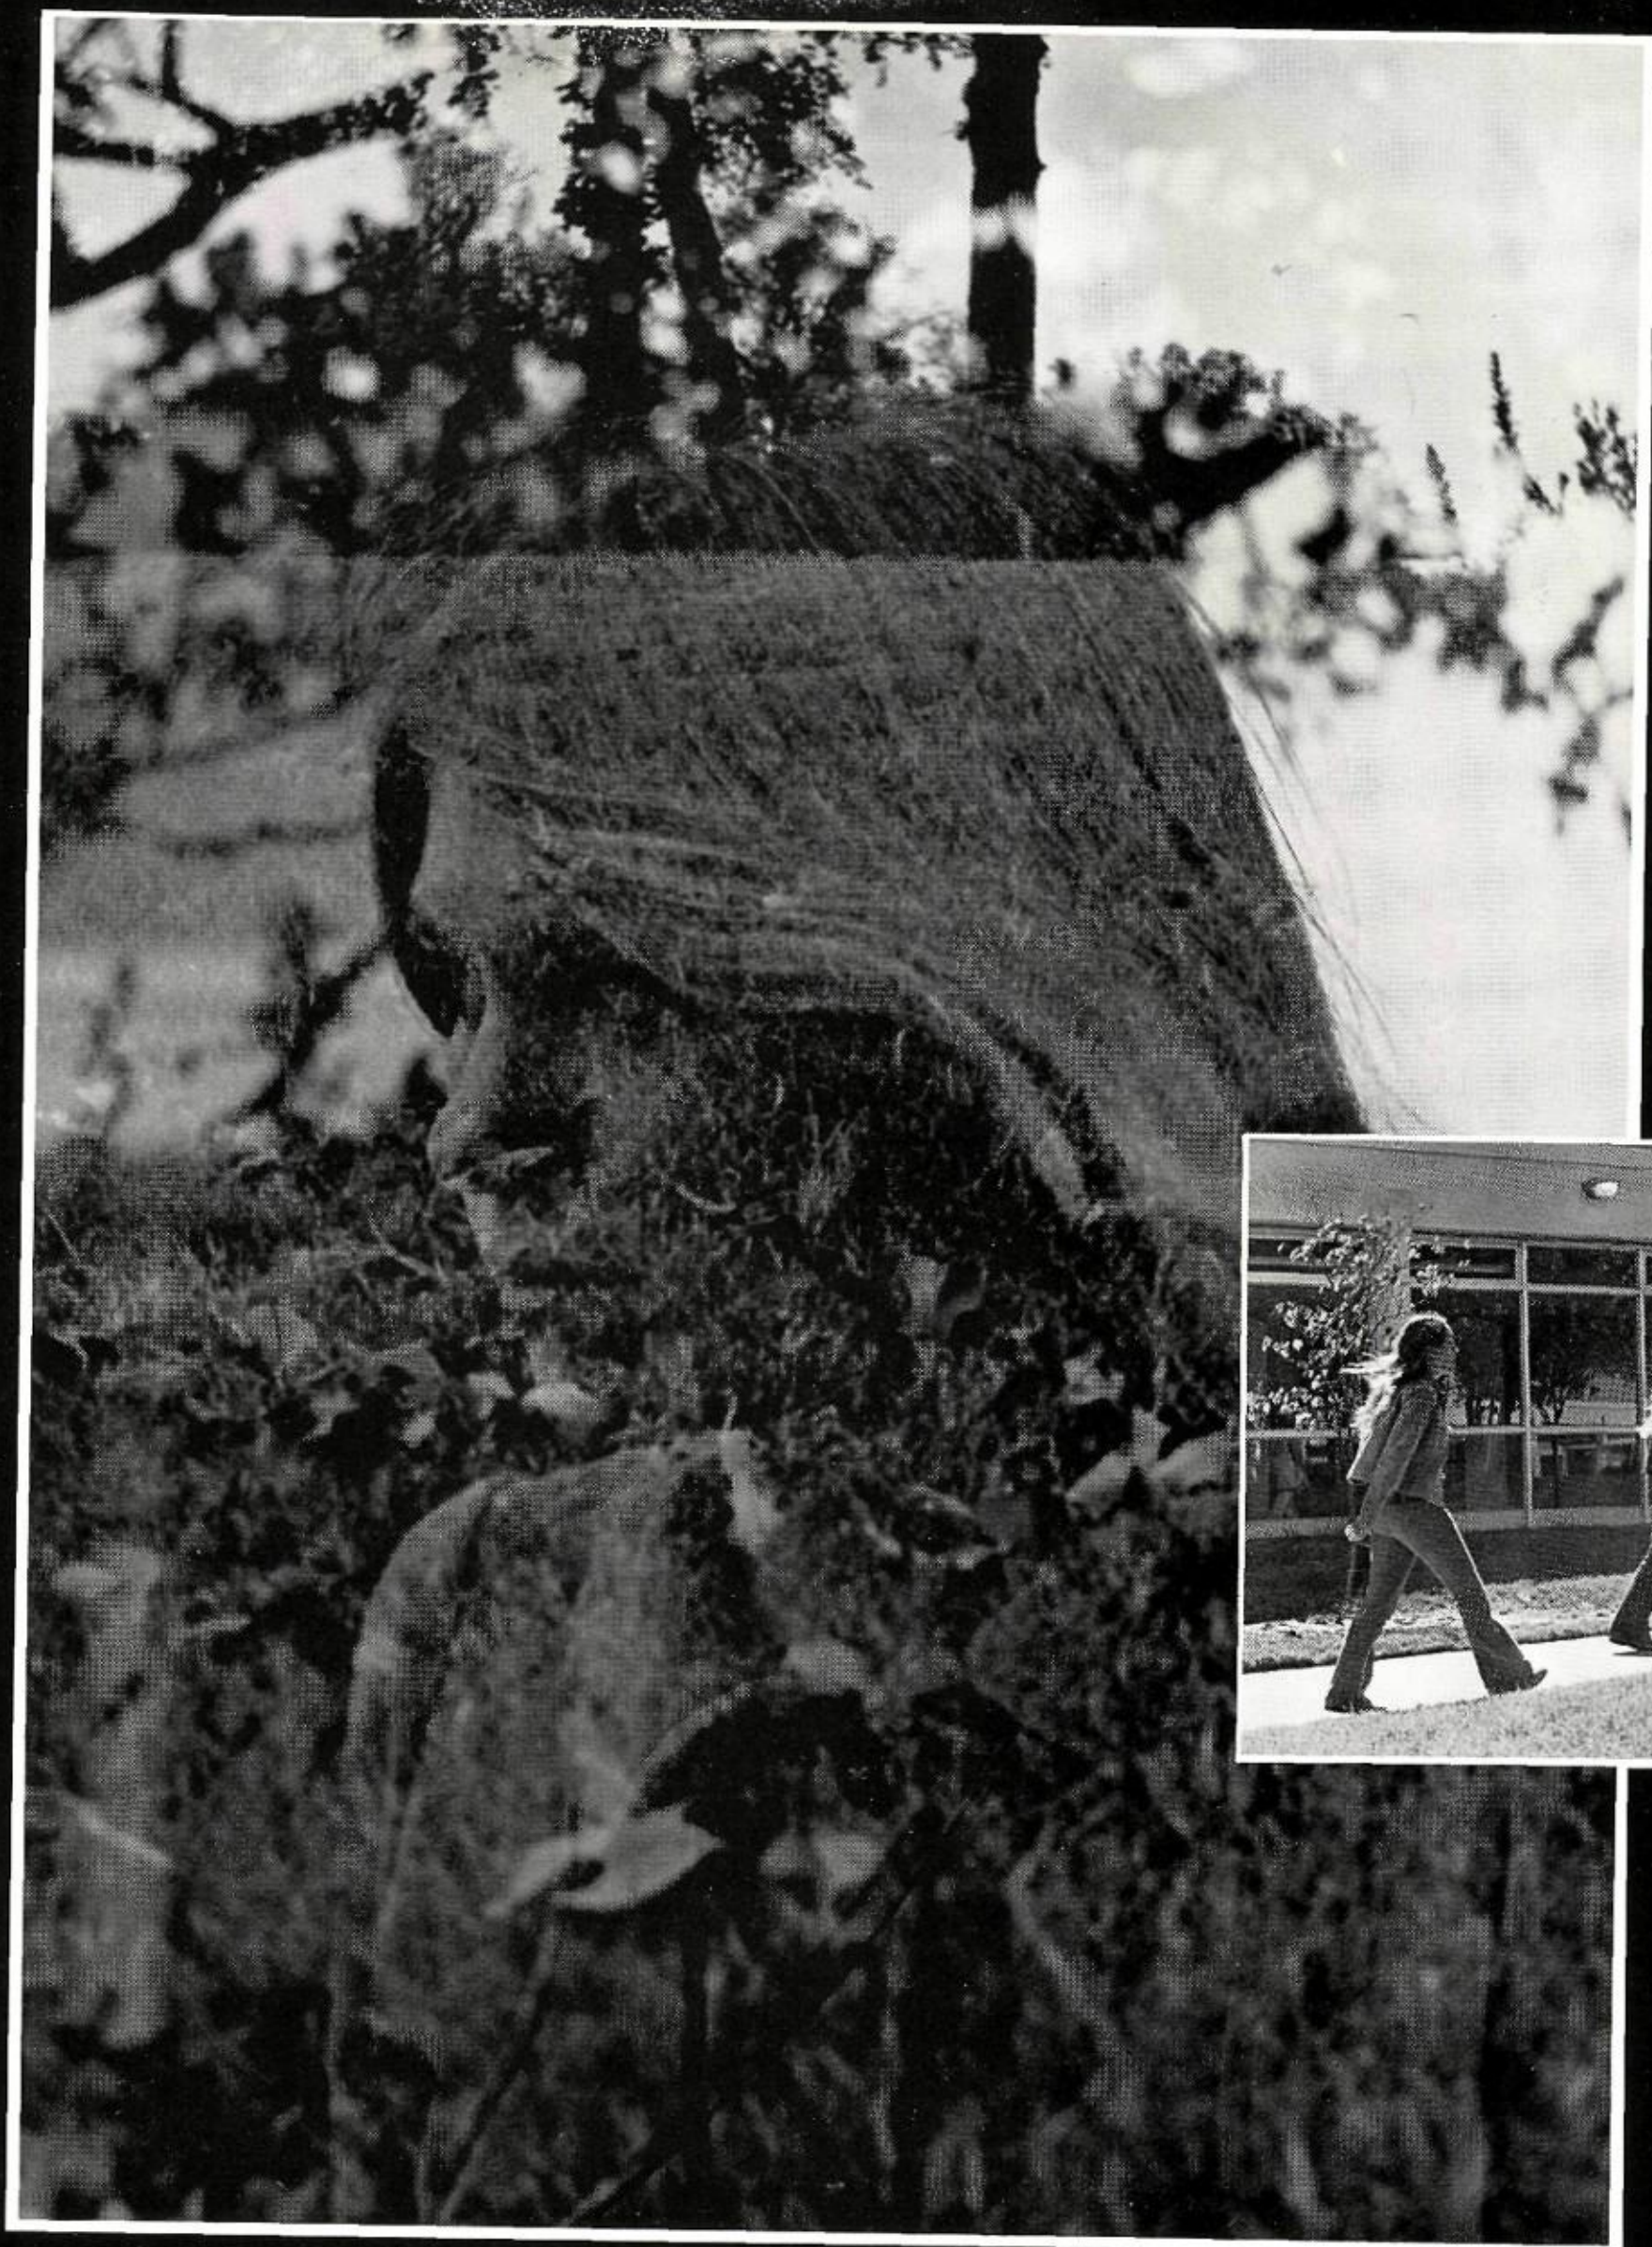

One more door of understanding for Henrique to open.

FOUNDATIONS . . .

School Board Sets New Guidelines For Student Dress

Mr. Charles Wages served this year as Superintendent of the H.E.B. school district and worked in coalition with the school board headed by Mr. Johnny Eden, who served as President. Other members of the board include: Mr. Charles Driskill, Vice-President; Mrs. Lorraine Tatarevich, Secretary; Mr. Jim Michaels, Mrs. Nancy Wilton, Mr. James Morgan, and Mr. George Eberhart.

The school board is seldom recognized for their dedication in serving the community as unpaid civic servants. The annual staff of Trinity would like to acknowledge these people who tirelessly serve our needs.

Mr. Murray Provides Leadership And Stability At Trinity

Mr. B. J. Murray has served for four years as principal of Trinity. During that time he has proved his ability as an administrator, supervising the many activities occurring throughout the year.

More important than experience is the relationship between principal and students. Mr. Murray maintains a rapport with students despite his busy schedule. Students are still able to seek Mr. Murray's advice on personal matters, assured that their confidence will be maintained.

It is a benefit to the school to be under the supervision of a man with eighteen years of experience in this district, and it is a credit to Trinity High School to have Mr. Murray as our principal.

Mr. Murray speaks to students on school spirit and school support.

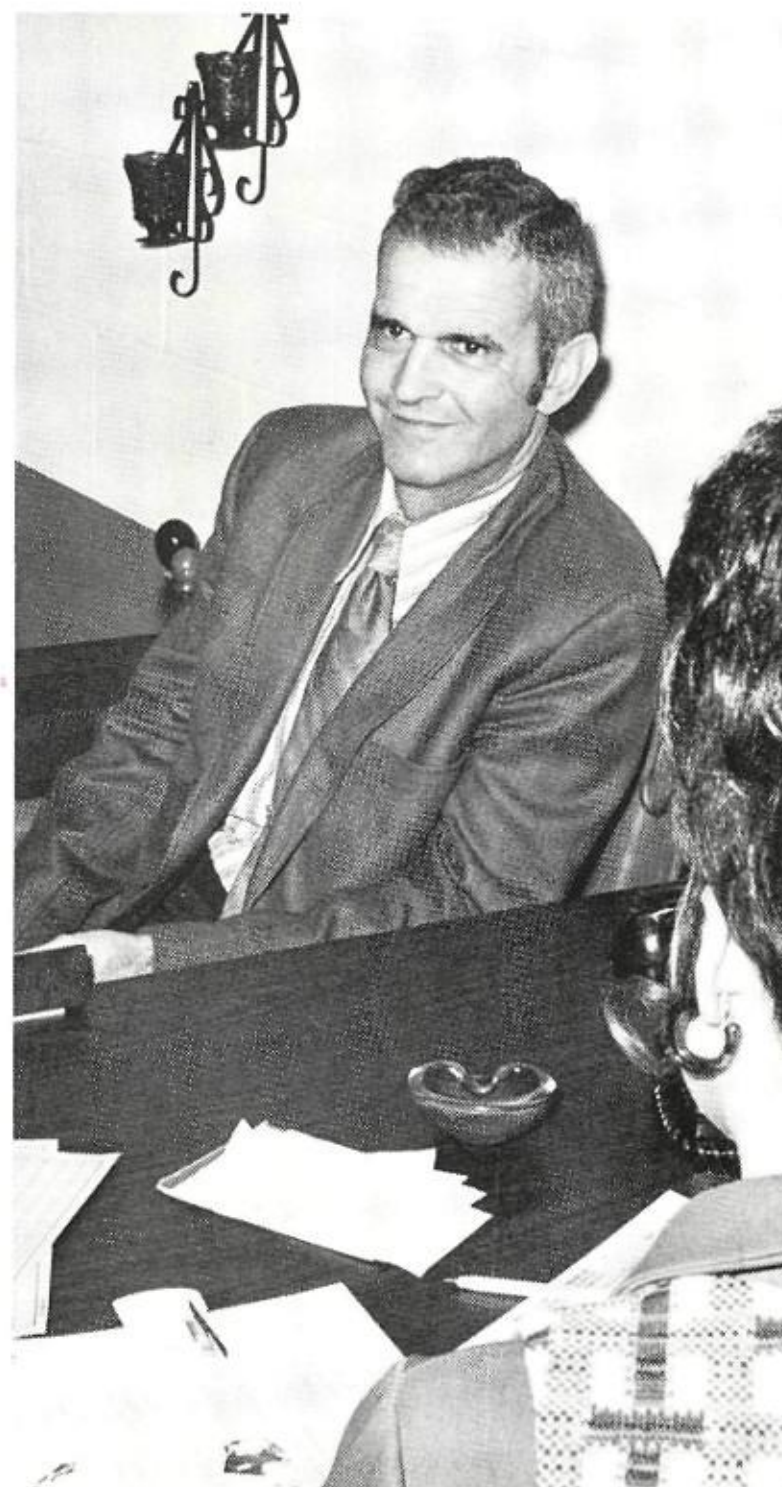

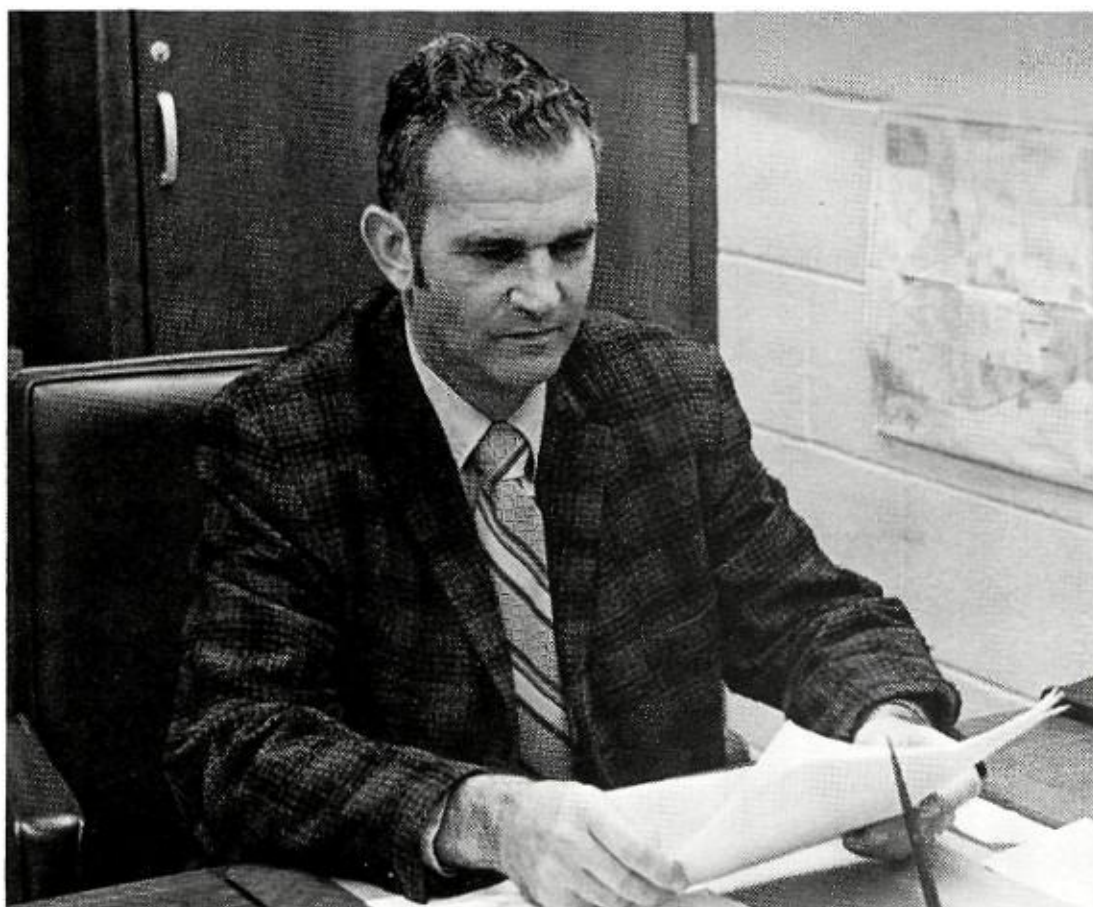

Mr. and Mrs. Murray observe the gains and losses of the Trojan team.

Mr. Shearburn Maintains High Level Involvement

This year Mr. Shearburn admirably completed his fourth year as Assistant Principal. Despite serious back surgery, Mr. Shearburn kept tabs on all events at Trinity and conducted many of his duties from his home for the duration of his two months absence this fall.

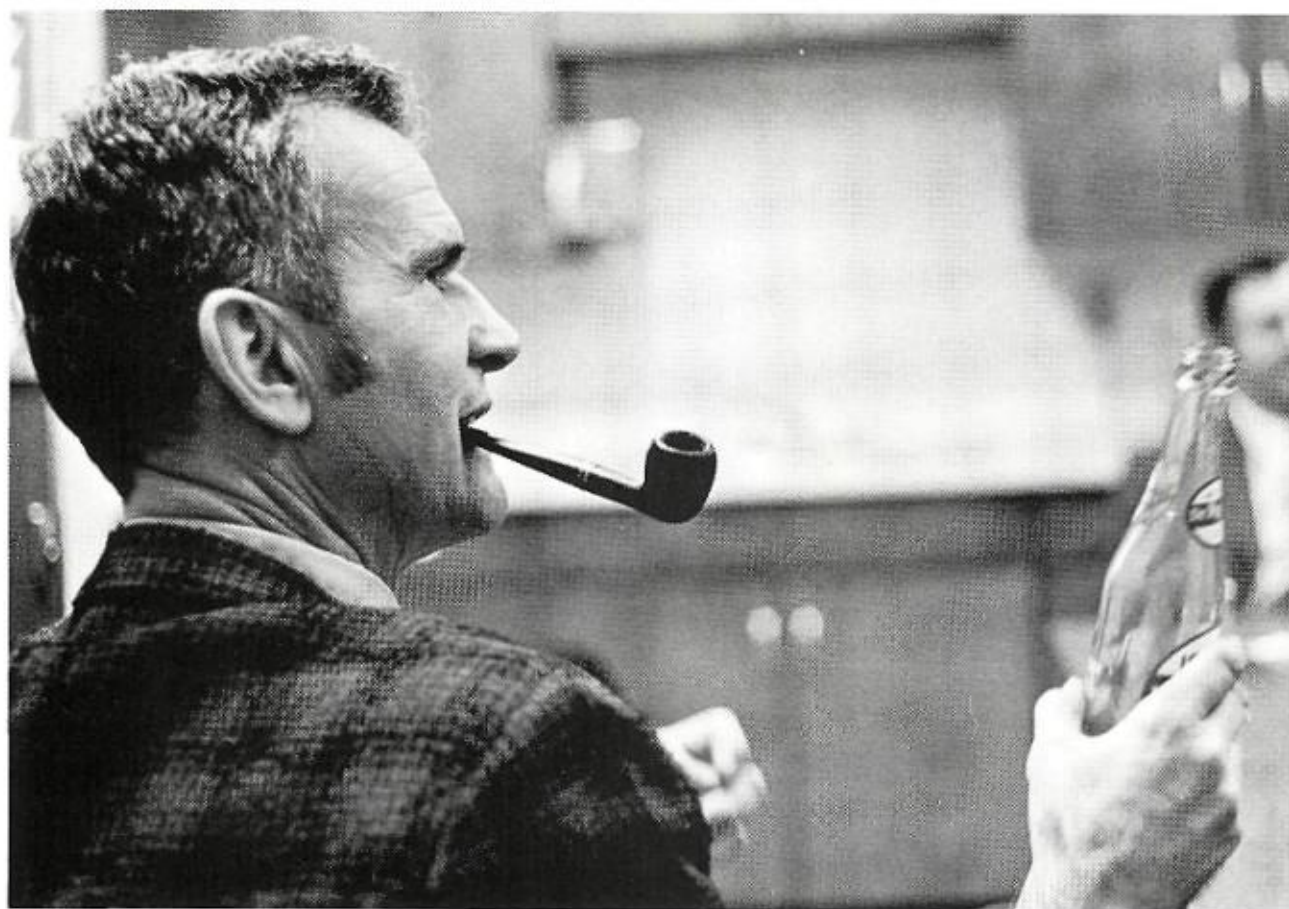

Mr. Shearburn keeps abreast of all activities and business at Trinity in order to be prepared to assume the responsibilities of principal in case of Mr. Murray's absence.

Unfortunately, the paperwork never ends.

Who knows what evil lurks in the minds of man?

Mr. Shearburn discusses what it means to be the most misunderstood.

Deans Aid In Personal Problems

As Dean of Women, Mrs. Bettye Rucker is seldom found unoccupied. Working with the girls, Mrs. Rucker administers discipline, deals with truancy and enforces the new dress code. Mrs. Rucker deals with each student on an individual basis, considering all possible consequences before taking final action.

Mr. Paul Wiley, Dean of Men, generally administers to the boys who fail to follow the rules of conduct and dress. The liberal adaptations in the dress code allowed students more freedom but placed increased responsibility on the administrators whose duty it was to enforce it.

Listening to problems and giving advice is a constant job of Mrs. Rucker.

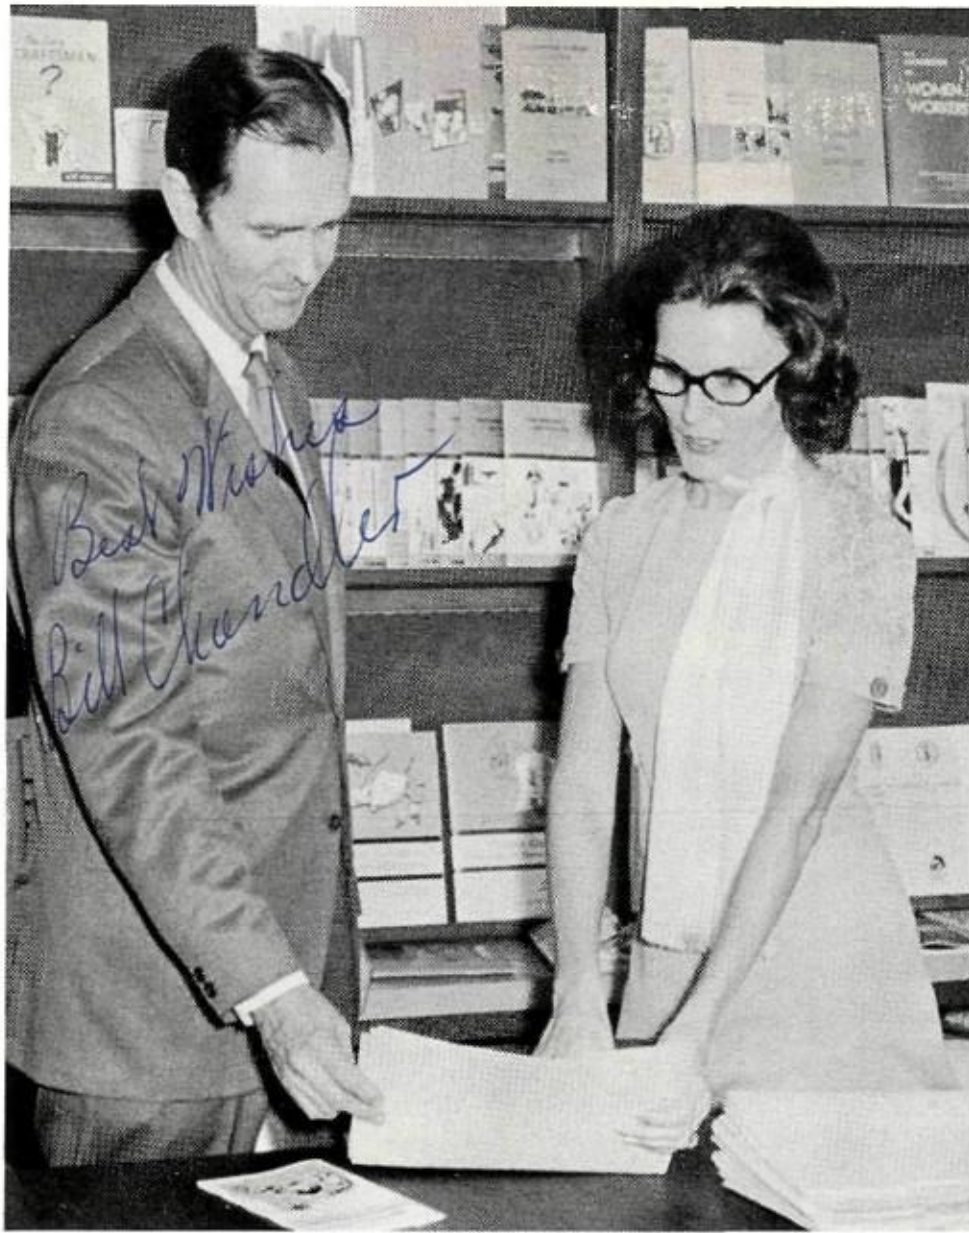

Mr. Wiley communicates with students in different ways.

Counselors Aid All - Not Just College Bound

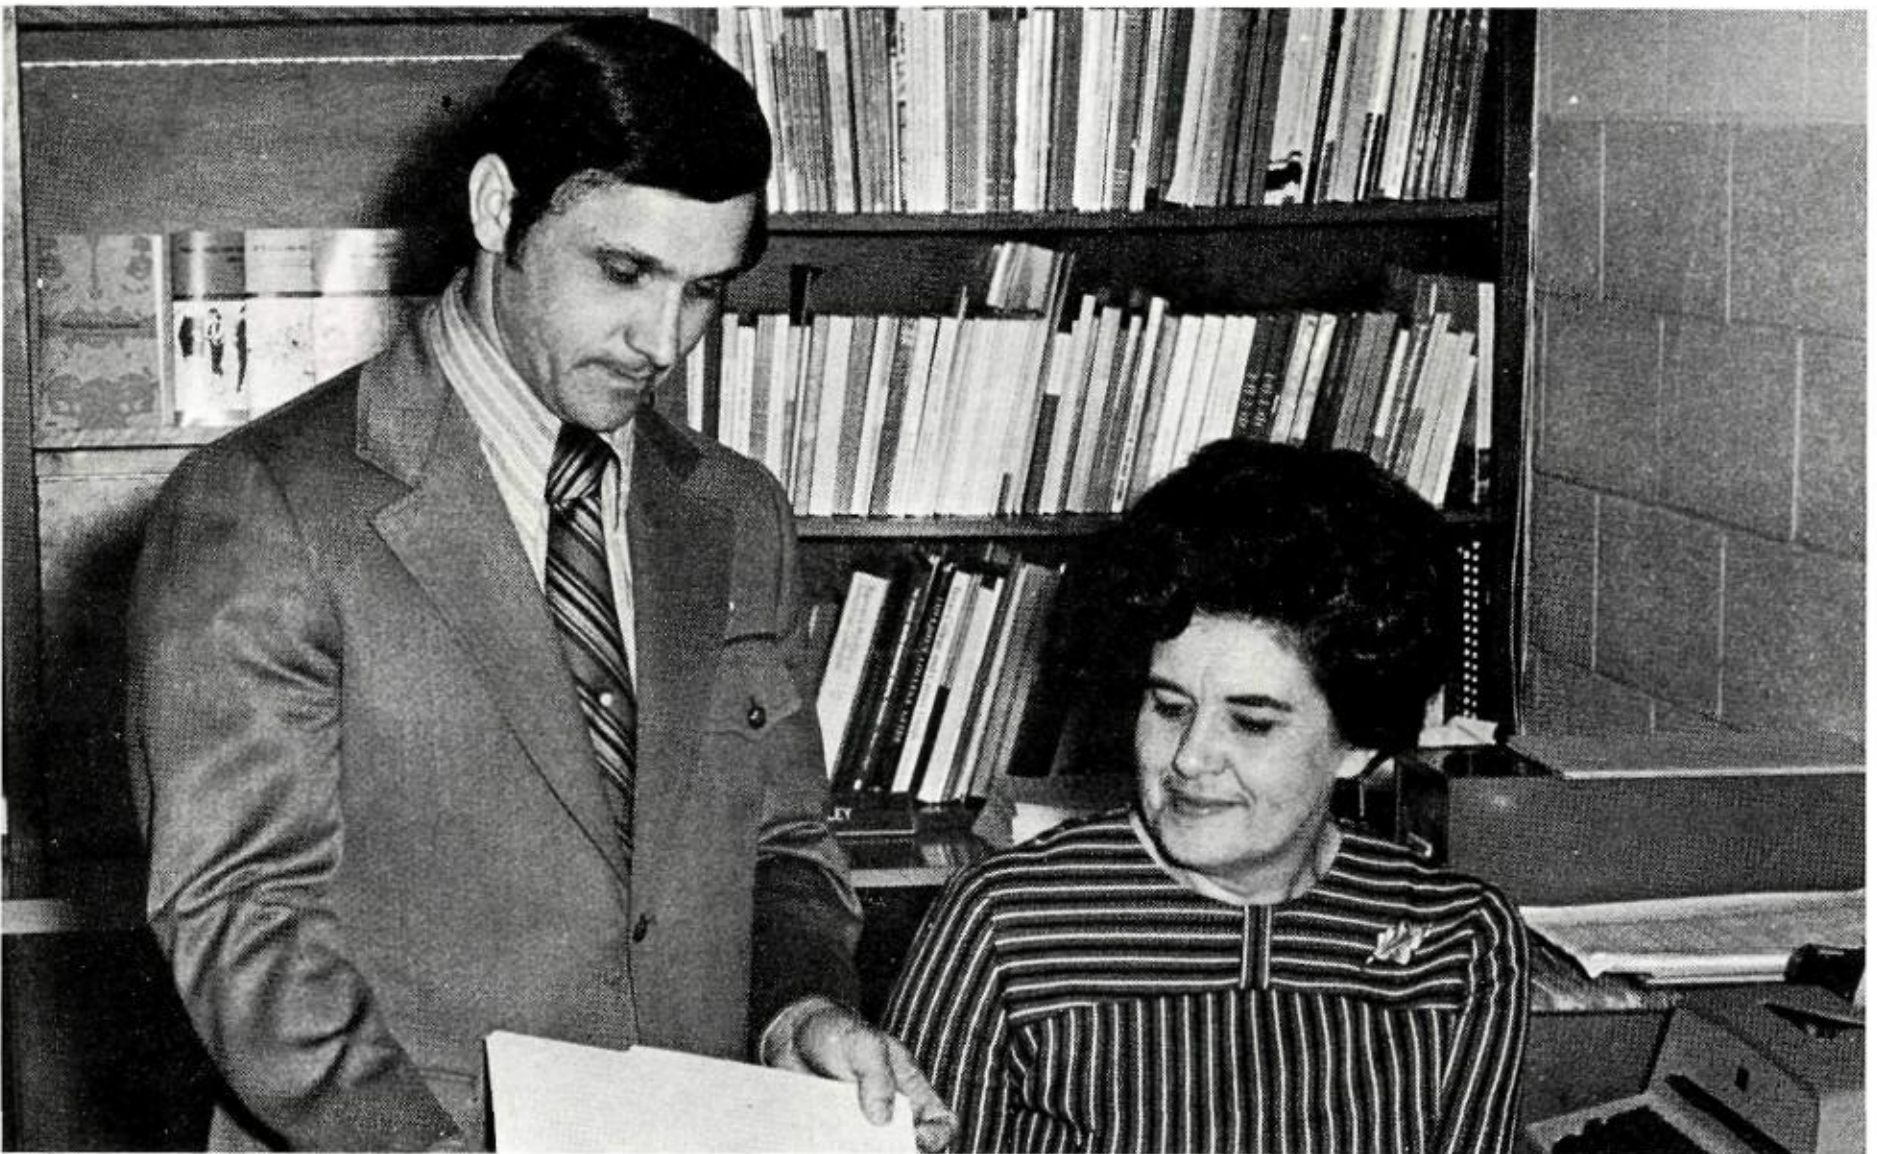

For various reasons every student comes in contact with their counselors at some time or another. It may be correcting scheduling mistakes, discussing future plans, or college selection, no matter what, the counselors are prepared to offer assistance. Mrs. Madeline Taylor counseled the seniors; Mr. Jack Ingle the juniors; and Mr. Bill Chandler the sophomores. Together the counselors organize testing programs, keep records on individual graduation requirements and offer vital assistance to students.

Mrs. Wilma Riley is the secretary working in the counseling office. She organizes appointments with the counselors, completes student records and offers occupational and educational information.

Left: Sophomore counselor, Mr. Bill Chandler, shows Senior counselor, Mrs. Madeline Taylor, some Sophomore files - since they will be her responsibility in 2 years.

Below: Mr. Jack Ingle, Junior counselor, discusses PSAT testing with secretary, Mrs. Wilma Riley.

Local Computer Advances Efficiency

Mrs. Juana Hill, school registrar, is responsible for scheduling and the computerized report cards. This year Trinity switched to a local computer, facilitating greater efficiency with the scheduling system and report cards.

Among her duties as registrar, Mrs. Hill's responsibilities include issuing transcripts, arranging new students schedules and giving final approval on scheduling changes.

Mrs. Juana Hill gives her stamp of approval to another completed schedule—one out of almost 1400 she had to arrange.

Knowing all the responsibilities she has to face, she is still able to smile at the start of each day.

The Frito Bandito strikes again!

The Library, An Institution of Learning

Organizing the library and keeping track of the books out on loan is a big responsibility resting with Mrs. Vern Myers. Mrs. Myers graduated from East Texas State with a major in Library Science. She came to Trinity four years ago, and since then has used her talents to furnish Trinity with an efficient

and well organized library.

Mrs. Glenda Bradshaw, teacher's aide, works with the audio-visual facilities at the library. She assists both the teachers and Mrs. Myers in executing their duties with greater efficiency.

Nurse and Therapist Meet Student Physical Needs

Mrs. Fran Henke ministers to her patient with the aid of a cheerful smile.

Mrs. Mary Scott works once a week as speech therapist on Trinity's campus. She works with students to correct and improve on individual problems.

For several days a week Mrs. Fran Henke administers first aid from the clinic located in the administration building. She also maintains health records and determines when inoculations are due.

Mrs. Mary Scott, Trinity's roving speech therapist, attempts to meet individual needs.

Without the Phone-They'd Be Lost

The attendance office is never idle. Attendance cards are brought in each period which require checking for truancy and cuts. Each of the three classes is assigned a clerk who records daily the students absent. Mrs. Betty Mitchell checks the seniors; Mrs. Ann Hilton, the juniors; and Minta Sewall, the sophomores. These ladies also issue on and off campus passes.

Attendance workers keep track of Trinity students.

Mrs. Linda Spradlin provides invaluable aid as a typist and as supervisor of a departmental book store.

Mrs. Paula Wilson, the principal's secretary, will complete her second year at Trinity this spring. Her duties as lead secretary include sorting the principal's correspondence, arranging his appointments, and organizing the stock of office supplies.

As PBX operator and cashier, Mrs. Katie Linsteadt is confronted daily with students paying various fees. Mrs. Linsteadt also assists the principal's and the registrar's secretaries in completing their various duties.

Mrs. Linda Spradlin is the teacher's aide who works out of the English office. Mrs. Spradlin's duties are determined by Mr. Murray, who assigns her to an area where her efforts will provide the highest degree of efficiency.

Maintenance Staff "Jacks" of all Trades

Standing: Vaughn, Callahan, Ussery, Blevins, Thorton, Fielder, Moore. Seated: Vaughn, Ussery, Watkins, Thorton, Moore.

The chore of maintaining the buildings and the campus of Trinity is monumental. The maintenance staff responsible for this is small and dedicated. The magnitude of the upkeep on a school the size of Trinity is astounding, and few people realize the work involved.

The maintenance staff is seldom mentioned, and at this time the Annual Staff wishes to acknowledge the dedication of these people and express our thanks and appreciation.

Cafeteria Staff Builds Strong Bodies Twelve Ways

"Tryyy it you'll liiike it!!"

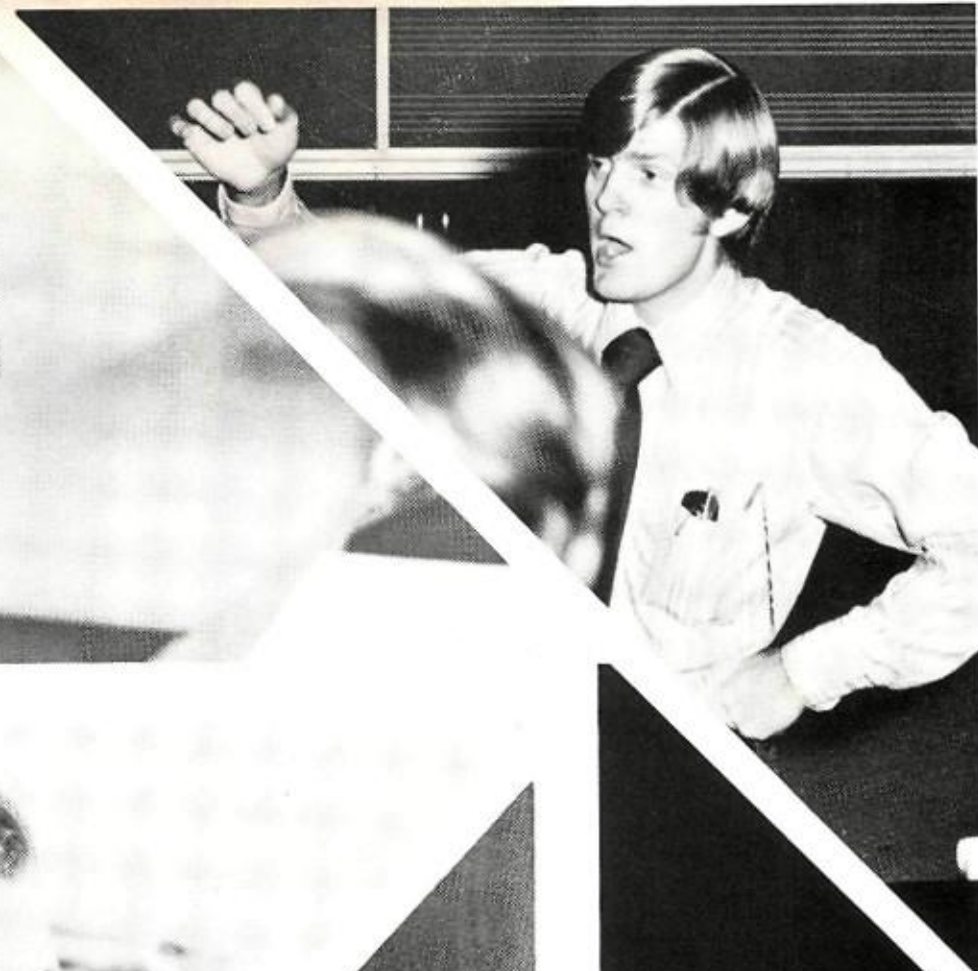

Every day the cafeteria staff prepares a vast quantity of food to feed the students and teachers of THS. Quantitative cooking can be tricky, especially when the majority of the food is prepared several hours in advance.

With the possibility of open lunch, the cafeteria staff faces outside competition. The new policy has not been approved yet, and most of the students continue to buy their food at the cafeteria.

The structure of language is shaped by the inherent qualities of the culture. Through the English Department students learn the evolution of our culture through language and literature.

The American Civilization course, originally introduced two years ago on an experimental basis, has proved such a successful means of combining American history and literature that every junior is now required to take it.

This year Seniors were given the option on specific areas of study for each nine weeks. Each student selected four of the eight course offerings and reported to an assigned teacher. The purpose was to increase the student's interest by allowing him to choose the courses he was to study.

Team teaching increased in scope as teachers doubled-up in concentrated studies affording more individual attention per student.

Mrs. Webb observes a dangerous weapon in her classroom.

With a fiendish grin, Mrs. Johnson makes out another one.

Languages Expand Scope of Communication

Languages are taught to expand the student's ability to communicate, to understand foreign cultures, and to show the value of tradition. First year courses strive to accomplish exactly that. This is the first time that third year studies are available; however due to the shortage of interested students it was necessary to combine several levels into a single class period, leaving third year students mostly on their own time.

The Journalism classes continue to teach students the direct presentation of facts, and prepared students for practical application of knowledge through the Palantir staff.

Science Expands In Knowledge as Well as Hours

Mr. Glen Cummins

The Science Department strives to fulfill the needs of the students by offering courses that cover many branches of scientific research.

Biology 1 & 2, a basic course offered to sophomores, proved so popular that it was necessary to institute an additional class before the regular school day began.

General courses in Biology, Chemistry and Physical Science are offered, and for those students wishing to pursue science in more depth there is Biology 3 & 4 and Physics.

Photography, Geology and Astro Science cater to the students whose interests extend beyond the material of the required courses.

In order for a democratic nation to exist, its citizens must have an understanding of the social, political and economic systems. A principle concern within the Social Sciences Department has been to assist students to develop commitments relevant to today's world.

American Civilization, a combination of American literature and history continues to arouse new interests along

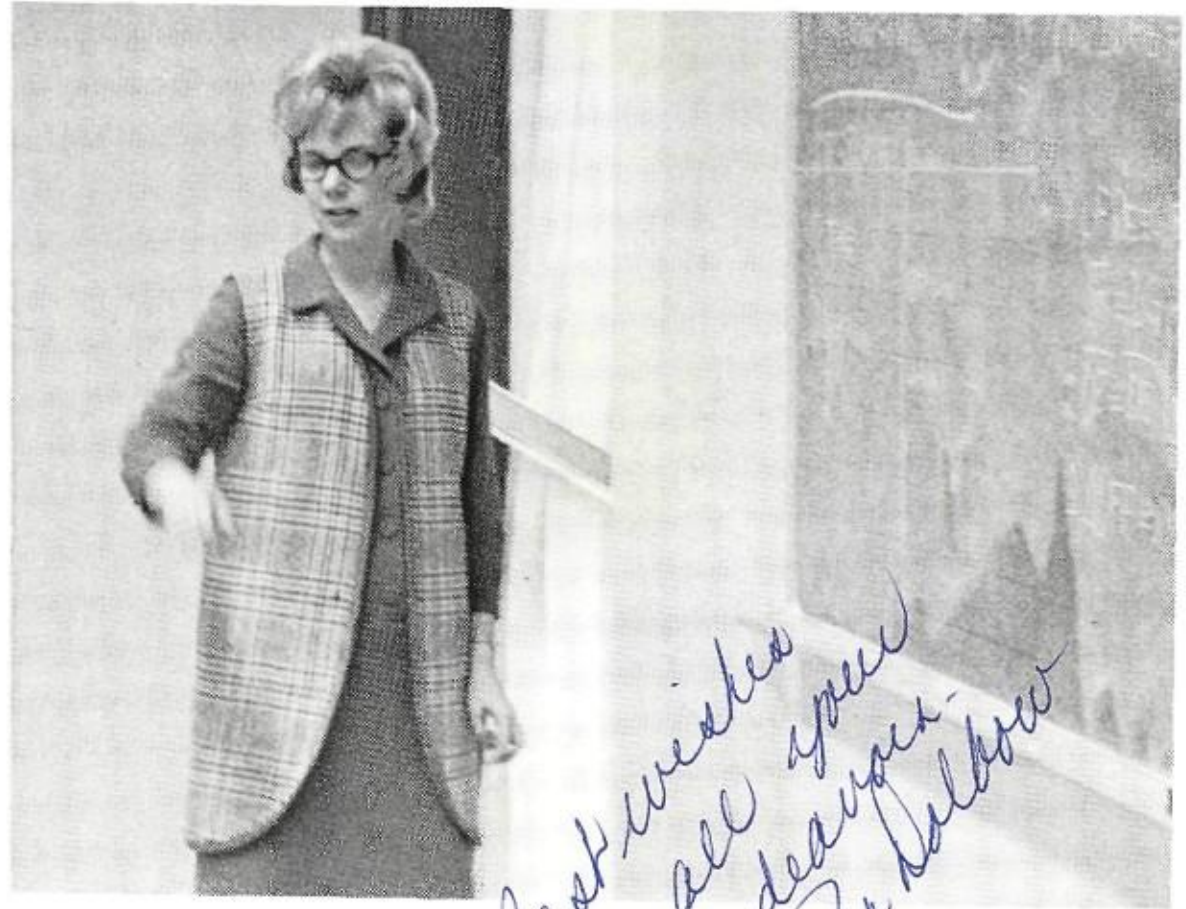

with Sociology, Civics, World and American History. Advanced Social Science Problems offered only to seniors is an example of history's tangible relevance to today, as students select the contemporary problems to be studied during the semester. A new course, offered to seniors is Concepts in Citizenship, which combined aspects from Civics and Sociology.

Distributive Education (D.E.) deals in the retail division, Vocational Office Education (V.O.E.) offers ex-

perience in the clerical line of work. Coordinated Vocational Academic Education covers the general vocational possibilities in business. These vocational classes are designed to relate classroom experience to valuable on the job training.

Aiming to provide students with means of expression through Art, Drama, Band, Chorus, the Fine Arts Department attracts many creative students.

Although individual creativity is encouraged, students also learn to appreciate established artists through ex-

posure to the Fine Arts.

For the first time there were two teachers in Speech and Drama and also in the Art Department. This increased individual attention per student while expanding the scope in the respective courses.

Homecoming Queen
Phyllis Coffman

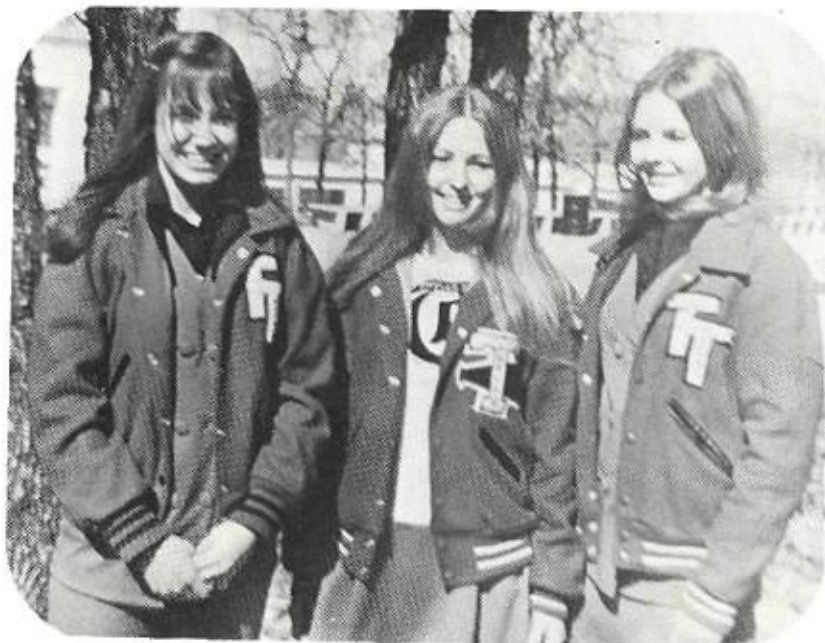

The 29th of October marked Trinity High School's second homecoming. Following a week of hectic homecoming activities, three Senior girls, Pam Kerns, Phyllis Coffman, and Alana Nichols, awaited anxiously the crowning of the 1971 Homecoming Queen. They were attended by a court of underclassmen, Julie Hyde, Norma Smith, Sophomores; and Cindy King, Lynn Erikson, Juniors.

The 1971 Homecoming Queen was Miss Phyllis Coffman, escorted by her father Mr. Bill Coffman. Don Middleton and Dennis Hall, Student Council officers presented her with a plaque and bouquet of white mums.

C l a s s O f f i c e r s

In any class the officers must be people of outstanding leadership. Those were only two of the qualifications students looked for when they chose 1971-1972 Class Officers.

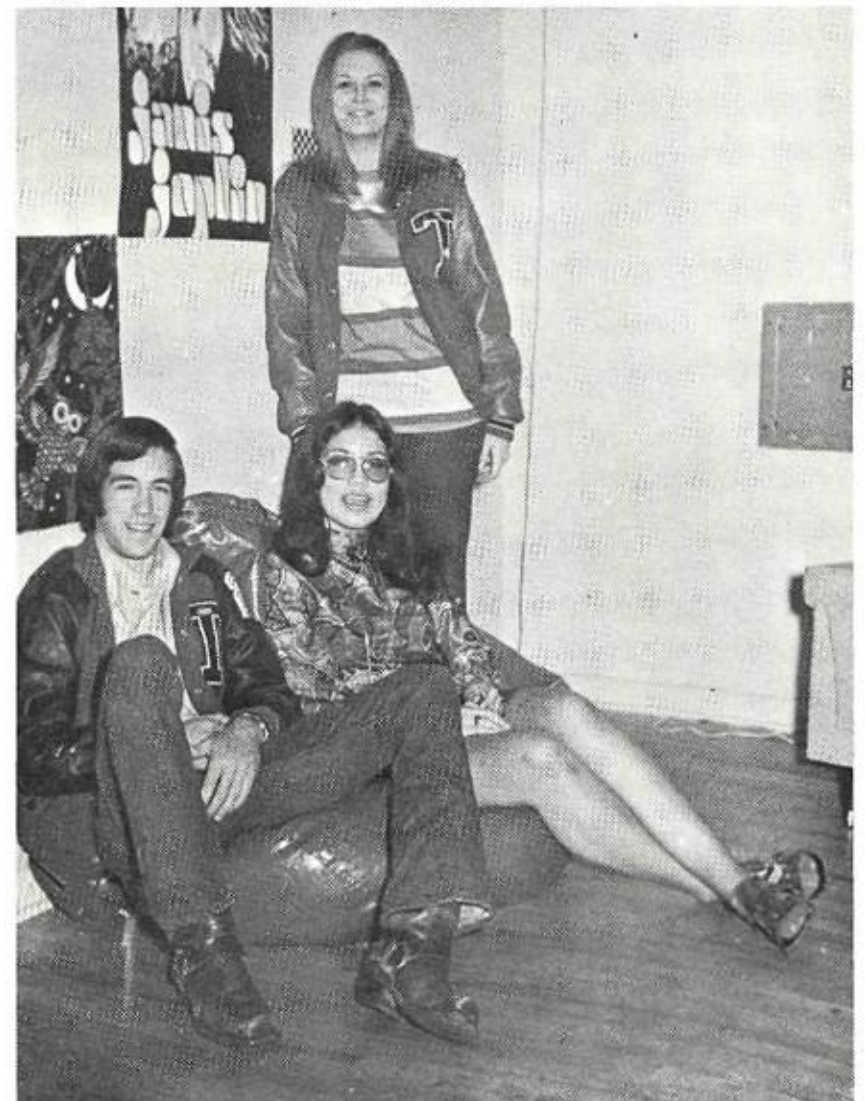

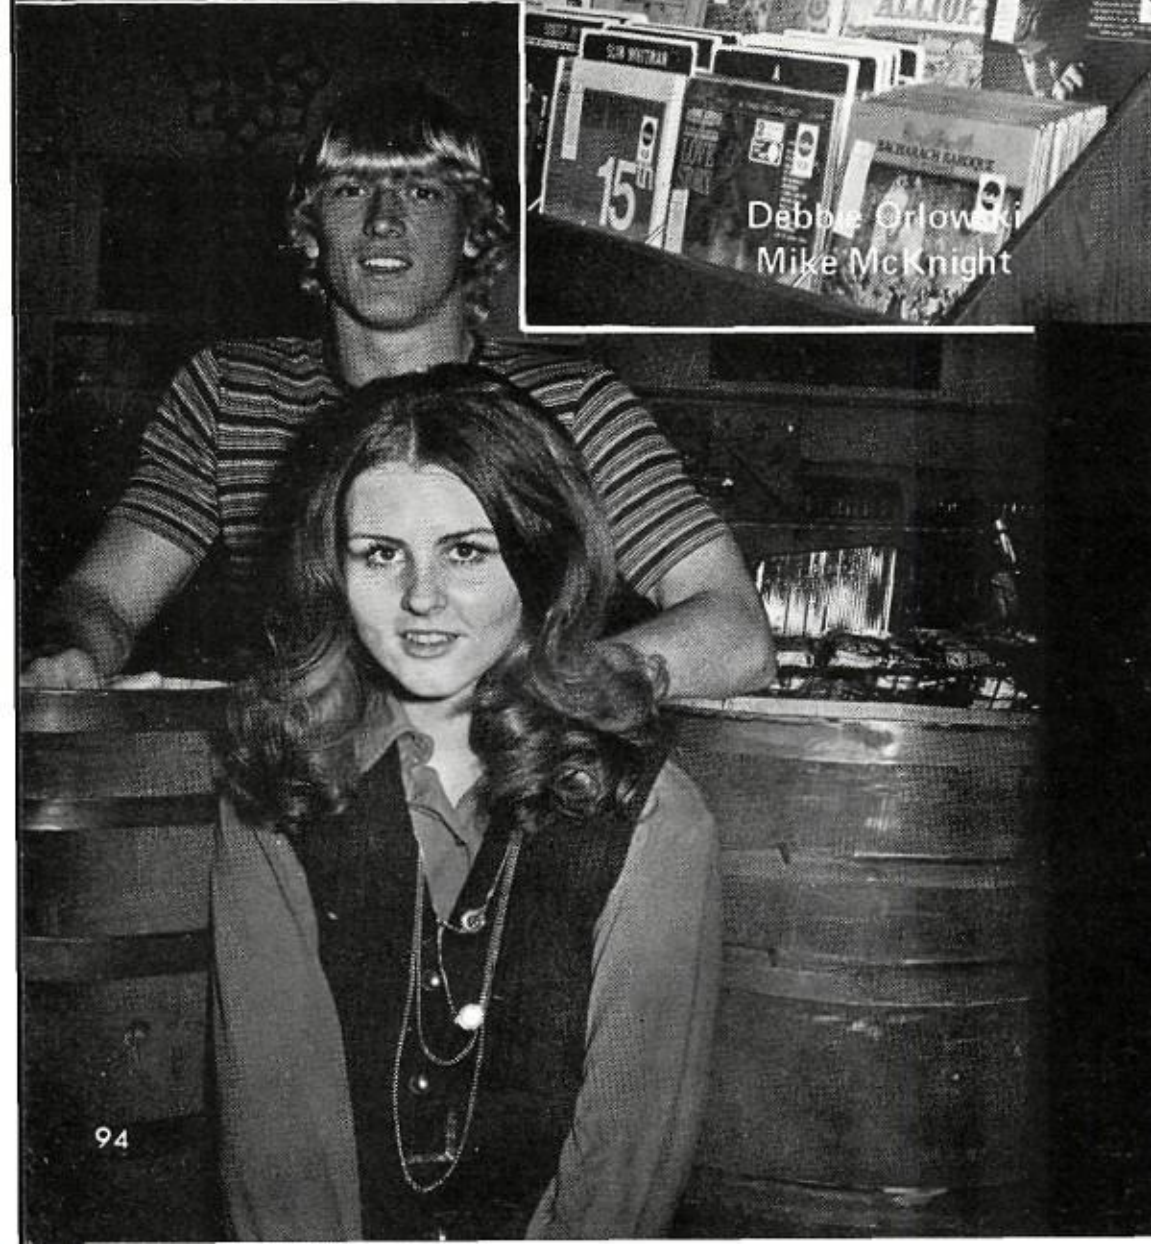

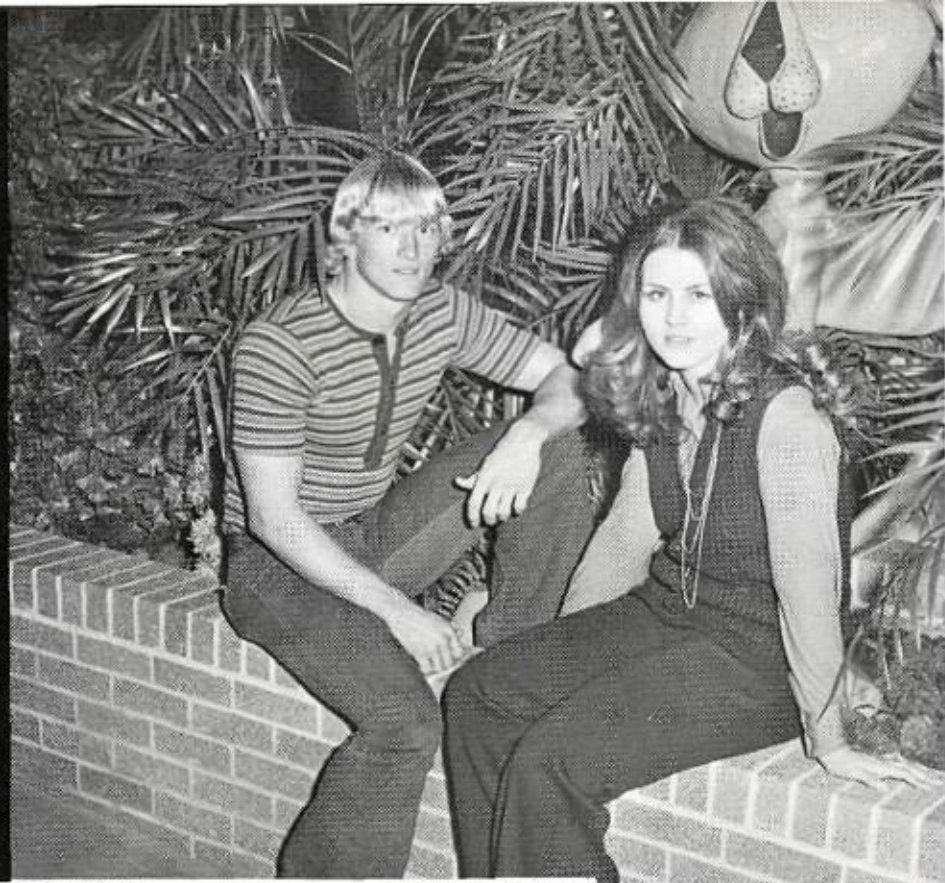

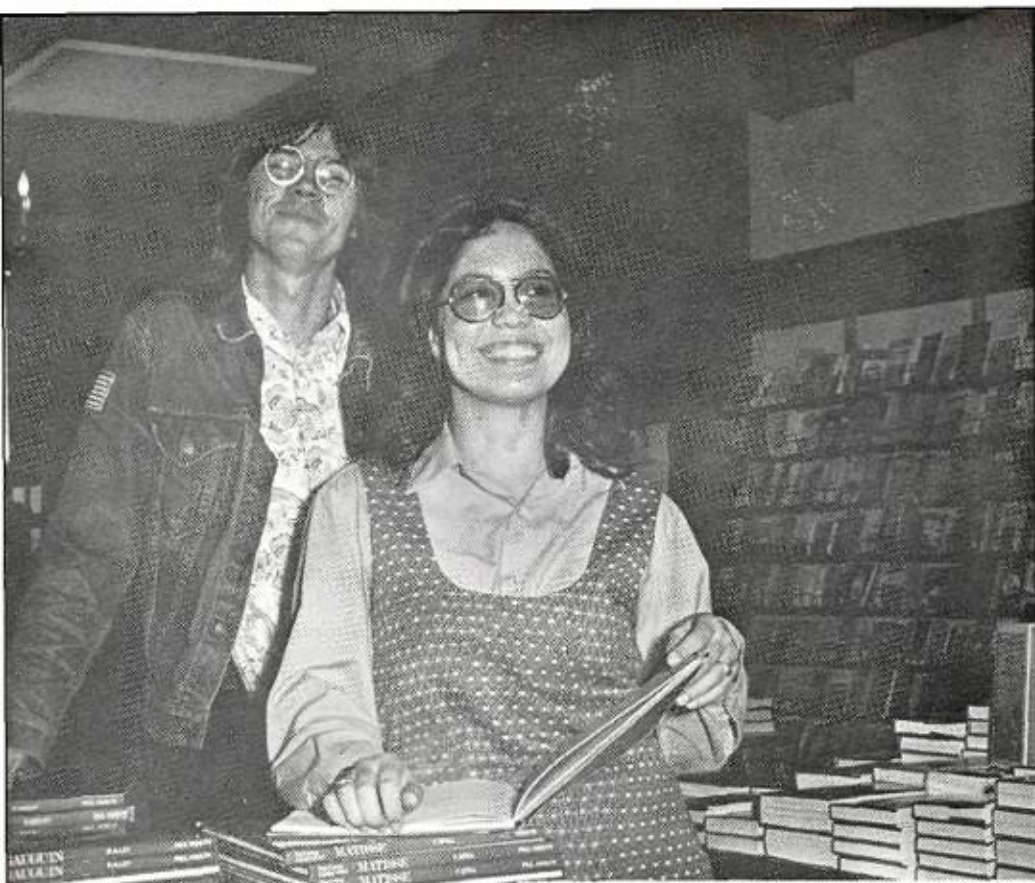

1971-72 Junior Class officers: President, Clint Miller; Vice-President, Johnny Humphrey; and Secretary-Treasurer, Meg Krause have shown total involvement in this year's Junior Class. The work and dedication of these three officers is a credit to the Junior Class. Seldom do three people give so much of themselves to the effort of their class.

Laura Gonzales, President; Charlie Bundren, Vice-President; and Jana Conner, Secretary-Treasurer are the 1971-1972 Senior Class officers. Any class officers willing and capable of taking on the responsibility of adopting an Indian child and successfully completing many projects are certainly a source of pride to the school and the Senior Class.

It is very important for the officers of a new class to help the class become a functioning part of a school. Such has been the task of the 1971-1972 Sophomore Class officers: President, Mona Martin; Vice-President, Penny Saleh; and Secretary-Treasurer, Lonia DeLong.

The results of the triple runoffs held to elect the Senior Class Favorites were as much of a surprise as it was a first at Trinity. The balloting ended in a tie with winners Laura Gonzales, Debbie Orlowski, Mike McKnight, and Bobby Wilcox receiving the honor. The presentations were made at the 1971 Christmas Ball along with the sophomores and juniors.

Juniors

There are about 500 students in the Junior Class of Trinity High. For two people to be chosen as Junior Class Favorites is undoubtedly an honor. This year's Junior Favorites are Regina Ware and Chris Sullivan. The election itself was close, but Chris and Regina's warmth and personality won.

Troubador membership is open to any member of a speech or drama class. In class students learn the basic skills of the theater that are later put to practical application on stage.

Troubadors produced the famous Christmas story SCROOGE, by Charles Dickens this year. For many

participants it was their first experience on stage. Miss Jane Thomas directed the play which was her first attempt in her career as speech teacher.

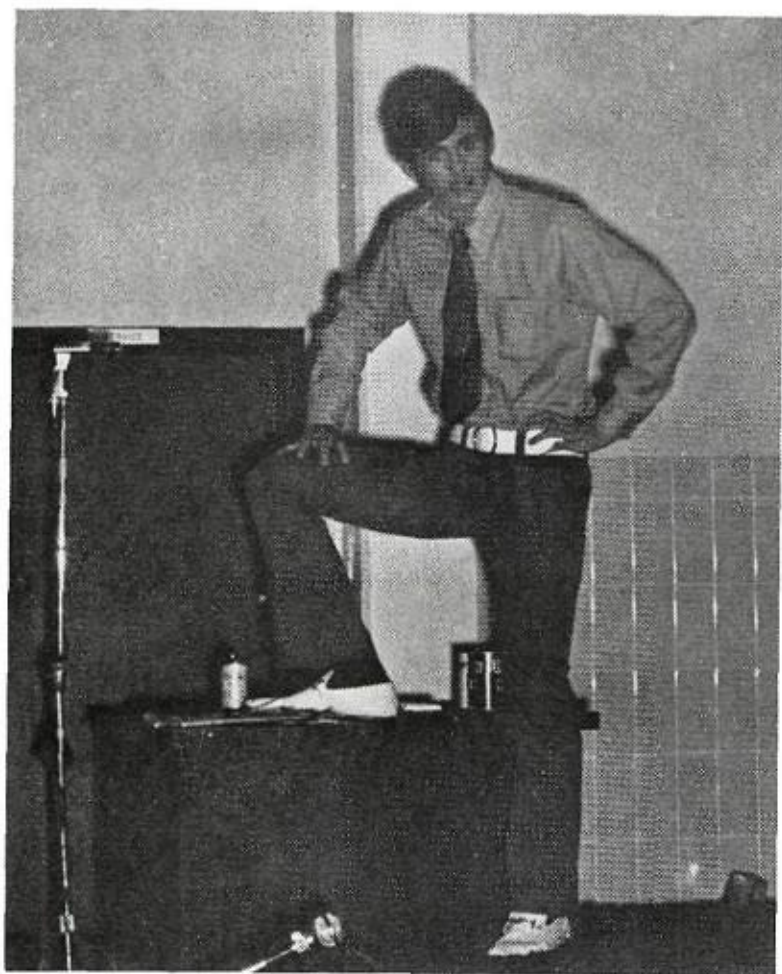

Troubador members as pictured on this page, are as follows: 1st, 2nd, and 5th period classes.

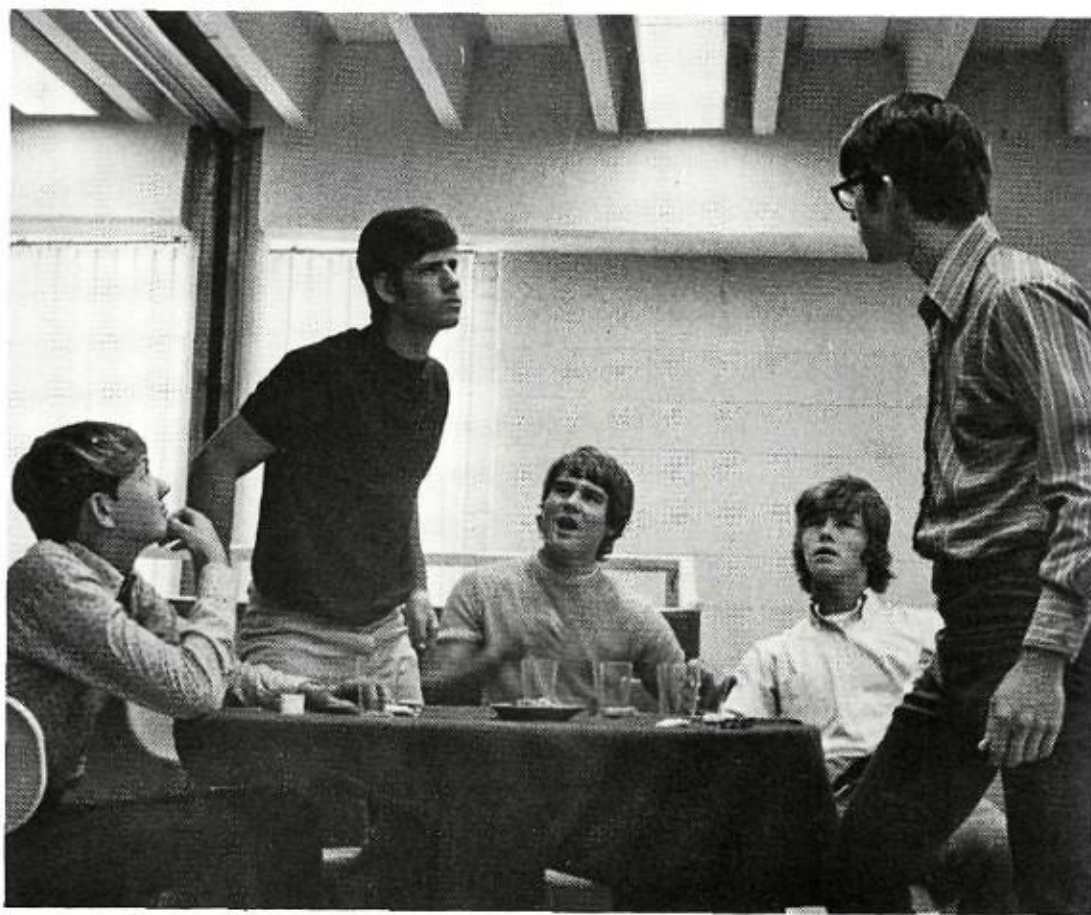

Odd Couple Presented as First Dinner Theatre

Neil Simon's *ODD COUPLE* was the first dinner theater produced at Trinity this year. This comedy was set in New York City and the plot revolved around two bachelors,

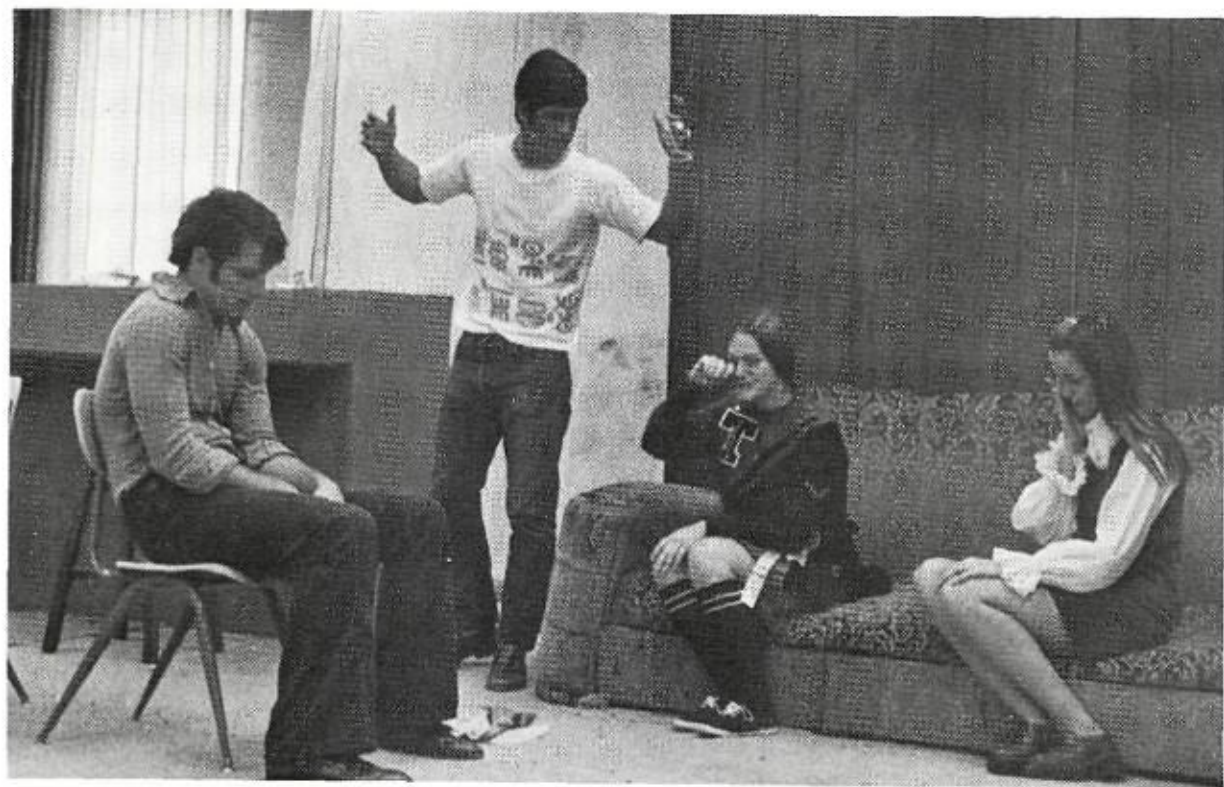

recently estranged from their wives. Their situation grows to hysterical proportions as they encounter various problems in sharing an apartment.

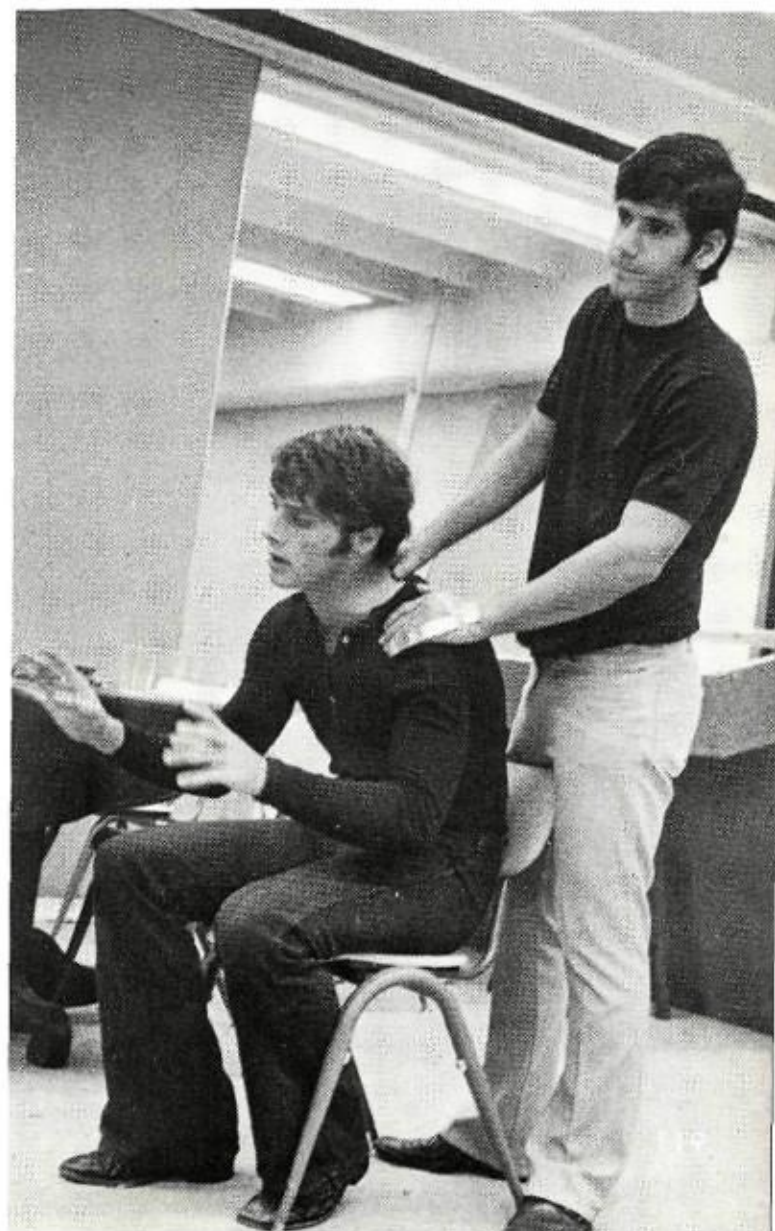

"I can't believe I ate the whole thing!" Jack Ledbetter

"Who said my mom wears army boots!?" Joe Sowell to Jack Ledbetter.

"Is everybody happy?" Harvey Norman, Joe Sowell, Darrelyn Benson, and Pam Clemens.

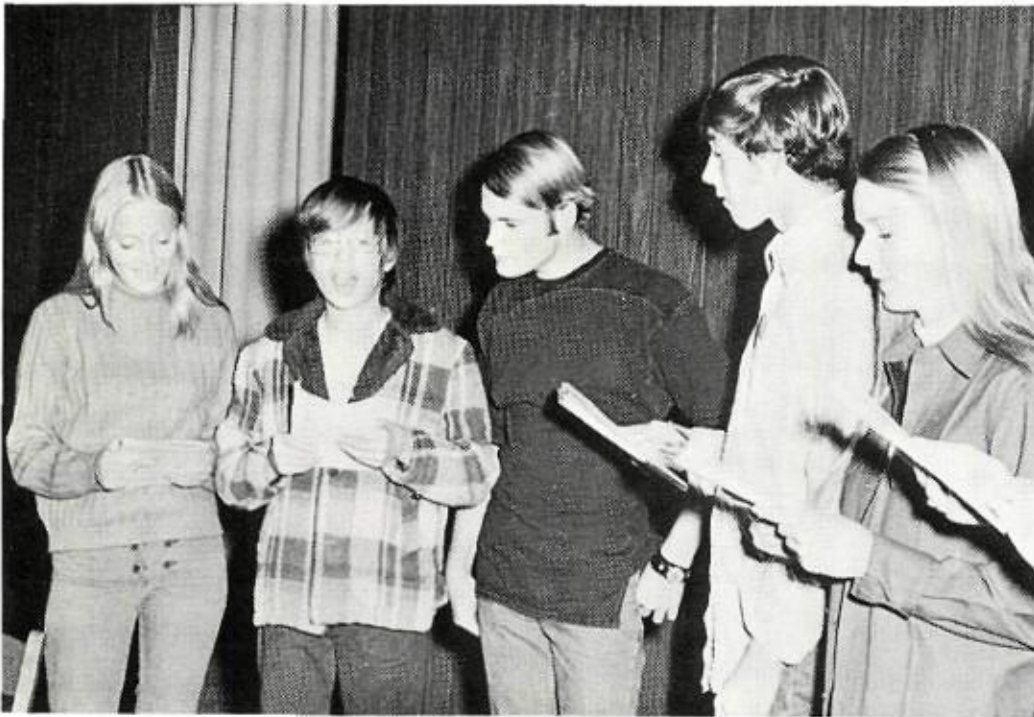

"A little more to the left please." Harvey Norman and Joe Sowell.

"A Christmas Carol" Promotes the Spirit of Christmas

Christmas time is traditionally the season of giving and goodwill. This year the spirit was personified in the Troubador production of Charles Dickens' CHRISTMAS CAROL. This story of the miserly old Scrooge and the innocent Tiny Tim was well portrayed in the Troubador presentation.

Because there was such a variety of roles, the play was an excellent opportunity for students to receive acting and technical experience in theater productions. Many of the students had never acted before, for the only prerequisite for Troubador membership is enrollment in a first year Drama or Speech class.

Miss Jane Thomas, our new Speech teacher, directed the play; and Mrs. Beverly Brown served as technical director.

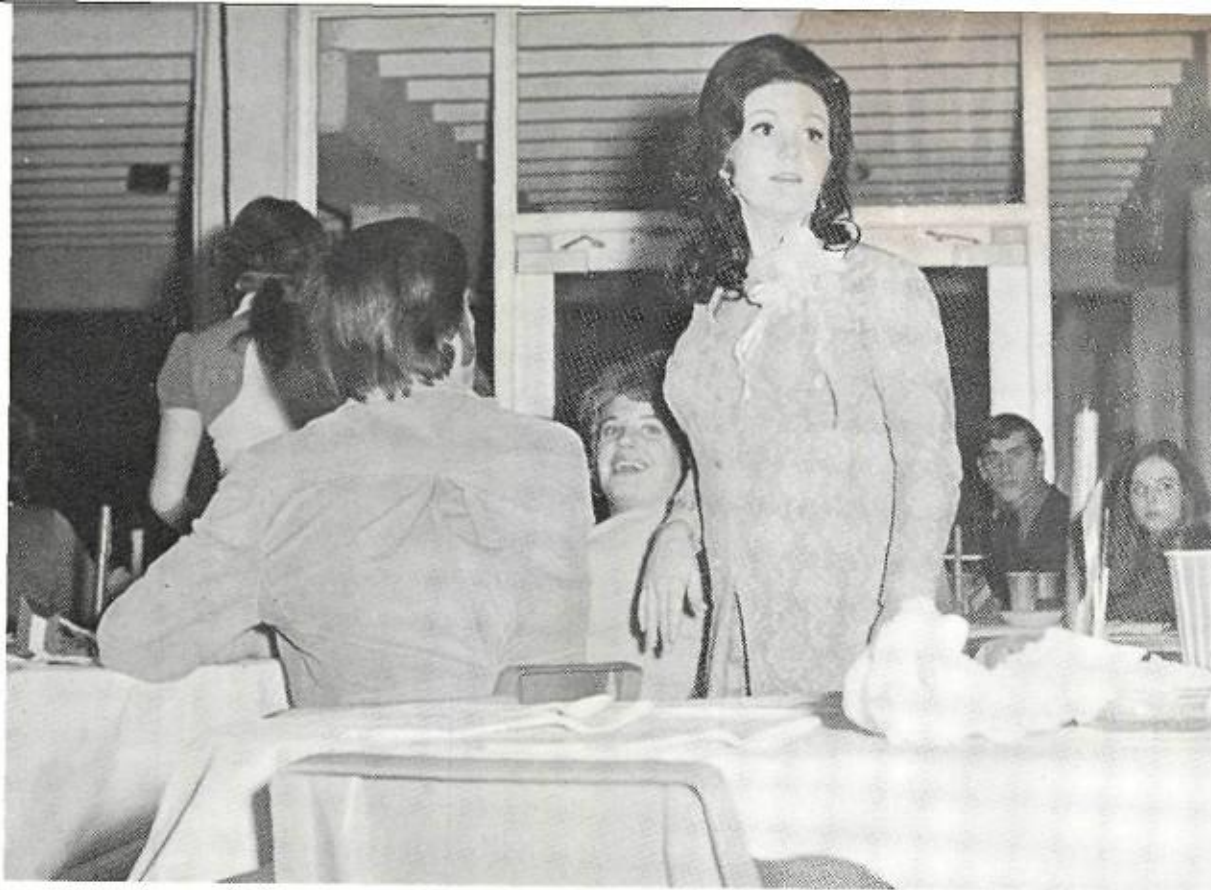

The idea is to sing, not look at the pictures.

"Yes, Miss Thomas, I've heard the one about, what one mum said to the other mum."

"I saw that; he dealt from the bottom of the deck."

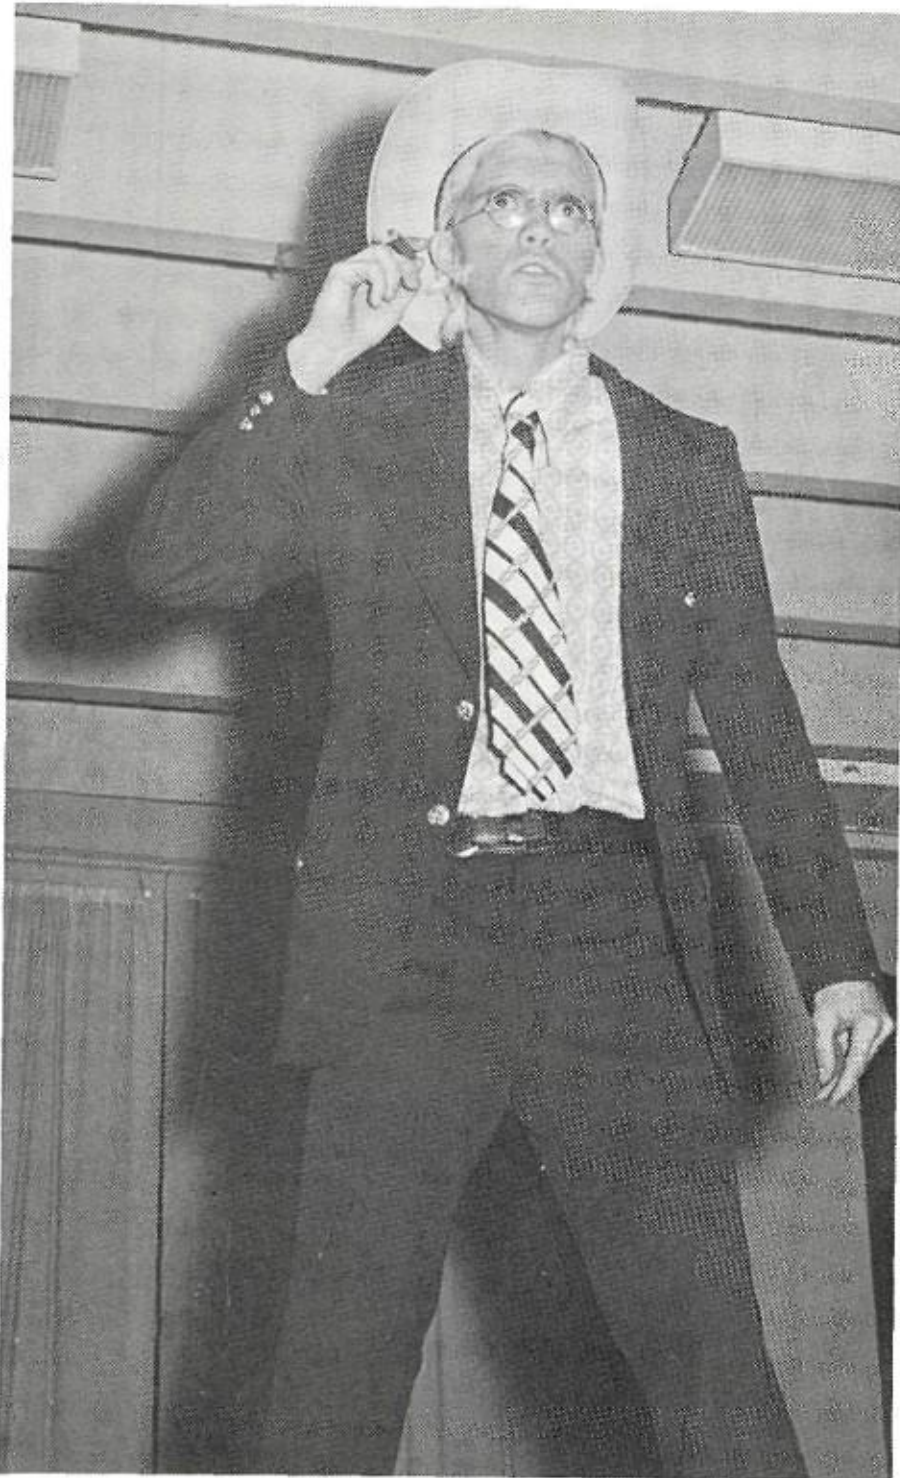

Don't Drink the Water; Eat The Bread!

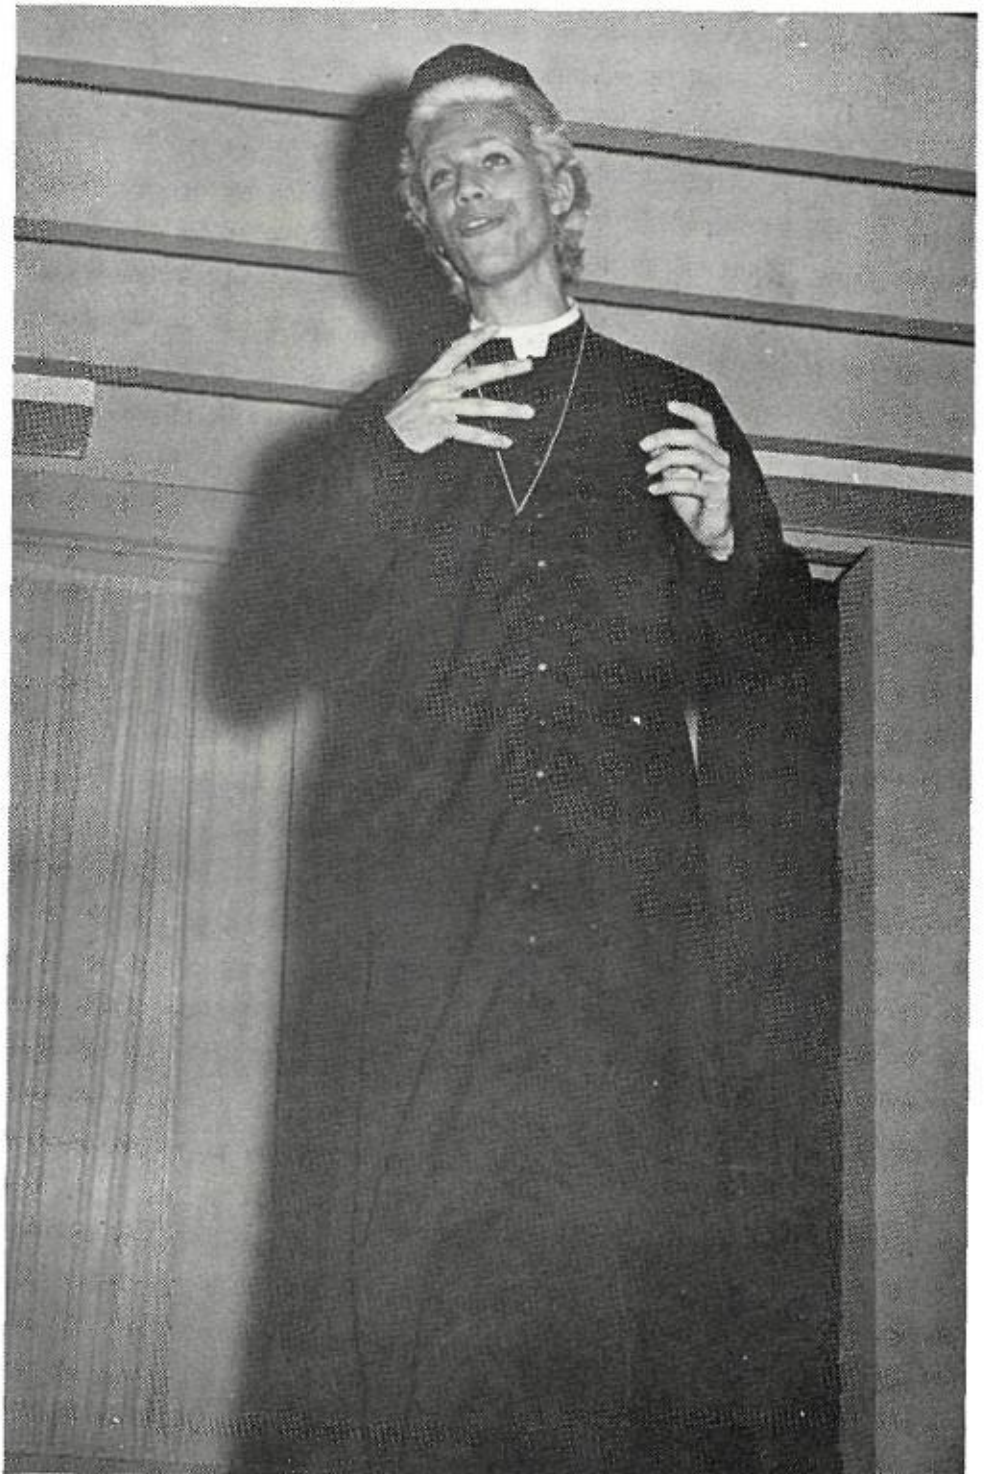

The harrowing experiences of a Jewish family's vacation in a communist country are the subject matter of Woody Allen's hilarious play, **DON'T DRINK THE WATER.**

Taking photographs of secret military installations, they are forced to flee from the secret police. They seek asylum in the United States' embassy, where they are confronted by the ambassador's son, who manages to completely mismanage and bungle the crisis.

Senior Class Unites to Present Matchmaker

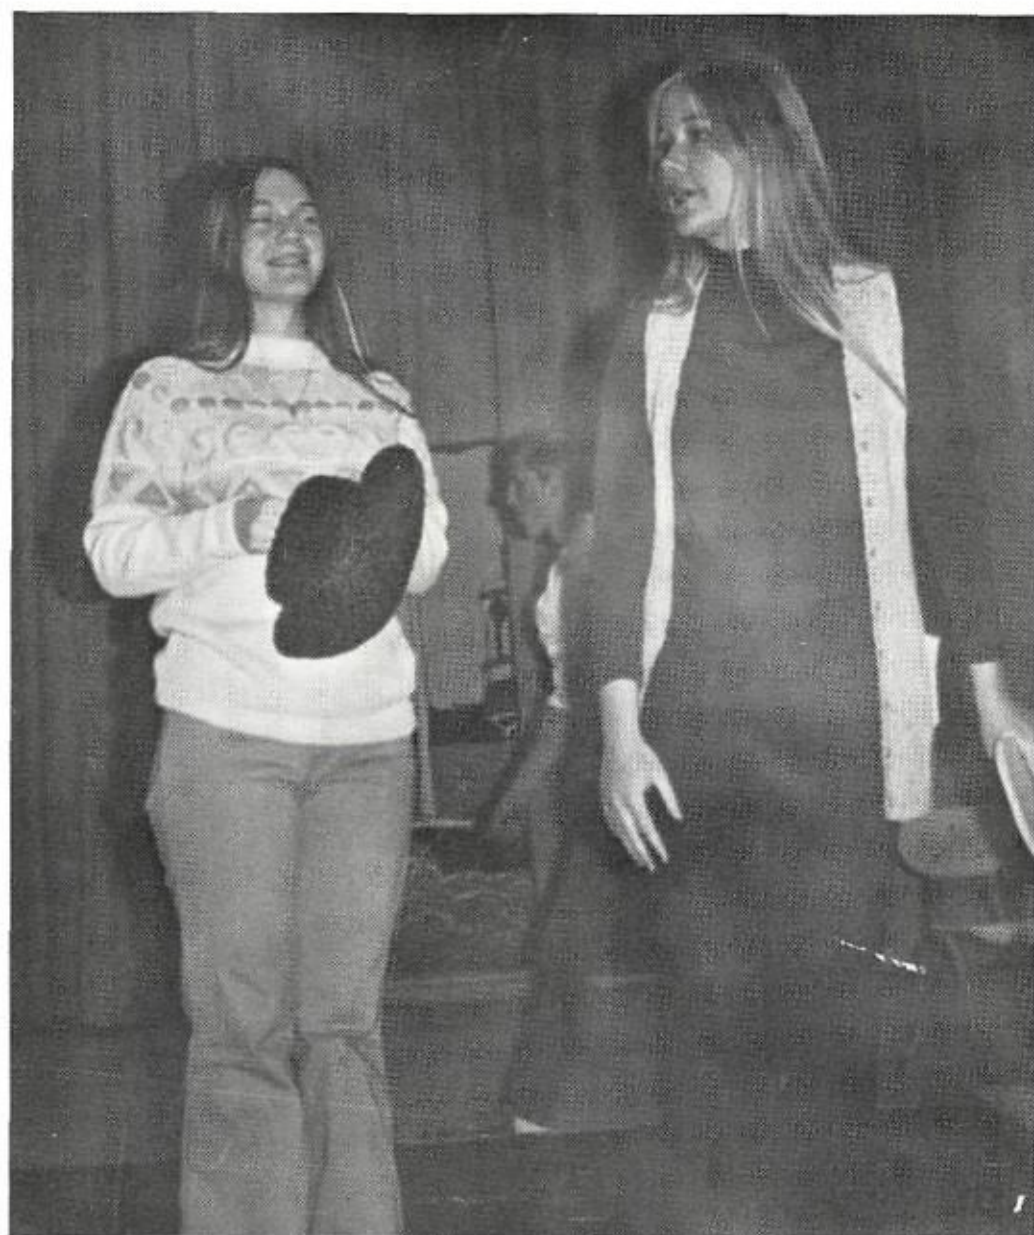

THE MATCHMAKER, the senior class play, was the biggest extravaganza that Trinity has ever witnessed. Bright costumes, intricately designed sets and elaborate production numbers made the backdrop for the gregarious personality of Dolly Levi.

The plot revolves around Mrs. Levi's adventures as she devises a plan to trap Horace Vandergelder, a wealthy merchant, into marrying her. Mr. Vandergelder has employed Dolly's services as a matchmaker in order to find a suitable bride for him.

Band Travels to Perform at Monterrey, Mexico

Much of the spirit at football games is due to the enthusiasm generated by the band. Their precision marching and quality performances have won numerous awards.

In January the band travelled to Monterrey, Mexico, where they had been invited to play at several concerts.

This year a Dixieland and a German Polka Band were

formed as supplements to the Symphonic Band. These groups performed at civic groups such as the P.T.S.A. and accompanied the band to Mexico.

In U.I.L. marching competition the band received the highest acclaim, an A-1 superior rating.

A Cappella Competes in U. I. L. Solo and Ensembles

Trinity High School's elite is the A Cappella Choir. Setting high standards for membership by audition only, the choir is a highly competitive group.

To raise money for a competition trip to Galveston, April

28-30, for Southwest Choral Conference they sold stationery. They also perform at school and compete in spring U.I.L. meets. Concerts given this year were a pop concert in the fall, a Christmas concert, and a spring concert.

Girls Sing in Spring Concert

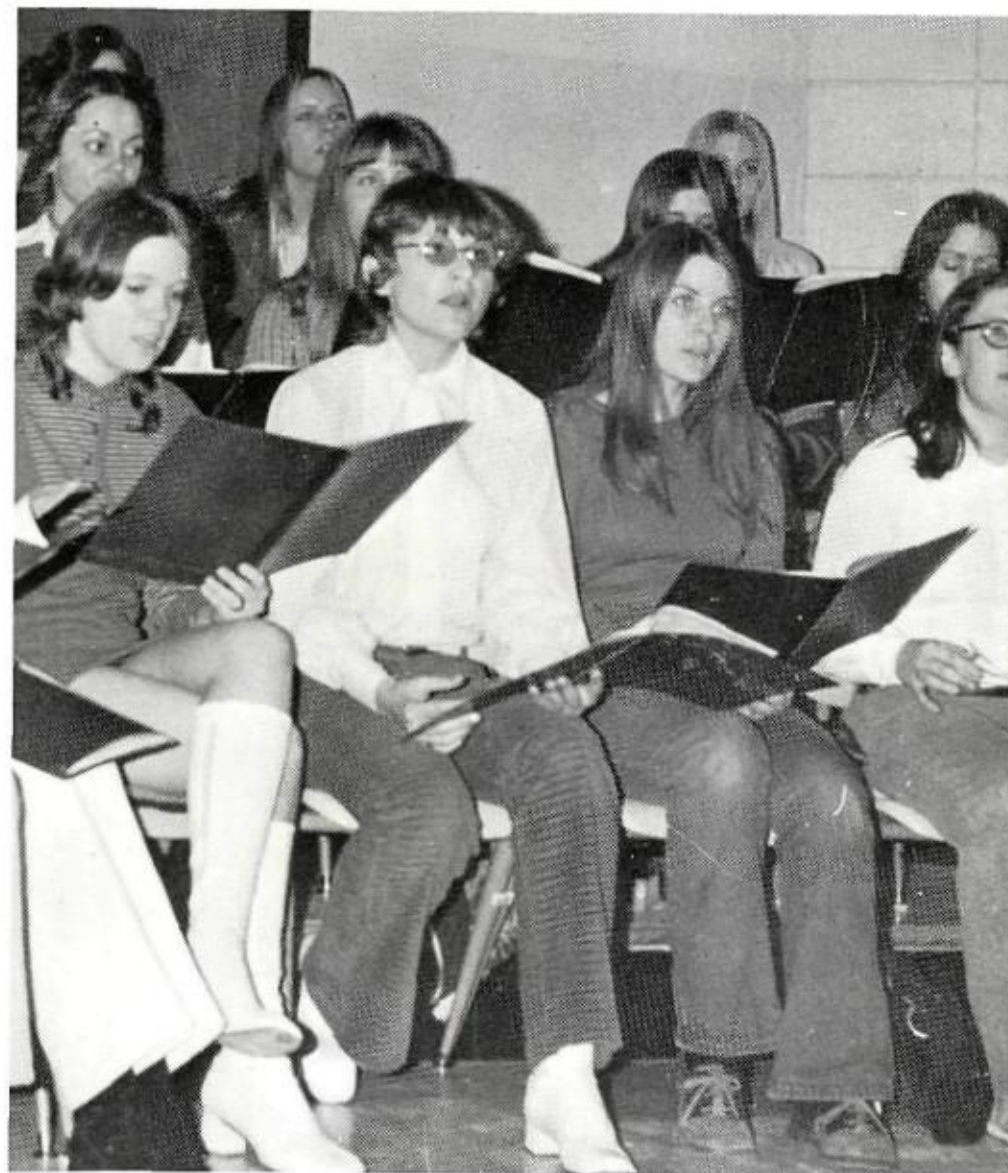

The girls choir, also under the direction of Mr. Cope, consists of first year students. These students strive to attain membership in the A Capella choir after learning the fundamentals of music. Members participated in the pop concert, Christmas concert, and spring concert. They also entered in the U.I.L. contest which consists of prepared pieces, sight reading, solos, and ensembles.

Art Club Creates Spirit Signs

The Art Club, sponsored by Mrs. Joyce Laney, is one of the newest clubs at Trinity this year. Membership is open to all art students. Projects this year include field trips to area art museums, creating spirit signs for sports events, art displays at

North East Mall in the fall and in the spring, and a school art show before Christmas holidays. Officers this year are: Debbie Orlowski, President; Dennis Hall, Vice-President; Donna Barber, Secretary; and Pam Kerns, Treasurer.

Chess Club Attends Tournament in San Antonio

The Chess Club is a group of students with an intense interest in the game of chess. Activities this year include competing in local and state tournaments. Under the direction of Mr. Ronnie Banner, the Chess Club attended the state tournament in San Antonio in the spring. Officers this year include: Roy Yarbrough, President; Mike Ryan, Vice-President; and Robert Hawk, Assistant Vice-President.

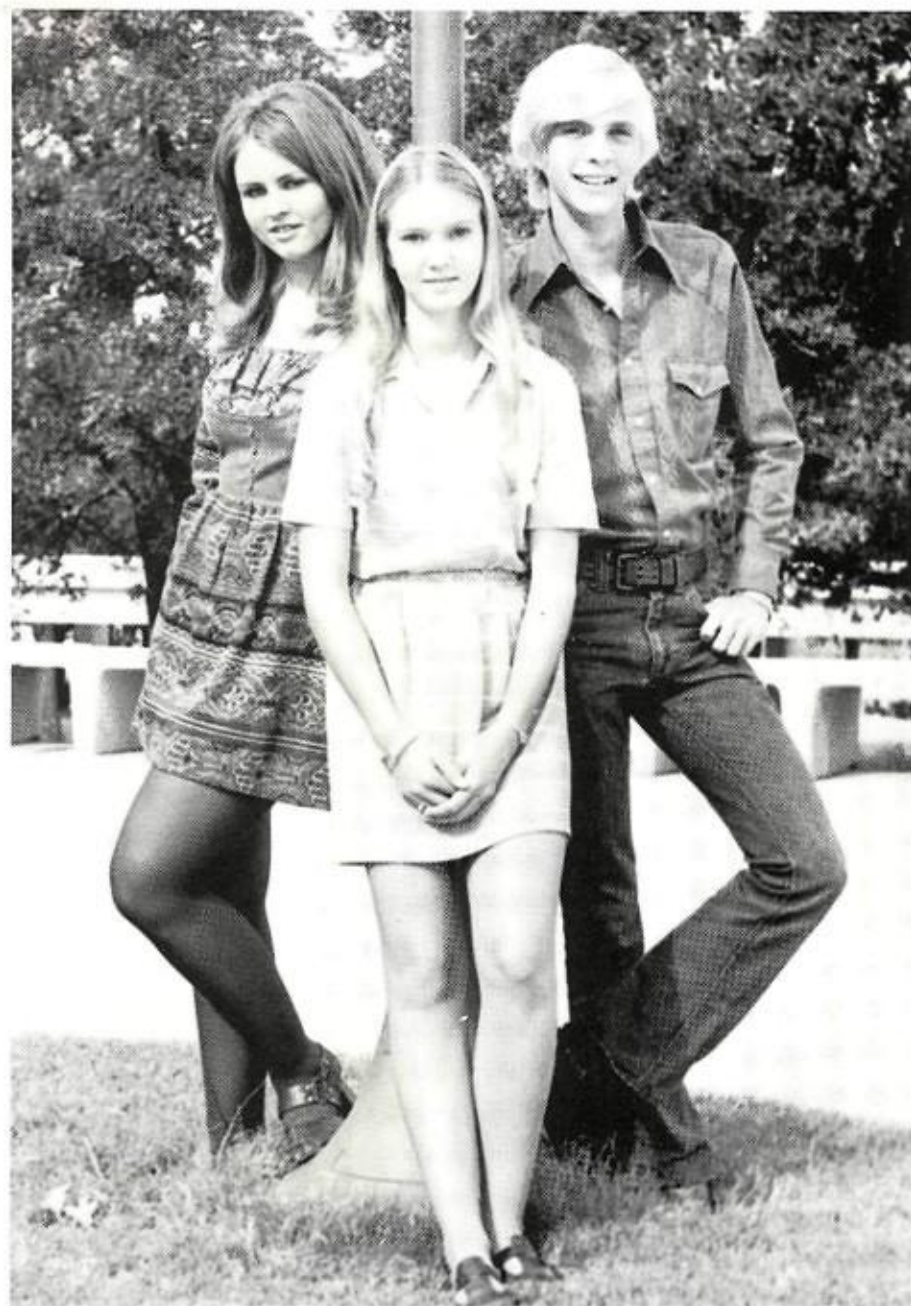

Members: Roy Yarbrough, Mike Ryan, Kenneth Osheim, Randy Maloney, Roger Freeman, Robert Hawk.

NFL Debates About Prose and Poetry

The National Forensic League, sponsored by Miss Jane Thomas, is one of the newest clubs at Trinity. The Club's events include debate, prose and poetry interpretation, and other speaking contests. The club's activities promote qualities of fast thinking, a knowledge of current events, the ability to speak articulately, and the ability to think clearly under pressure. Tournaments attended by the Trinity High N.F.L. are held at neighboring colleges and high schools.

Officers: Debbie Orlowski, Vice-President; Kris Scheizer, Secretary-Treasurer; Mike Ryan, President.

Junior Historians Haunt Area Cemetery

The Junior Historians is an organization for students who enjoy discovering the history of their locality and the surrounding area. Activities this year included various trips to historical sites, organizing display cases in the history depart-

ment, and a money making project of selling "buggets". A trip to the state convention in Austin and a weekend field trip to make gravestone rubbings were also a part of the year's activities.

French Club Sees World Via Films

Trinity High is fortunate enough to have foreign language clubs on campus. This year the French Club, sponsored by Mrs. Joan Truman, began its activities with a Halloween candy sale. From there the French Club obtained guest speakers,

prepared a typical French meal and dined at a French restaurant. These projects were a means of learning and experiencing more about the French way of life.

Officers: Scott Winter, Vice-President; Darrelyn Benson, Secretary-Treasurer; Steve Burch, President.

Members: Back Row: Scott Lynn, Mark Stephan, Charles Cook, Scott Winter, Phillip Risenhoover, Steve Burch, Pam Reeser, Tad Brown, Dee Dee Darrow, Curtis McKinnon, Darrelyn Benson, Linda Nail, Trudie Green, Mrs. Joan Truman. German Club Sells Spook Candy

The German Club attempts to develop a stronger understanding of the Germanic cultures. A Christmas party at a German restaurant and a picnic at Forest Park were two activities that the club performed to accomplish this goal.

German Club members also decorated their hall for Homecoming Week. The alma mater and the fight song were translated into German for the occasion.

Members: Back Row: Randy Terry, Glenn Farris, Mike Hayden, Richard Challener, Ricky Thompson, James Smith, Ricky Webb. Front Row: Gail Edwards, Janice Welborn, Linda Townsend, Linda Razor, Carol Meyers, Mrs. Wanda Montgomery.

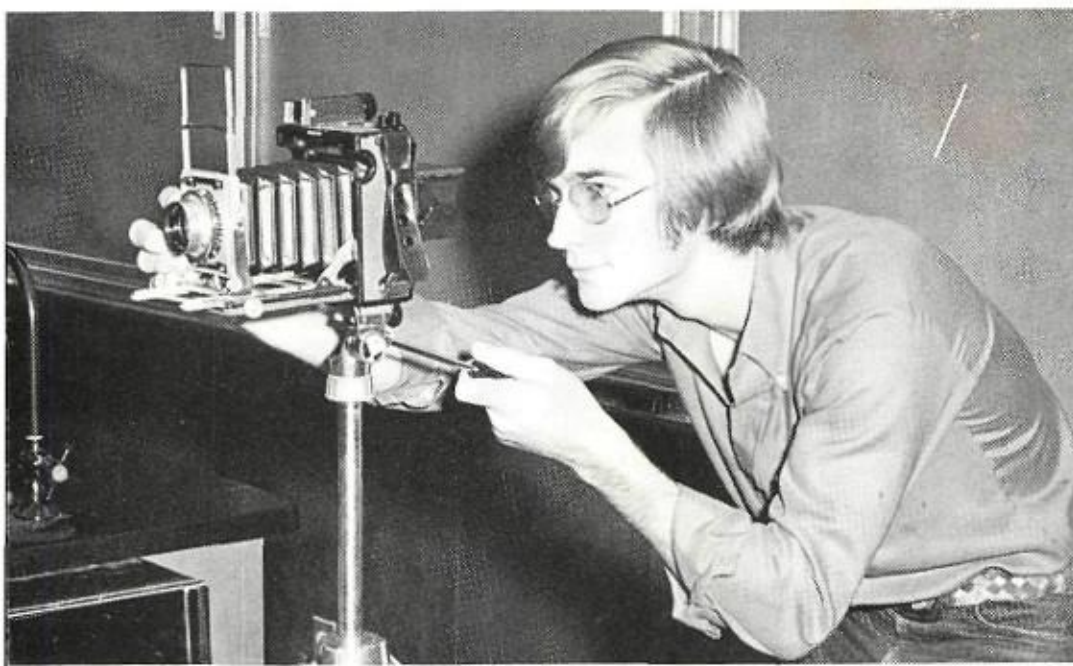

Officers: Mike Hayden, Vice-President; Carol Meyers, President; Linda Townsend, Secretary-Treasurer.

Photo Staff

Captures Contrast

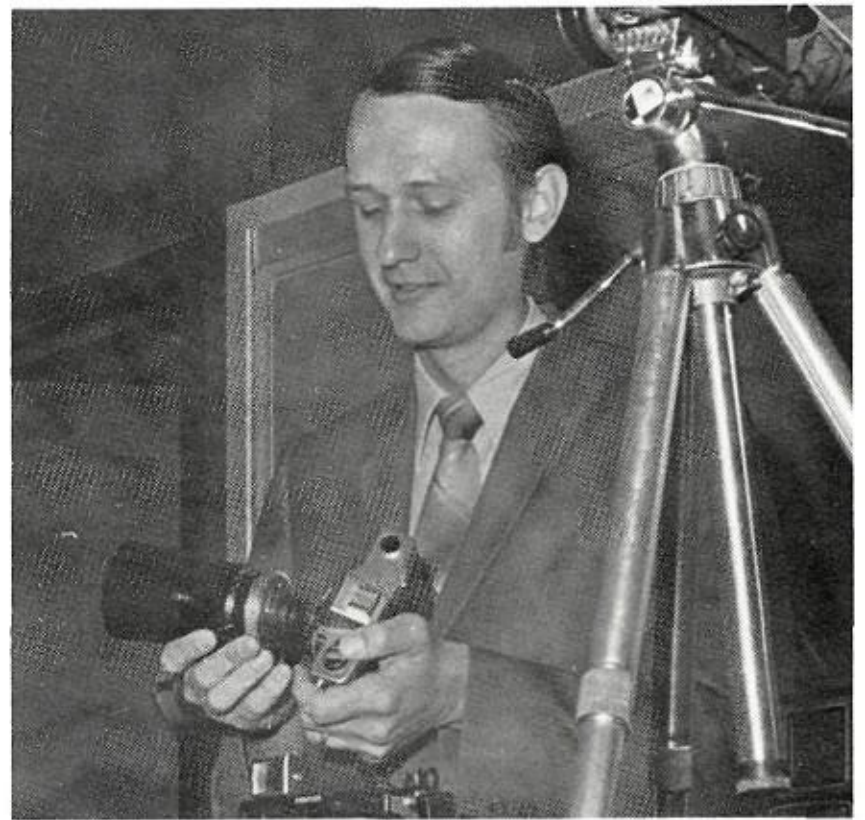

Trinity's photo staff, under the direction of Mr. John Pogue, is a group of students who try to capture the year's memories. All of the students have had at least one year of photography and have an interest in the subject. The photographers cover school activities and supply the Palantir and the annual staff with the pictures they need. The staff photographers this year include Jerry Sorrell, Becky Gorman, Patti Van Sant, Buddy Lockhart, and Billy Byers.

"Romper, bomper, stomper, boo . . . and today I see Karen, and Jerry, and Michael . . ." Buddy Lockhart.

F. H. A. Initiates Little Sisters

On the Trinity campus, the Future Homemakers of America functions as a service organization. The goal of F.H.A. is to promote appreciation of the joy and satisfaction of home-making while developing creative leadership in home life.

At each of the two dinner theaters presented by the Drama department, the members of F.H.A. posed as hostesses, providing excellent waitress service.

Besides actively taking part in on campus activities, there is also a great deal of participation in off campus projects. In February the club took cookies to Love Field for the overseas U.S.O. At Christmas the F.H.A. sponsored a benefit drive for a needy family.

Between service projects and activities the organization relaxes at parties and plans for the Homemaking banquet to be held this spring.

Rodeo Club Rides Again!

The spirit of Texas is kept alive on the T.H.S. campus by the Rodeo Club. Members participated in various rodeos in the area and even sponsored a rodeo that was held at the Kennedale Arena.

National finals were held at Oklahoma City where the club attended as spectators. They also travelled to Houston to watch the annual rodeo held there.

There are eight rodeo events that the club participated in. Four events are open to boys and four are open to the girls. Boys from Trinity frequently participate in bareback and bull riding, while the girls compete in barrel racing.

On Play Day, the bucking barrel has become an annual event sponsored by the Rodeo Club and is one of the most popular contests.

SERVICE

Student Council Obtains Open Lunch For Seniors

Student Council is a representative body of the students at Trinity. Six students from each class, along with an executive council chosen by the four officers, complete the working body of the council.

The Council was organized in the interest of the student body and plans the activities it sponsors accordingly. Early in the fall the council sponsored a battle of the bands, which afforded the students the opportunity to choose the band to play at the Homecoming Dance. The annual Homecoming celebrations are supervised by the council. This includes Homecoming Queen elections, judging decorations, and organizing the dance.

After months of toil and preparation by the Student Council, the open lunch policy was unanimously approved by the School Board. This innovation grants the off campus eating privilege to seniors only, with strict penalties for truant underclassmen.

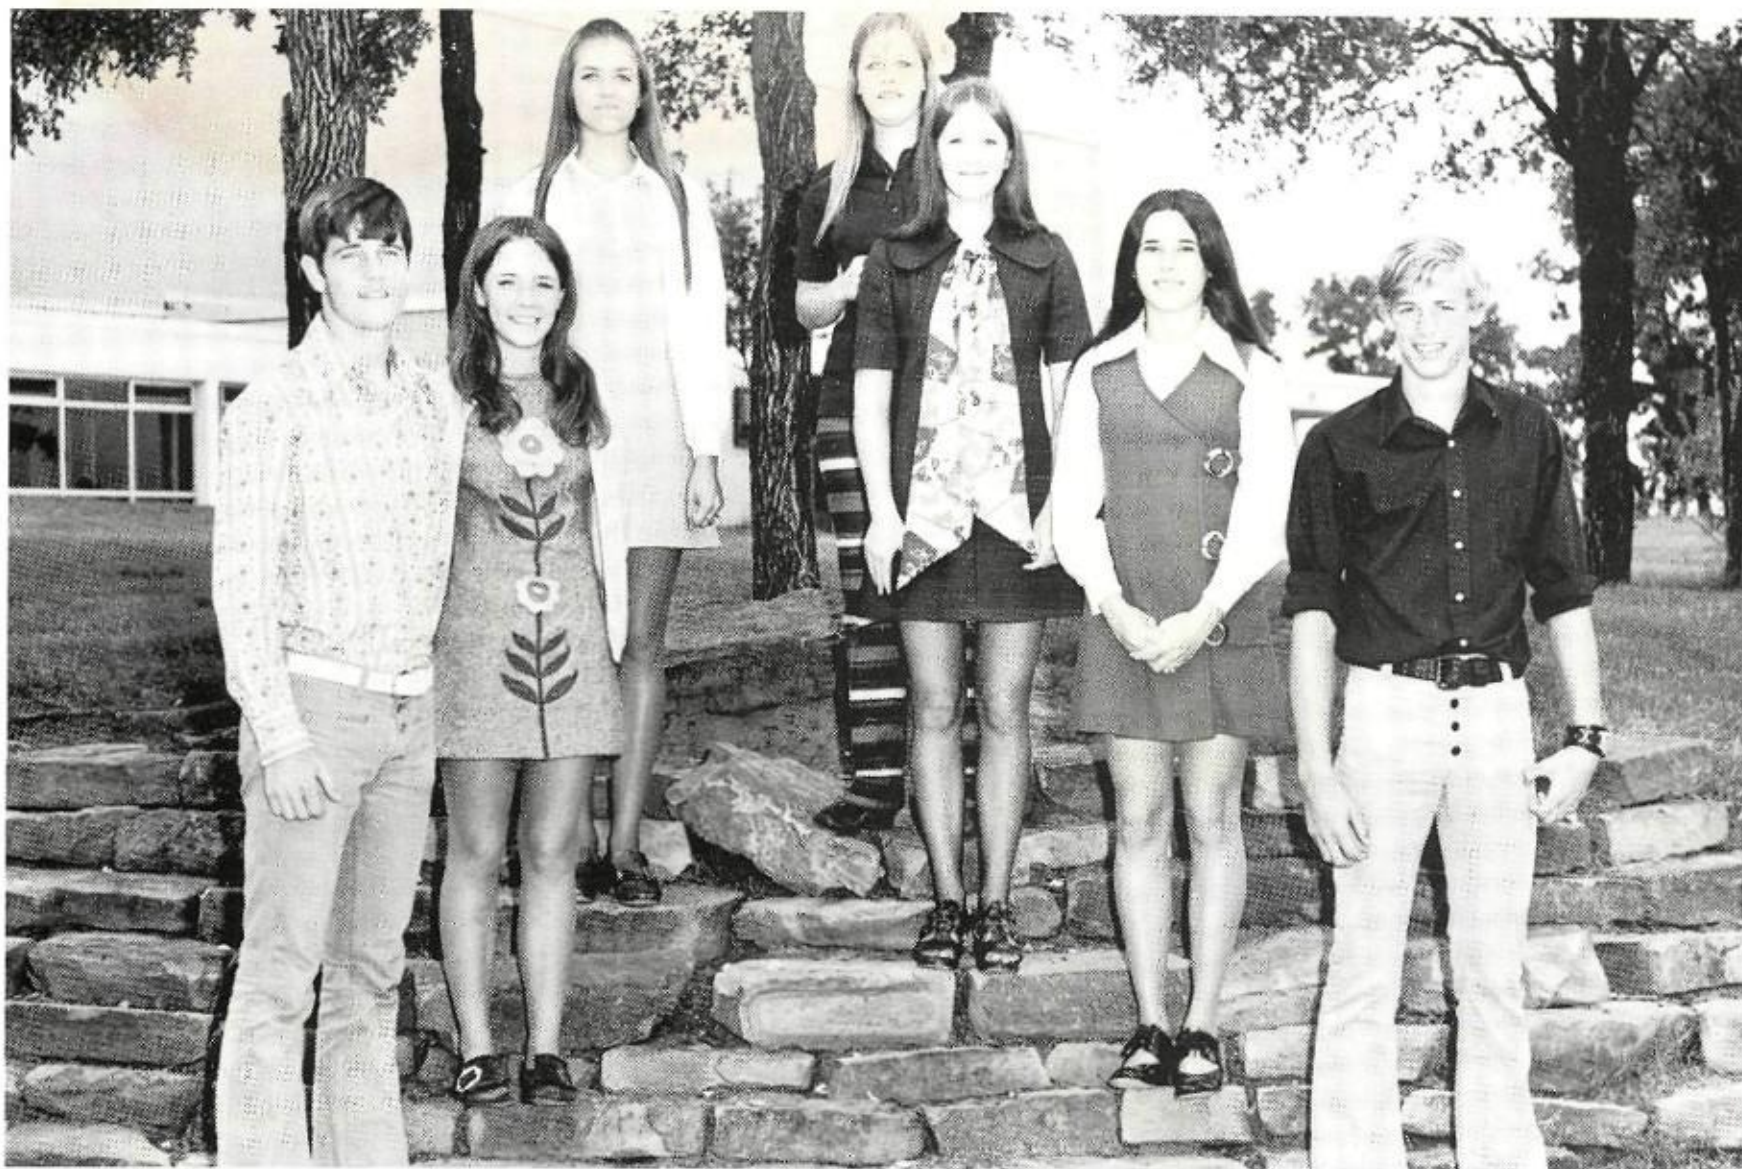

Officers: Dennis Hall, Treasurer; Mrs. E. A. Hill, Sponsor; Debbie Garrison, Mrs. Sally Duschene, Sponsor; Don Middleton, President; Harvey Norman, Vice-President.

Palantir Staff Captures Trinity's Moments

The Palantir is the Trinity bi-weekly newspaper. It informs and allows the students' involvement through "Letters to the Editor" and a creative copy page, both of which are new this year. Also this year the papers are free so that everyone may have one.

The staff is relatively small and is made up of Journalism 3 and 4 students. The staff also learns to conduct interviews, write and edit news stories, lay out a paper and finally sell ads, all of which keeps them active. According to the staff, "Our aim is to put as many pictures and stories as we can in eight pages."

No one realizes the work that goes into the formation of an annual-especially those that sign up for staff duty each spring. This year was no exception. The staff was a fairly new one with only five members remaining from the previous year.

This year's staff, under the guidance of Mrs. Pam Martin, includes: Editor, Debbie Orlowski; Notables and Theme, Bill Edwards, Editor; Pam Reeser, Pam Nichols; Foundation, Barbara Courtney, Editor; Paula Crawford; Involvement, Linda McIver, Editor; Joan Swanson, Joy Merrell; Competition, Dennis Hall, Editor; Mike Ryan; Vitality, Debbie Orlowski, Editor; Lonia DeLong, Lisa Krause; Population, Lisa Krause, Lonia DeLong, Joan Swanson, Debbie Orlowski.

Key Club Unlocks the Door to Service

The Key Club, sponsored by Mr. Paul Wiley, is an active organization of service for the school and the community. Projects this year include collecting Christmas donations for needy families and sponsoring a March-of-Dimes Walk-a-Thon in the spring. The Key Club also participated in a Big Brother project that involved sponsoring a picnic for little boys. Officers this year include: Flip Gammon, President; Scott Lewis, Vice-President; Steve Burch, Secretary; and Gary Gilby, Treasurer.

F. C. A. Applies Christian Ideals

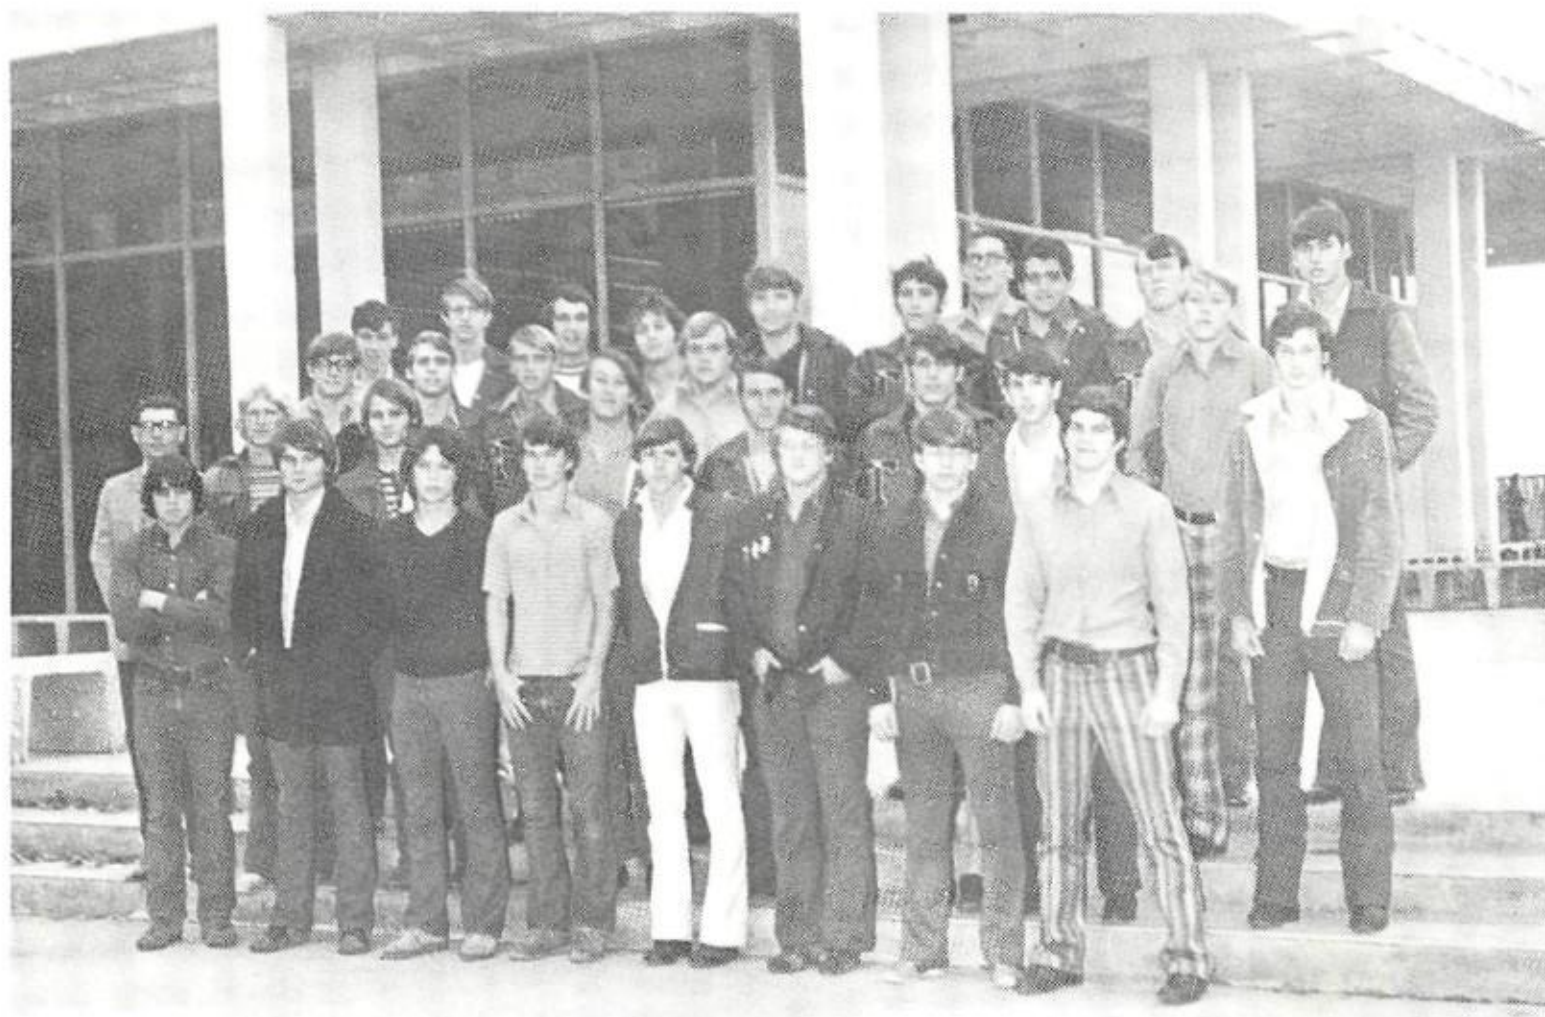

The Fellowship of Christian Athletes, having been disassembled a year, is now back in full swing. The purpose of this organization is for Christian athletes to meet and grow spiritually by having testimonials by members and having a few guest speakers. Bill Chriser, Regional director and Brother Bill Anderson from First Baptist Church of Euless were two of the main speakers. Brother Bill, being a member of Baylor's football team, knew the pressures of athletics on a Christian and lifted the boys spiritually and morally.

Coach Pyfer supervises the boys and teaches them to have a competitive spirit with an honest and determined attitude to win.

Plans for this year included viewing films on the Dallas Cowboys and creating renewed interest within the club.

Ecology Club Helps Euless Jr. High in Recycling Papers

The Ecology Club on the Trinity Campus has arisen from its dormancy to strive for school and local land preservation. Its major project thus far in 1971-72 has been a plan of effective waste disposal and reclamation. A way of doing this would be by designating each can as metal waste, litter, or organic refuse. They would like to put this proposal before the city

council but have been seeking political support.

The club has joined forces with a city civic group, Goals of Euless, to effect changes in the local environment. Already this year they have worked on two paper drives. Mr. Banner leads this group of Idealists, and we can but hope for the success of their endeavors.

Drill Team Marches in Tyler Rose Parade

Throughout the football and basketball season spectators were amazed at the exacting precision of the Drill Team routines. Sacrificing that extra hour of sleep each morning seemed worthwhile as the girls received the well deserved praise from their audiences.

Practice for the girls started long before the beginning of school. The girls met during the summer to learn and practice

new routines. One week was spent in Colorado at Drill Team camp, where Julie Graham was selected best dancer and Captain Sheryl Lemmons was named best officer.

During the school year the girls marched in various pageants, including the Tyler Rose Parade and Soap Box Derby Parade.

Noise Boys Struggle to Overcome Apathy

The Noise Boys, sponsored by Mr. Paul Wiley, are one of the spirit factors at Trinity. Aiding in making run through signs for football games, the Noise Boys also help decorate the

Troy-Anns Lead Trinity in Spirit

Striving to promote school spirit, the Troy-Anns faithfully attend home football and basketball games. They perform hand and pom pom routines at games and decorate the gym and halls with posters and banners before the pep rallies. A candy sale was one money making project undertaken this year. Money from this sale paid for materials needed to make spirit signs and to pay for the Troy-Ann picnic at the end of the year. Troupe 1776 Presents Dinner Theatres for Local Populace

It is an honor and an achievement to enter into the National Thespian Society. Standards for admission are set by the national organization and require students to earn points through dramatic activities.

1776 is the troupe number designated to Trinity's Thespian chapter and is used as a trade mark in the dinner theatre productions. This year two dinner theatres were presented: Neil Simon's *ODD COUPLE*, and *DON'T DRINK THE WATER* by Woody Allen.

This year various members participated in speech tournaments, travelling to Denton and Brownwood. Weeks of practice and preparation went into the final cutting of the play *DARK OF THE MOON*, which was presented in U.I.L. competition in the spring.

Thespian activities extend beyond dramatics and include the Christmas party, a trip to Austin and a weekend at Lake Murray for initiates.

Trojans- Dark-Horse of 7-AAAA

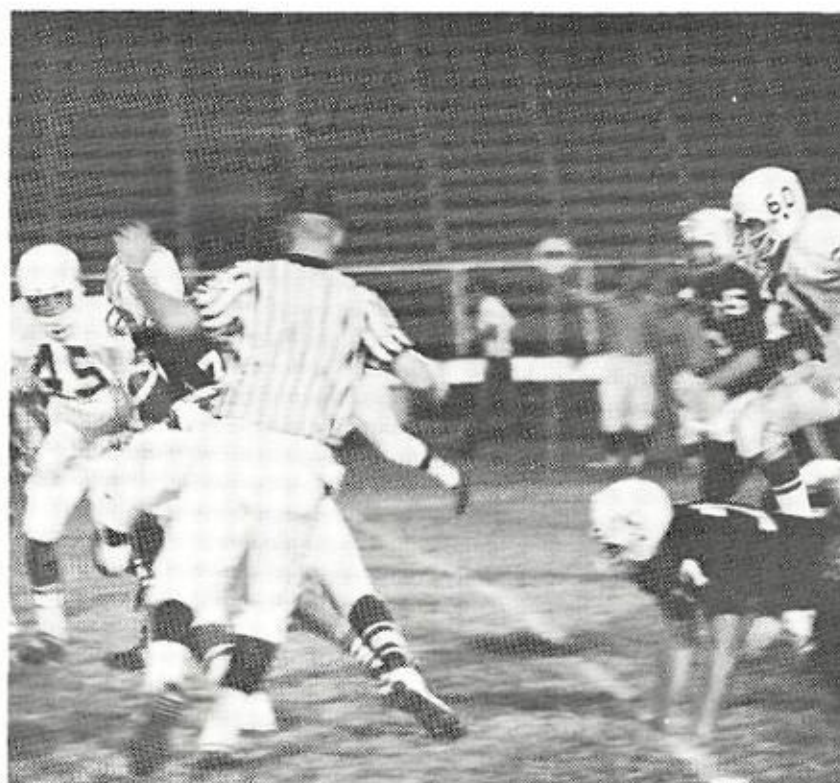

The 1971-72 Football Season can only be described as surprising. Losing last year's seniors the Trojans were predicted to win only one of this season's games.

After an impressive season opener with Abilene, Trinity became known as one of the dark horses of District 7-AAAA and left a few startled teams in its wake.

Impressive figures for this year's Trinity Trojans in the offense were in the backfield; halfback Steve Risinger's end sweeps were fatal to many defenses as were fullback Mike McKnight's slants and up-the-middle jaunts, with halfback David Crow, who was hurt but was impressively replaced by Mike Anderson, looking impressive all around. Quarterback Byron Threatt connecting with split ends Jeff Pickens and Harvey Norman made air traffic dangerous. Then the unsung heroes Childers, Neel, Brister, Gentry, and Bundren of the line should be given outstanding credit.

The defense was led by all-district linebacker Garth TenNapel and captain Ronnie Wren. Making up the tough front line were Winters, Brown, and Steele. Lee and Leigh aided TenNapel in the linebacker spots. Secondary was Sowell, Norman, Pridgeon, and Porter.

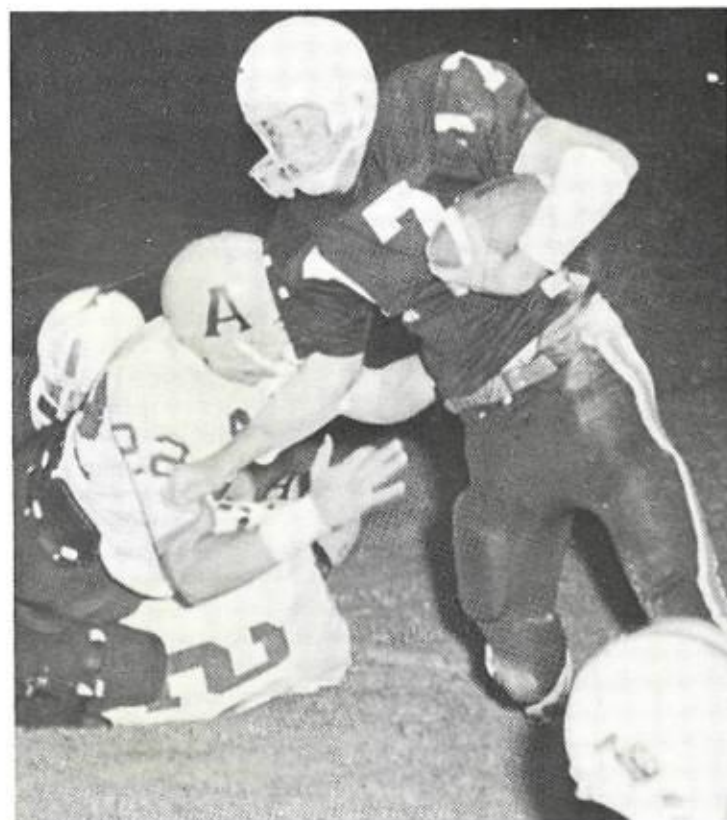

All combined to make the Trinity Trojans a single unit that ended its season with a 4-6 record.

The Trojans hosted the Abilene Eagles at Pennington for the annual "Trinity vs. Abilene" non-conference game. For their first game, the Trojans showed their eagerness and strength that would surprise and upset a few teams this season when they met the Eagles on the gridiron. It all boiled down to a decision by Trinity, on the extra point attempt, to go for 2 points for a win rather than settle on a tie. An incomplete pass gave the Trojans the defeat, but there was definitely no feeling of shame when they left the field.

It was a defensive battle all the way, and at halftime it was still scoreless. This fact can be especially accredited to TenNaple and Sowell who, on a field goal attempt by Abilene on the Trinity 20 and four seconds left till half, blocked the kick.

The third quarter was also scoreless, and in the fourth quarter the Eagles let fly with a pass that sailed true, and the Eagle receiver went 26 yards for the touchdown. Their PAT was good, Abilene-7, Trinity-0.

Then the Eagles found the Trojans knocking on their door; literally the one yard line, where McKnight carried it over for the TD. The pass attempt, on the 2 point conversion play, was incomplete so the Eagles left the field for a hard-earned 7-6 win.

Irving Nimitz hosted the Trojans for the first District 7-A AAAA game of the season.

The Trojans were hot but found the breaks breaking their backs. It started with a Trojan fumble on the kickoff at their own 36. Six plays later the Vikings went on the scoreboard to prove they weren't the pushovers of the past years. The Vikings missed the PAT but kept the lead through the first quarter. Nimitz-6, Trinity-0.

Nimitz added 6 more points to their halftime total and found it to be their last for the night.

In the first half McKnight, for the Trojans, carried the ball across the pay turf only to find it brought back on a clipping penalty.

In the third quarter Threatt and Risinger combined a strong running and passing attack for 77 yards when Threatt ended it with the Trinity cash in, and Childers added the extra point, the Trojans' final official point.

With 4 minutes left the Trojans again stormed the Vikings' end zone at which McKnight's second TD was called back and the final: Nimitz-12, Trinity-7.

The Trojans, ready to turn the tables, unleashed all their fury on the Sam Houston Texans in front of a home crowd and the Trinity fans weren't disappointed.

David Crow started the extravaganza with an 8 yard jaunt into pay dirt with 10:59 in the second quarter. The extra point attempt failed.

But the Texans slipped in a 14 yard toss into the end zone and the extra point for the 7-6 half time lead.

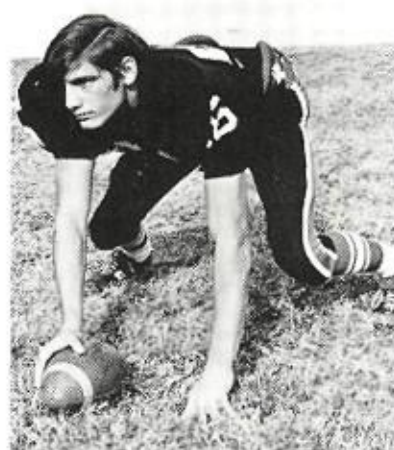

In the second half Trinity unveiled an awesome and powerful scoring machine fed by an excellent Trojan defense.

Crow started the machine for his second TD of the night. Childers added the PAT for the 13-7 lead.

McKnight followed suit with a 71 yard jaunt and again Childers made the extra point true for the 20-7 score.

Risinger didn't want to be left out of the scoring column, so he took the ball at the Trojan 46 and overpowered everyone in his way for his 6 points worth and Childers made his job look almost monotonous.

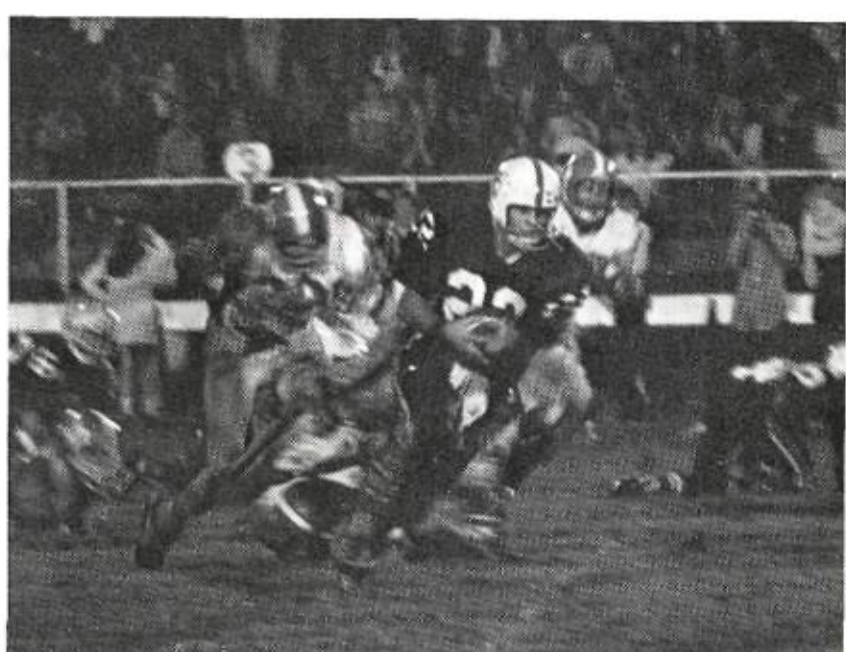

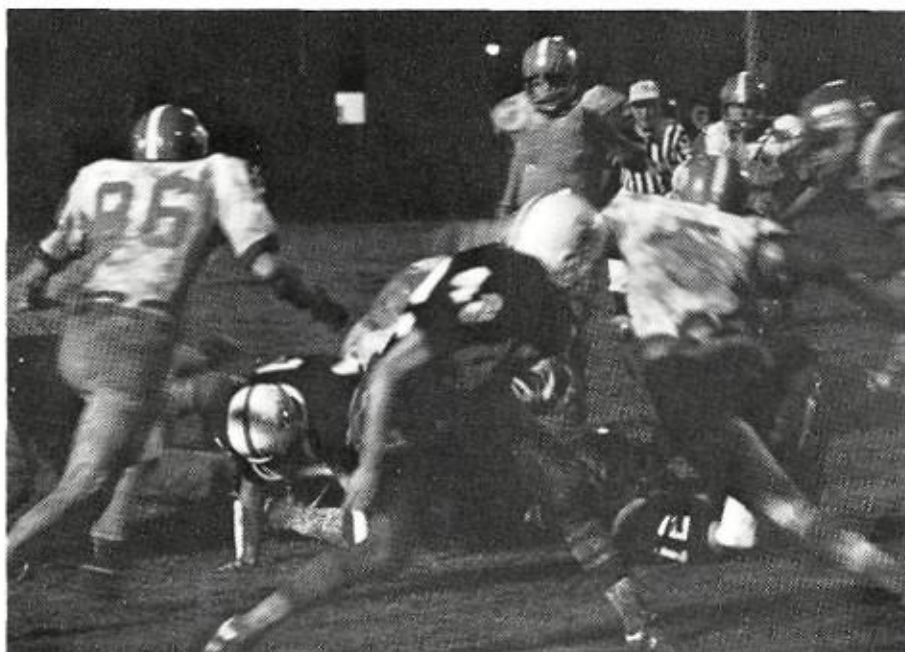

The Texans managed a safety, and the game ended with a 27-9 victory for the underdog Trojans.

Trojans Crushed by Colts 33-7

Trinity hosted the Arlington Colts for their third district game of the season.

The Trojans ripped off a surprise lead when Bob Steele, of Trinity, recovered a Colt fumble on their own 38 yard line. The Trojans then made it count seconds later when Trinity quarterback, Threatt, tossed a long throw into the dumbfounded Arlington secondary where Pickens was on the receiving end and took it in for the Trojans' only TD of the night. Childers tacked on the PAT. Trinity-7, Arlington-0.

From that time on it was a tragic scene for the Trinity spectators. The Trojans matched the Colts in yardage but made mistakes that become disastrous when playing the No. 1 district team.

The Colts took the kickoff 70 yards in 13 plays for the big six. The extra points were prevented, so the Trojans had the first quarter lead. Trinity on a 4th and 4 from their own 43 had the punt blocked and the Colt defender ran it in for the cash-in. The PAT attempt was stopped. Arlington-12, Trinity-7. Then four plays later the Trojans had another punt blocked. Seven plays later the Colts took it in for the 3rd Colt TD and made the 2 point conversion. Halftime: Arlington-20, Trinity-7.

Six more points in the third quarter and seven in the fourth, both because of Trojan fumbles, gave Arlington their 33-7 massacre.

Trojans Fall Short to the Gophers 34-29

The Trojans found themselves in another one of those "so-close-yet-not-enough" situations when they visited Grand Prairie in the Gopher Bowl.

Three plays after receiving the kickoff the Trojans fumbled on their own 28. The Gophers recovered and 5 plays later they scored and kicked the extra point. Gophers-7, Trojans-0.

After receiving the kick on their own 27 the Trojans retaliated when 3 plays later McKnight jaunted 64 yards for a TD. Childers booted the PAT for the 7-7 score.

Gentry boomed a beautiful kick which aided to the safety that added 2 points to the Trojan score.

The Trojans took the free kick to the 50 and the next play Risinger accompanied by beautiful blocking stepped across the red flags. Trinity-16, Grand Prairie-7.

One second in the first quarter Grand Prairie lofted a pass that carried into the end zone. Grand Prairie-14, Trinity-16.

Two more TDs in the second quarter gave Grand Prairie the 28-16 lead. In the third quarter Crow took the ball for a Trojan cashin. In the fourth quarter Grand Prairie stretched its lead with a 58 yard run and that ended it for the night. However a pass from Threatt to Norman managed to narrow the margin for the final score Grand Prairie-34, Trinity-29.

Trinity found its second victory of the season when it met the Nolan Vikings at Pennington Field. With its scrappy defense and bruising offense it left a deep scar on the visitors.

The Trojans started with a first quarter lead of 14-0 when Threath let fly with a beautiful pass to Pickens who carried it 61 yards for the goal line. Later following a 76 yard drive McKnight crossed from the one into pay dirt, and Childers made both of the extra point attempts good.

Beautiful defense stopped the Nolan drive and Anderson let his feet fly when he went 44 yards for the TD leaving three tacklers in his wake. Trinity-21, Nolan-0.

The Vikings then scored their only touchdown of the night when the Trojans fumbled on their own 25. Five plays later they were on the scoreboard. Trinity-21, Nolan-6 was the half-time score.

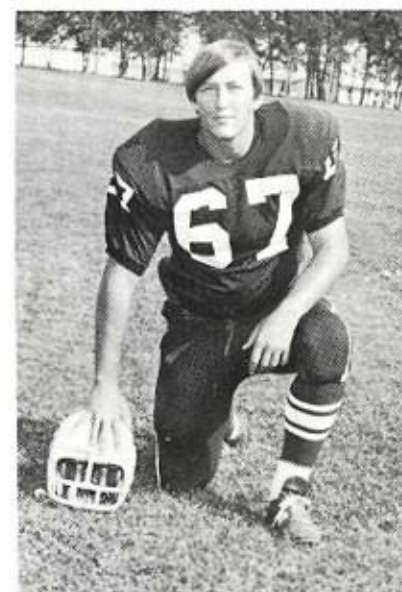

It seemed the Vikings' morale was crushed for the Trojans ran away with the game. The 28-6 third quarter lead was the result of a 80 yard drive and the final push, again by McKnight. A lot of the yardage was contributed by penalties.

From the reserves in the fourth quarter were added 13 points. A run by Steele and a "one second left in the game" score by Pridgeon made the final score 41-6.

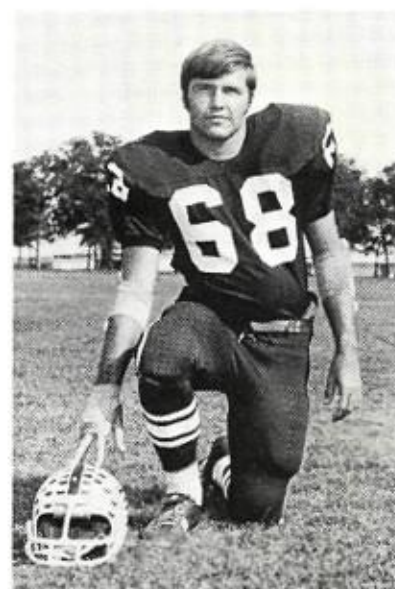

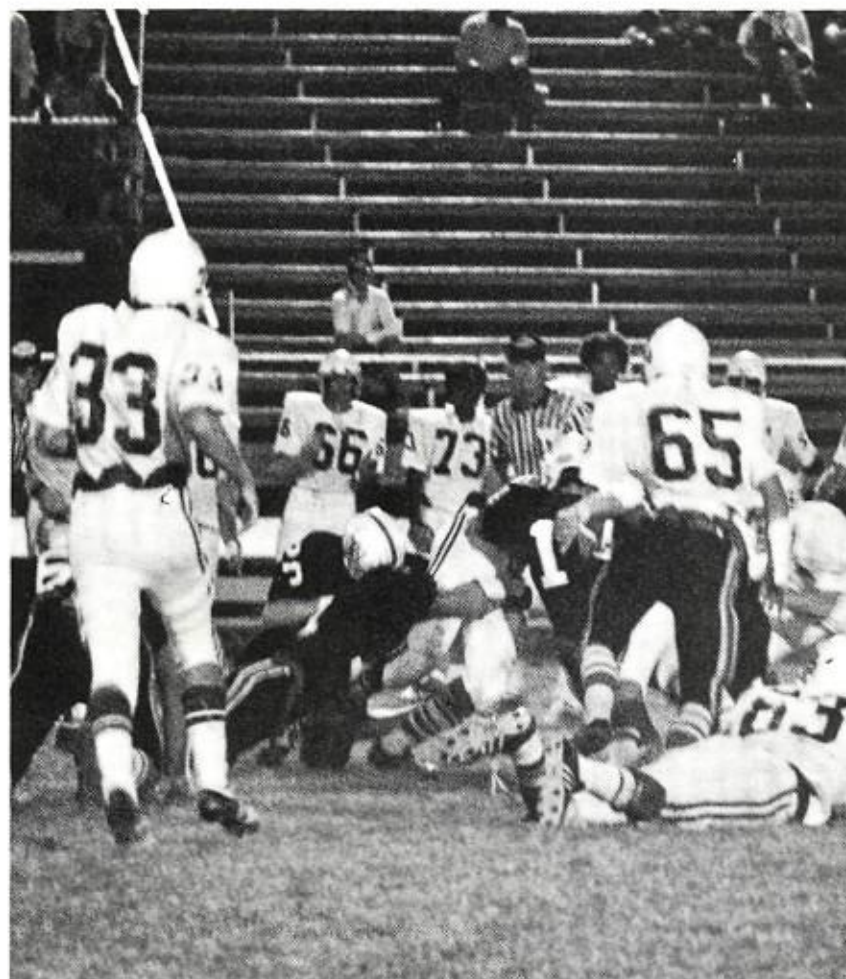

Much credit for this victory was due to great defensive playing led by TenNaple, Wren, Brown, and Leigh.

Irving's MacArthur Cardinals hosted the Trojans in an intense game that raised Trinity another notch when the Trojans took an unexpected win.

The Cards drew first blood on a 62 yard drive that put 7 points on the scoreboard for them. The Trojans received the ball on their own 27, and 7 plays later McKnight took it across. Anderson aided to the 73 yard drive with a 38 yard run to the one. Trinity-7, MacArthur-7.

The Trojans struck again in the second quarter with a 95 yard drive in 19 plays. McKnight made the one yard dance into the end zone good for 6 points. Childers tacked on the PAT, and the Trojans took the 14-7 half-time lead and final game score.

The rest of the game was a tense drama as the Trojans made two goal line stands both stopped by Sowell, the second an interception in the end zone. The Trojans left behind a 14-7 lead over the Cardinals.

It was an excited crowd of Trojan spectators that filed into the stands at Pennington Field for Trinity's second Homecoming in the history of the school. The final touch was added to the week of building expectations, highlighted by the annual bonfire and spirited pep rally, when the Trinity Trojans defeated Arlington Lamar's Vikings 19-0; Trinity's first homecoming victory.

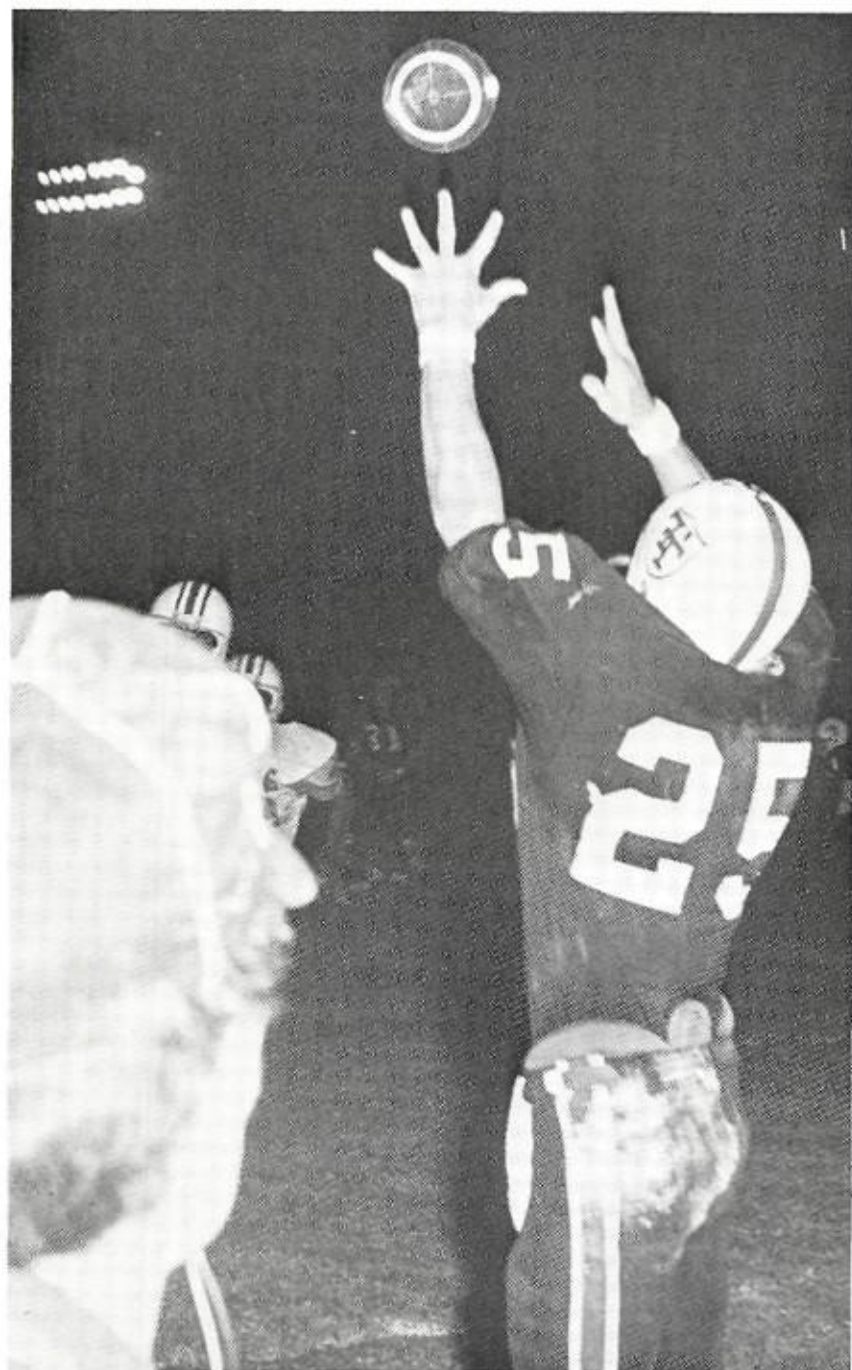

Anderson returned the opening kick to the 39 yard line of Lamar. Seven plays later McKnight carried over from the 3, and Trinity was on the scoreboard. The 2 point conversion play was unsuccessful so the Trojans ruled the first quarter with a 6-0 lead.

Two more touchdowns were added in the second quarter when again McKnight took the ball across the 6 point stripe. The PAT failed but Childers made up for it when McKnight scored his third for the night. The Trojans commanded a 19-0 lead at halftime.

There was no more scoring in the second half as the Vikings came back fighting, but the Trojan defense constrained them for the final score; Trinity-19, Lamar-0.

The Irving Tigers hosted the Trinity Trojans on a cold Saturday night in early November for what seemed to be a slow, almost uneventful game.

The cold weather seemed to have an effect on the game because the fumbles were plentiful. The entire first half had no strong points except for a strong goal-line stand by the Trojans on their own 3-yard line. Half time score; 0-0.

The second half was the same as the first while each side gradually became stronger. A desperate effort in the waning moments of the game proved successful for the Irving Tigers. On their own 46 the Tigers tried a long shot to the left which carried them 54 yards into the end zone. The surprised Trojans tried desperately to fight back but the clock ran out. Final score Irving 7, Trinity 0.

A precise unexpected pass play gave the L. D. Bell Raiders the edge over the 10 point underdog Trinity Trojans in the final game of the season and the second against the rivals in the short history of Trinity High. It was a spectators' game and very intense Trinity opened up with a 68 yard drive, in 9 plays, with McKnight scoring three yards out. The PAT attempt failed. At the end of the first quarter Trinity 6-0.

Bell's offense was completely bogged down by the Trinity defense until part of the way through the second quarter when Bell finally formed a 56 yard drive for the TD that was the result of a fumble. The PAT gave Bell the 7-6 lead.

Trinity received the kick on their own 22 yard line and one play later again they fumbled. A pass and a run later they upped their lead for halftime, 13-6.

In the third quarter Trinity fought back with a fumble recovery on the 7 yard line by Bundren. Three plays later Threatt performed a beautiful option with a pitchout to McKnight who crossed the flags. The extra point boot was blocked and with desperation the Trojans couldn't stop the ball in the end zone so they had to settle for a 2 point safety and obtained the 14-13 lead into the fourth quarter.

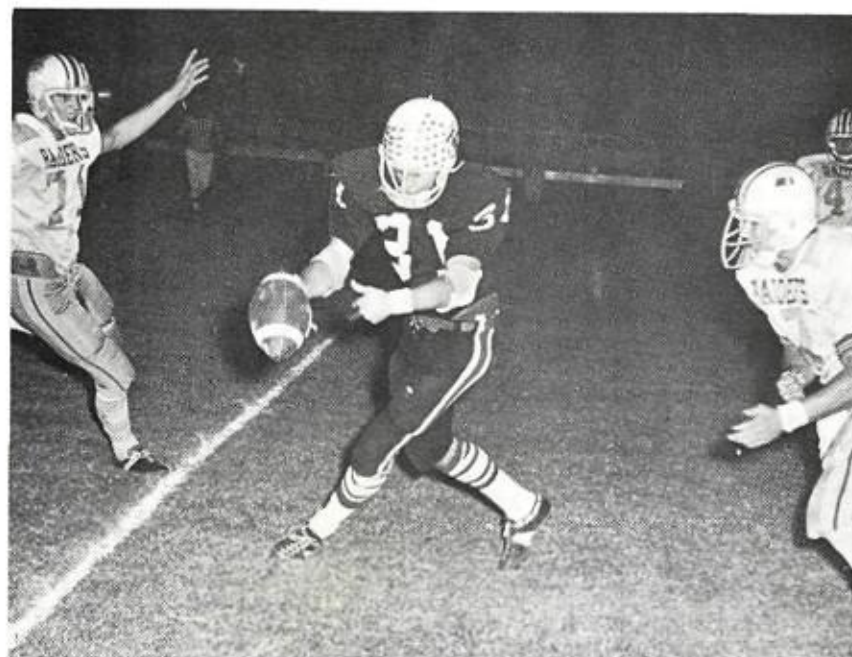

Trinity couldn't move the ball in the last period and Bell, on a roll-out, scored with a pass as the Trinity defenders converged unsuccessfully on the Raider quarterback. The Raiders left the field with a 19-14 win, and the Trojans stepped off disappointed but not ashamed.

Junior Varsity Prepares For Next Year's 6AAAA District

The 1971-72 Trinity Trojan J.V. football team had a disappointing season as far as the win-loss effort goes.

The true value gained from Junior Varsity is the strive for accomplishment, team effort and many other things that have to be learned before one is ready for a Varsity Sport.

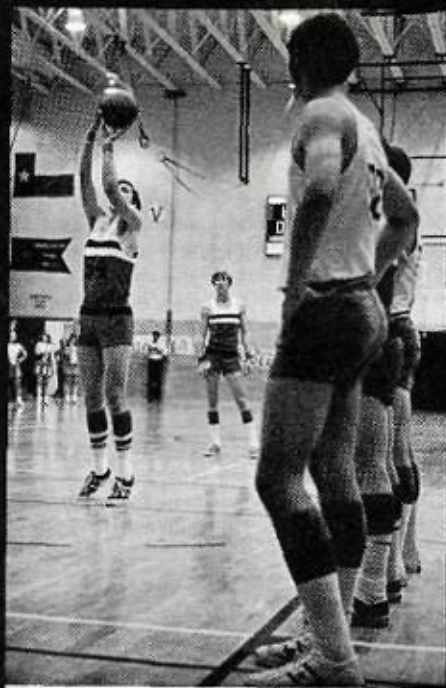

Trinity High School will be moved into District 6AAAA next year and will be the ones to meet the top teams in the state that are in this district. Head J.V. Coach Leon Teddlie stated that Trinity wants to be the best and that it can't be champions playing weaker teams. The other J.V. coaches are Coach Alan Harville and Coach Wess Pyfer.

T. H. S. Basketball Team Works For Promising Season Next Year

The 1971-1972 Trinity Trojan Basketball Team is a young, fairly inexperienced team under the direction of Coach Charles Pankratz. Coach Pankratz's second year team contains one senior, Roger Bagget, and ten talented underclassmen.

This season has not been successful with a 3 win 13 loss record, but Coach Pankratz has a great future in the team next year. The outstanding player this season was Junior Ray Green who was one of the top 5 scorers in the district. Another outstanding junior was Chris Sullivan who came up from the Junior Varsity ranks to successfully take the starting position of junior starter Gary Pace who left midway through the season. Also Mike Anderson and Tommy Porter were as important in the starting line-up. Sophomores David Hibler and Terry Massey are promising players who were strong competitors on the court.

T. H. S. Bounces Two Wins Past Lamar

57-52, 66-64

Tuesday, December 14, Lamar hosted the Trinity Trojans in the first district game of the season.

The Lamar Vikings took an early lead. At the buzzer signaling the end of the first quarter of play they accumulated a 15-11 lead. The Trojans gained 16 points and trailed by one at half-time, 27-28.

In the third quarter Lamar edged the margin into a 4 point lead. In the fourth Trinity came alive and put twenty more points on the board to Lamar's eleven in a great comeback. The Trojans left the floor with a 57-52 victory and fresh hopes after a disappointing pre-season.

High scorers were Pace, with 20 points, and Green, with 17. The Trojans were hitting a good 50% from the free throw line.

On the second match with Lamar, the Vikings visited the Trinity gym with vengeance on their minds.

Trinity took a 12-10 first quarter lead and then tied it at half-time 30 all. Then the Trojans' 49-47 third quarter lead proved to be the difference of the game. Both teams put 17 points on the board and the final was 66-64.

Sullivan, a newcomer on the first string line-up, was high scorer of the game when he sparked the Trojans and put 17 points on his column. Hibler, with 16, and Anderson, with 15, were right behind him. They made 24 out of 38 free tosses for an amazing 63%.

Gophers Romp Trojans

53-34, 74-60

Trinity hosted the Grand Prairie Gophers for the second game in the first half of district 7, 4-A.

Grand Prairie dominated the entire game starting with a 18-8 first quarter lead. At half the Gophers had added another point to the earlier lead. Trinity 18, Grand Prairie 29. The third quarter lead was 41-29 with the final at 53-34.

Bobby Bagget and Ray Green were high scorers with 10 points apiece. Free throw average was a poor 22%.

MIKE ANDERSON

In the return bout at the Grand Prairie gym Trinity was handed its first defeat of the second half of district.

Trinity trailed Grand Prairie by only one point in the first quarter, but the Gophers pulled away with a 42-22 half-time lead. The Trojans came within 12 points in the third quarter, but left the floor with a 74-60 defeat.

However, Hibler had an outstanding night with 9 field goals and 2-4 on the free throw line for a total of 20 points. Green had a nice 16 points. Free throw average was about 55%.

T. H. S. - L. D. Bell

Split 42-41, 77-66

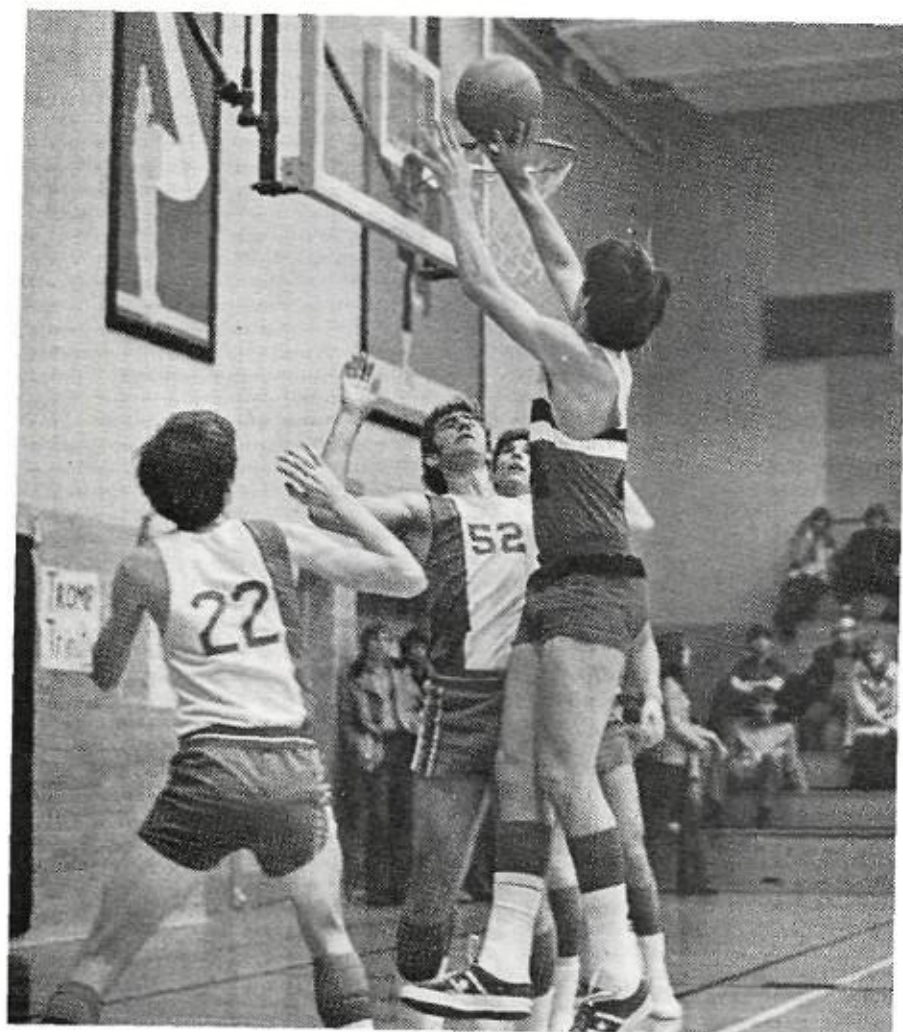

Trinity hosted Bell on the first Tuesday of January as the arch-rivals met for battle.

It was a close yet slow and tense game all the way through. The Trojans led by one point in the first quarter and were tied 20-20 at the half. Again it was tied at the end of the third quarter with 34 points for each team. Then in the final 6 seconds of the fourth quarter the Trojans were trailing by one point. The pass to Green was batted away and there was a scramble for the ball. Gary Pace, of Trinity, emerged with the ball and somewhat calmly shot a 17 footer that rang true as the buzzer went off. The Trojans won, 42-41.

Aside from Pace's heroic shot, Green was outstanding player with the total of 18 points. Free throw average-57%.

Hibler shoots a 4 foot jump shot over two Bell defenders.

Green makes easy lay-up over Bell players.

The Trojans returned to meet the Raiders a month later to gain another victory from the rival school only to be disappointed at the 77-66 defeat.

In spite of Green's outstanding 22 points followed by Sullivan's 18, the Raiders dominated the game through all four quarters. The average of the free throws was a fantastic 66%.

This defeat tied Trinity, with a 1-2 record, to L. D. Bell and Irving Nimitz, in district play.

Cards Take Both 65-56, 59-58

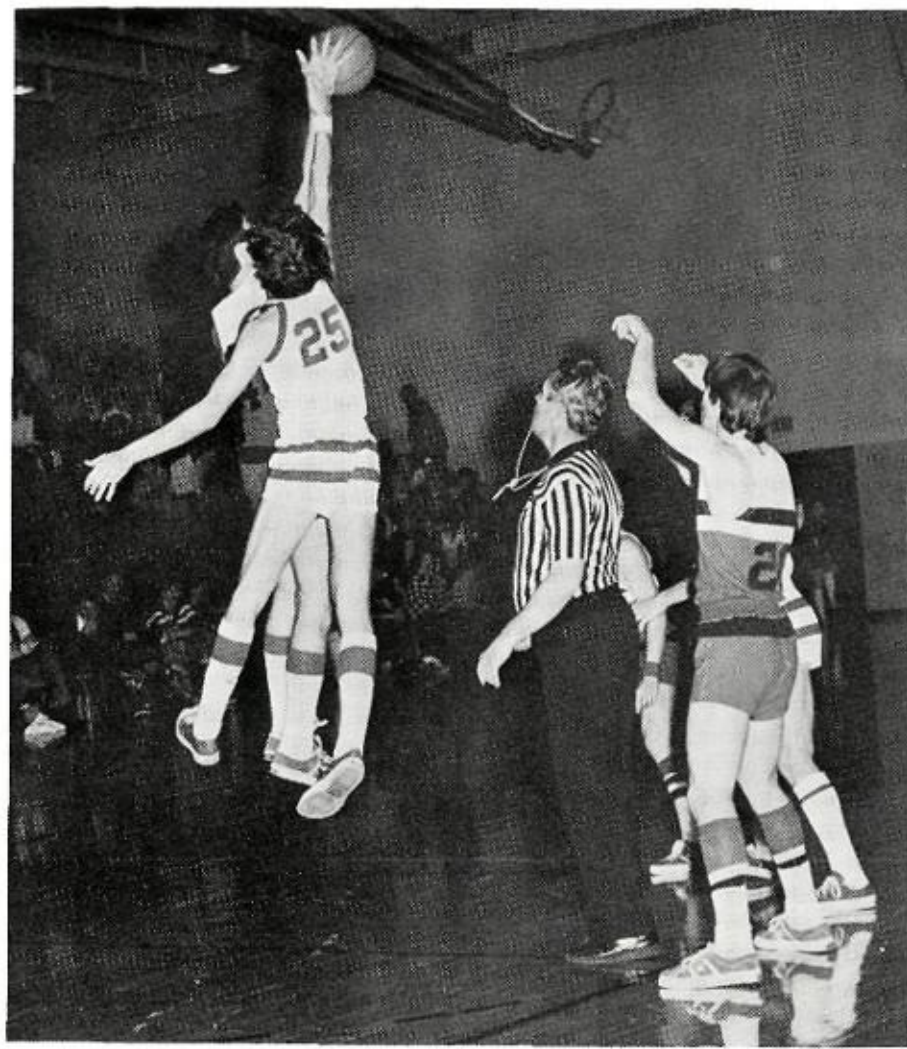

(MacArthur)

On a Friday night the first week of January, the MacArthur Cardinals hosted the Trinity Trojans in the first clash of these two teams of the '71-'72 season.

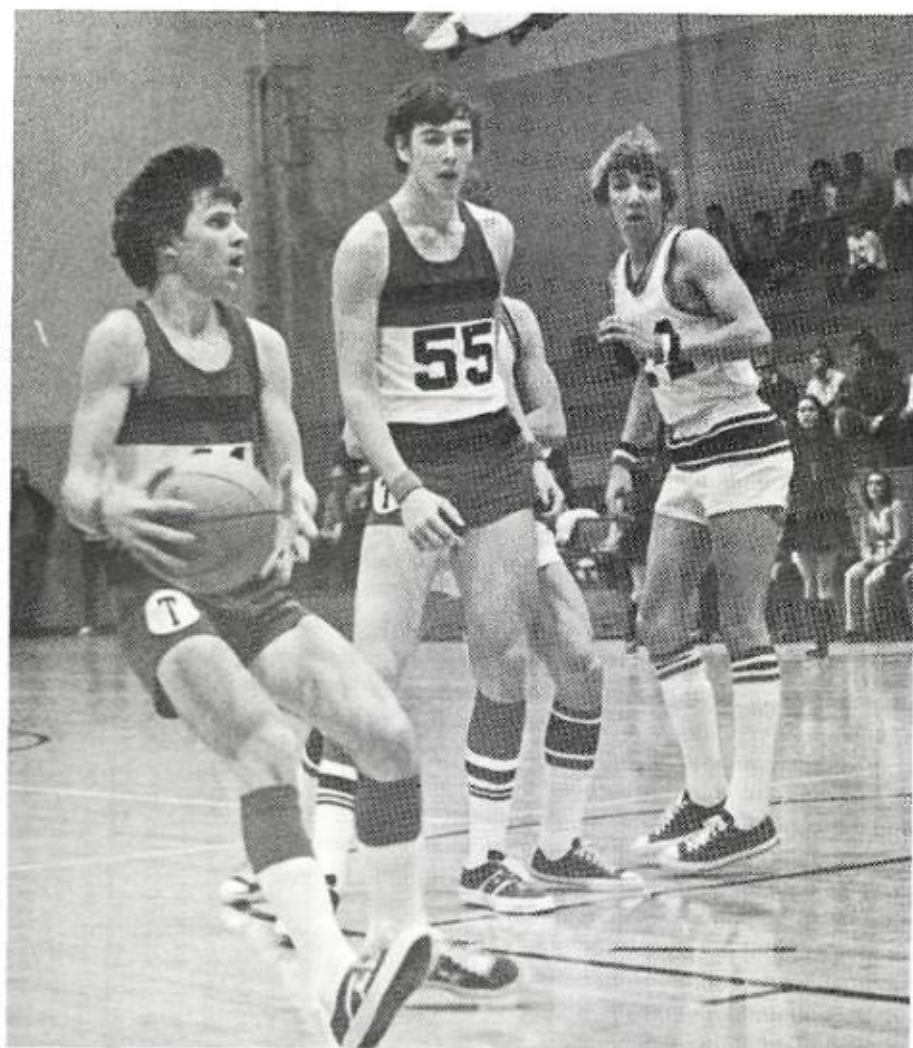

MacArthur pulled a slim 15-14 lead as the first quarter opened up. The second quarter was as tight as the first, but the Trojans switched the one point lead to their score column. Trinity 25; MacArthur 24.

When the teams returned to the court after halftime, they fought a battle that kept the spectators wondering. When the smoke cleared, each team had 35 points apiece. The Cardinals broke the game open in the final quarter and took the game with a 9 point lead, 65-56.

Outstanding players of the night were Ray Green with 21 points and Rodger Bagget with 14 points. The Trojans were hitting a 56% from the free throw lash.

In the second round the Trojans had a score to settle with the MacArthur Cardinals, and they showed that they meant business when they took the 16-15 first quarter lead.

Then the Cards came back in the 2nd quarter with a 4 point lead that they extended to 9 in the third; 47-38. The Trojans came back with 20 points to the Cards 12 in the final quarter only to fall 1 short of the 59-58 loss.

Sullivan was the outstanding scorer of the night with 24 points. Free throw average was an amazing 67%.

Sam Houston Pounces T.H.S. 86-72, 81-56

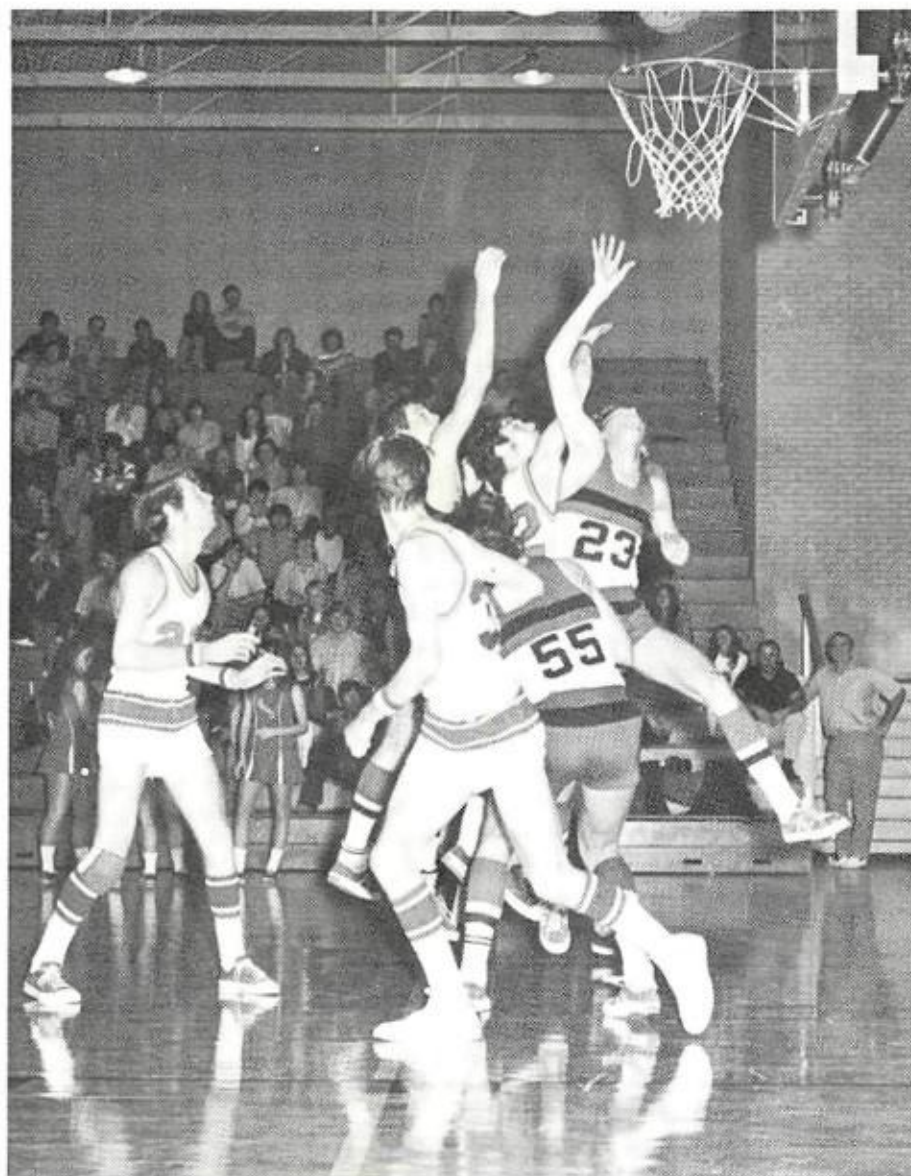

Tuesday, January 11, the Trojans hosted the Sam Houston Texans for their first battle. The Texans accepted the hospitality and gave the Trojans a sound 86-72 licking.

Sam Houston completely dominated the entire game starting with a 14 point lead in the first quarter and a 45-34 lead at half.

The third quarter was no better, and the final outcome was Sam Houston-86, Trinity-72. Green was highest on the scoring list with 27 points. Bagget and Pace followed close behind with 18 and 15 points respectively. Free throw average was 44%.

The second meeting at the Texans' gym was even more disastrous. The Texans almost doubled the Trojan's score through the first three quarters and finished with a 81-56 victory.

Ray Green with 14 points and Chris Sullivan with 13 were outstanding players for the Trojans. A fantastic 73% was hit from the free throw mark in spite of the romping taken from Sam Houston.

Trojans and Vikings Split, 73-72, 71-70

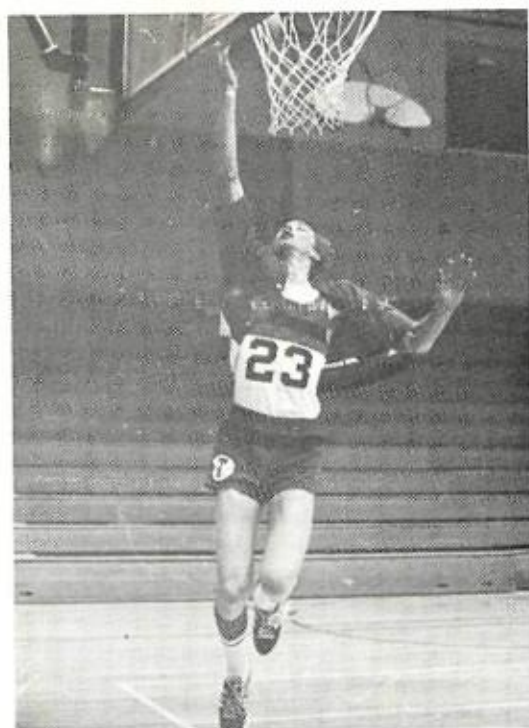

The Irving Nimitz Vikings and the Trinity Trojans split two close victories during the '71-'72 season.

The Vikings took the first game at their own gym. The Trojans took command during the first quarter, but the Nimitz Vikings let loose in the second quarter and took it with a 73-72 win.

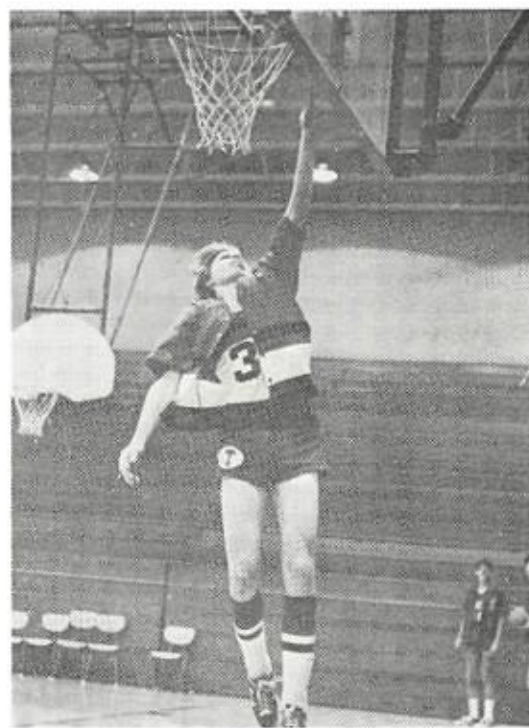

In the second meeting at the Trinity gym the Trojans commanded the game from the start and held the lead to the final moments when they received the 71-70 victory.

Green with 31 points and Pace with 17 were high scorers of the first game, while Sullivan with 20 points and Hibler with 18 were outstanding players of the second game.

Tigers Tumble

Trojans 78-54, 83-68

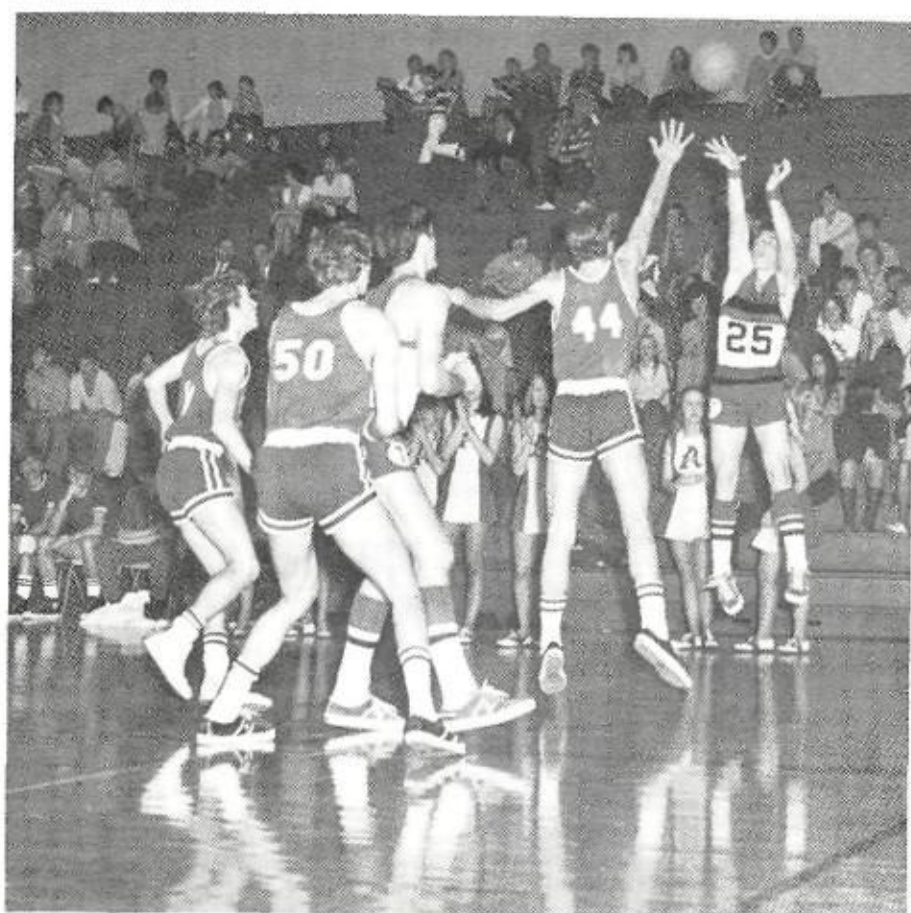

Trinity met the District Champion Irving Tigers twice this season to be defeated both times in a fight for superiority. Irving took a 5 point lead in the first quarter and stretched in to 14 at half and 24 in the third. They held the 24 point lead through the fourth and won the contest 78-54.

The second meeting against the Tigers proved as unsuccessful as the first. They dominated the entire game and had a 20 point lead in the third. The Trojans poured 24 points into the bucket to the Tigers' 19 in the final period only to lose 83-68.

Green and Pace with 12 points and Bagget with 11 were top scorers of the first game for Trinity. Top honors of the second game were earned by Green with 24 points and Sullivan with 19.

Hibler forces a crisp shot against Irving defenders.

Sullivan passes to Green who's clear for a lay-up.

Colts Take

Two 68-61, 86-70

Both games with the Arlington Colts were tough through to the final quarter. Arlington both times continued a slow gradual lead, and the Trojans though fighting hard were unable to keep up.

The Colts in the first game started with a slim one point lead in the first quarter and ended the game with a 7 point victory. Arlington-68, Trinity-61.

The second game wasn't quite as close with the Colts steady gradual lead that made it difficult to close the gap for the Trojans. The second game final was 86-70 for Arlington.

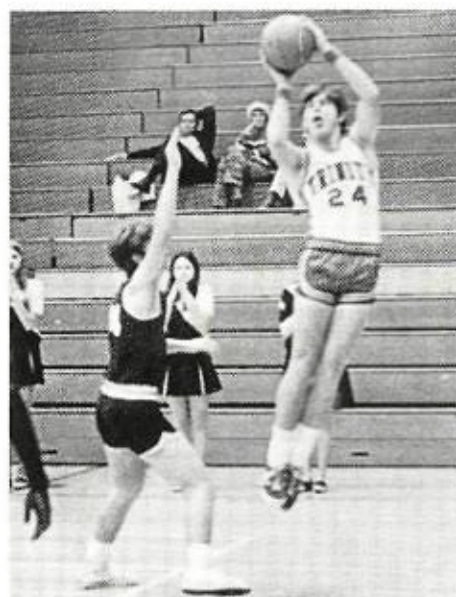

Green with 27 points and Pace with 19 points were high scorers for the first game. Green was the lead scorer of the second game with 29 points.

Junior Varsity Basketball

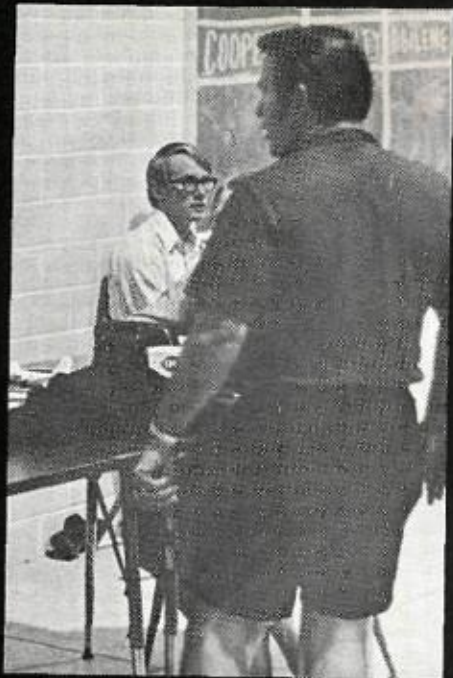

The '71-'72 Junior Varsity Basketball team coached by Andy Cargile gained the experience needed for the future varsity. Their season record was the same as the varsity's at an unimpressive 3-13, beating Bell and MacArthur in the first round and Grand Prairie in the second. They are good potential and many will be seen on the varsity squad.

Boys' Potential Make THS Top Contender

The Trinity High School Boys' Swim Team embarked upon the 1972 competitive season with high hopes and even higher ambitions. We the student body have too often neglected to recognize the outstanding representation the boys' swim team continues to make for Trinity's athletic program.

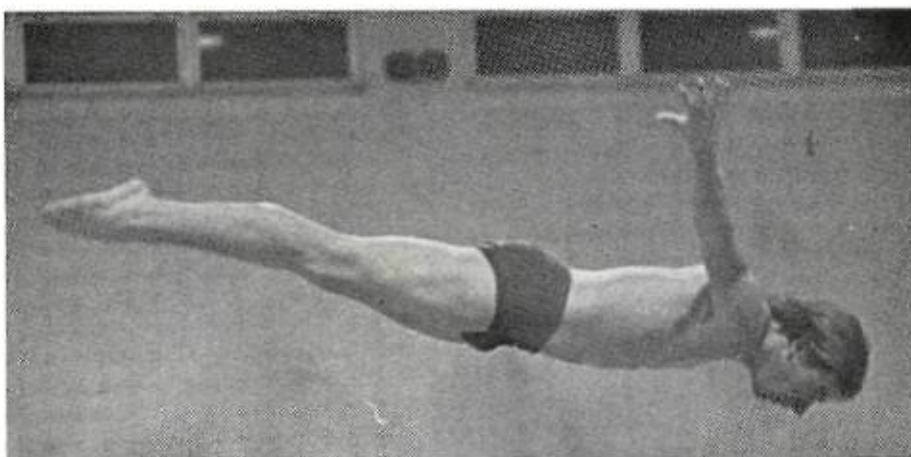

The '71-'72 annual staff wishes to express their acknowledgement of the success of one of THS' finest programs. Once again Trinity's swim team will be knocking on the door of the state championship.

Jack Gean, all-state free-styler, and other seniors like Flip Gammon and Mike Shedden give the team leadership. Likewise juniors such as John Bolte, Bill Norris, and Mark Hamilton, and sophomores Kenneth Broadway and Bill Zahn have given the team the depth to make it a top contender.

Eddie Harper, the diving captain, is the strong element of the diving team. And certainly much credit needs to be given Coach Don Foglesong who has built this team that is a continuous winner.

"Boys will be boys, eh, Mr. Foglesong!?"

Eddie Harper, looking for worms.

Girls Work For Next Year Honors

This year Coach Miss Kay Holleman worked to build a team from the loss of all the seniors of last year. The statistics weren't as impressive (four wins two losses) but the desire, work, and effort was to be commended to our girls. We look forward to next year when most of the team members return to again restore last year's honor of a no loss season.

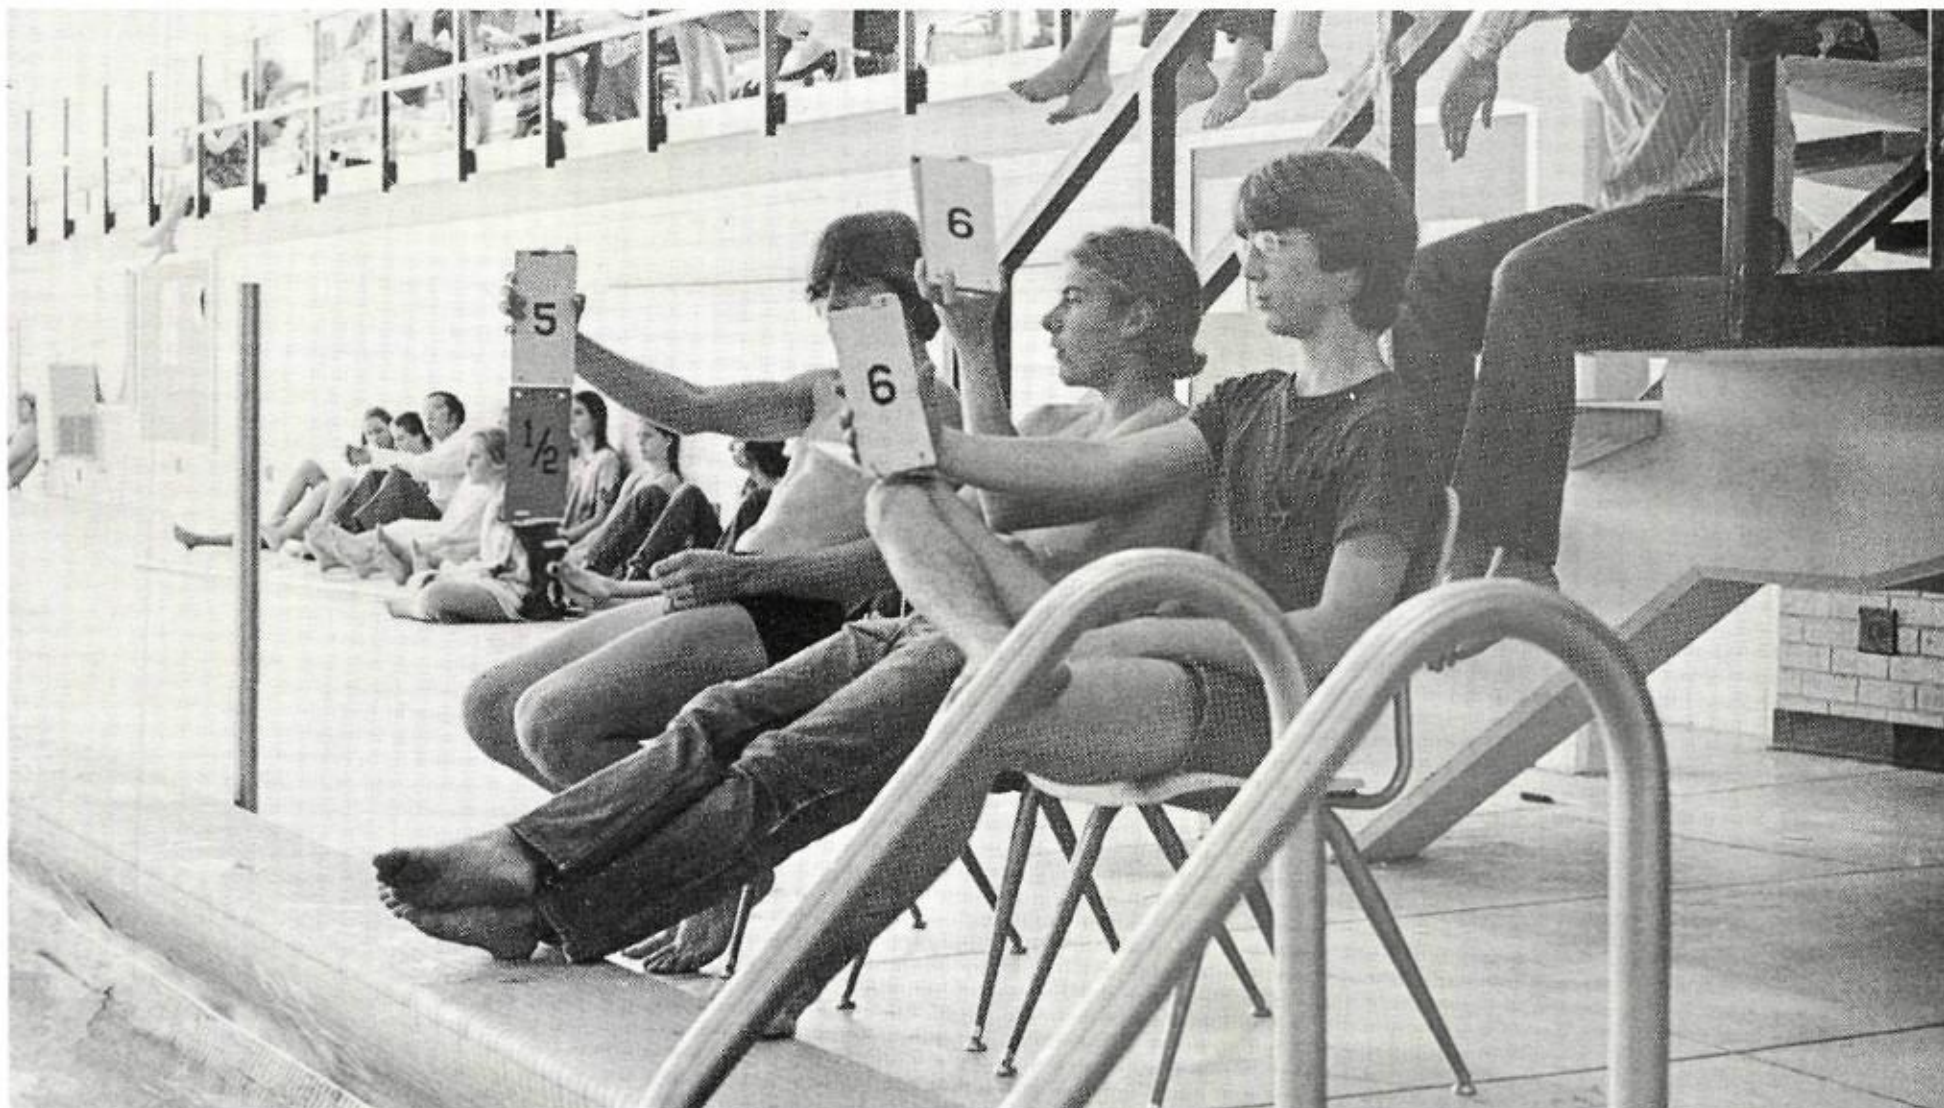

Barbra Rutter, Pam Nichols, and Joy Merrill (the latter two Juniors will return next year) are outstanding swimmers of this season. Denise Soule was the promising diver of this season who will also return next year.

We'd like to recognize the work, time, and cooperation Miss Holleman has put into the girls' swim team in the past three years. She has now resigned, following this year's season, to continue in her education.

Linda,

Well here we are our last few days at Great T.H.S. It has been fun having you in some of my classes. Hope to see you this summer.

Racket Pushers Optimistic About Season

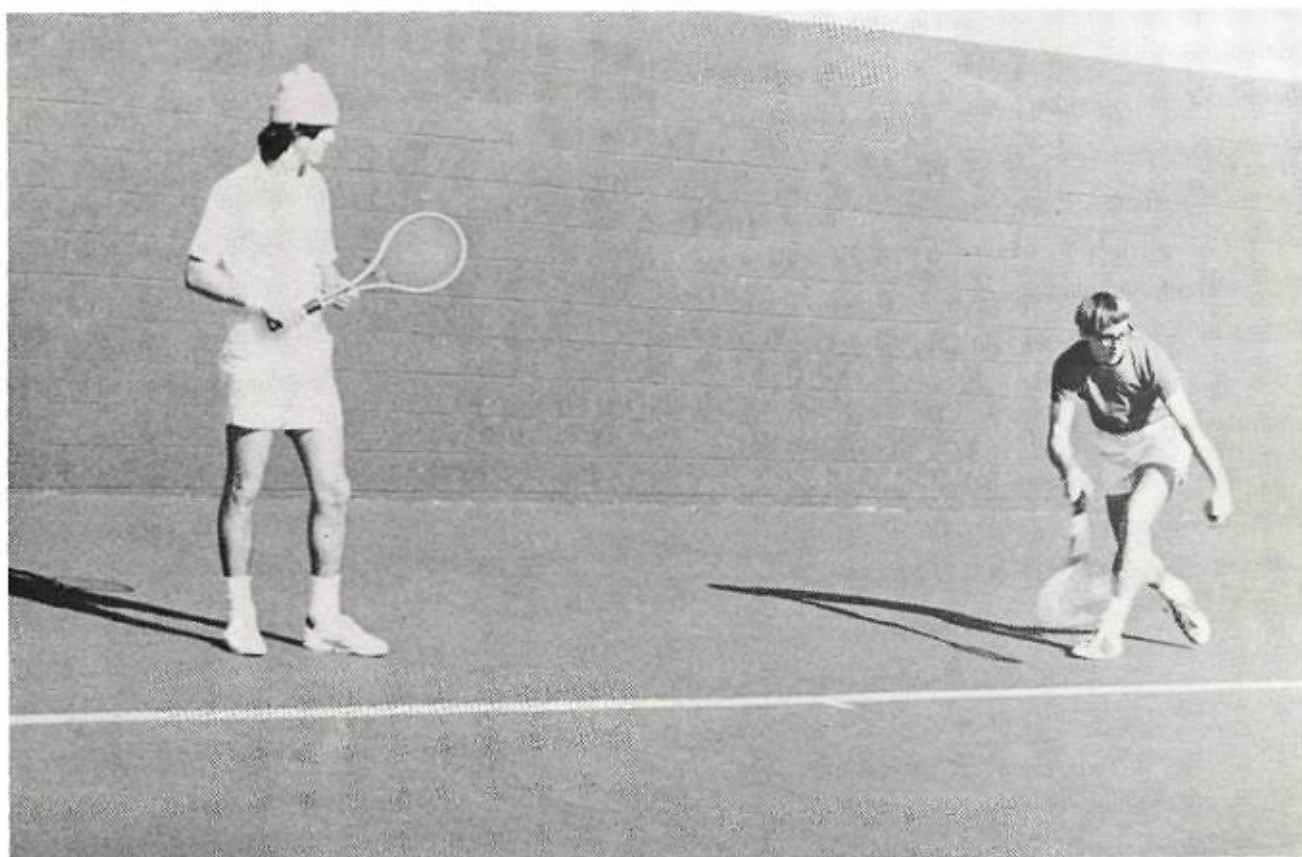

This year's Trinity High Tennis Team is headed by a successful new coach, Mr. Jerry Walters, Pro from Pasadena, Texas. His primary goal for this year is to build a strong tennis program in the years to come (since his team is made up largely of underclassmen) as well as a successful season.

Coach Walters is optimistic of the season and has returning veterans Mike Bien, Greg Wall, Linda McIver, and Jackie Hauger; as well as new recruits Paul Bliss and Ronnie Goad for the boys and Michelle Hill and Cheryl Drinkard for the girls.

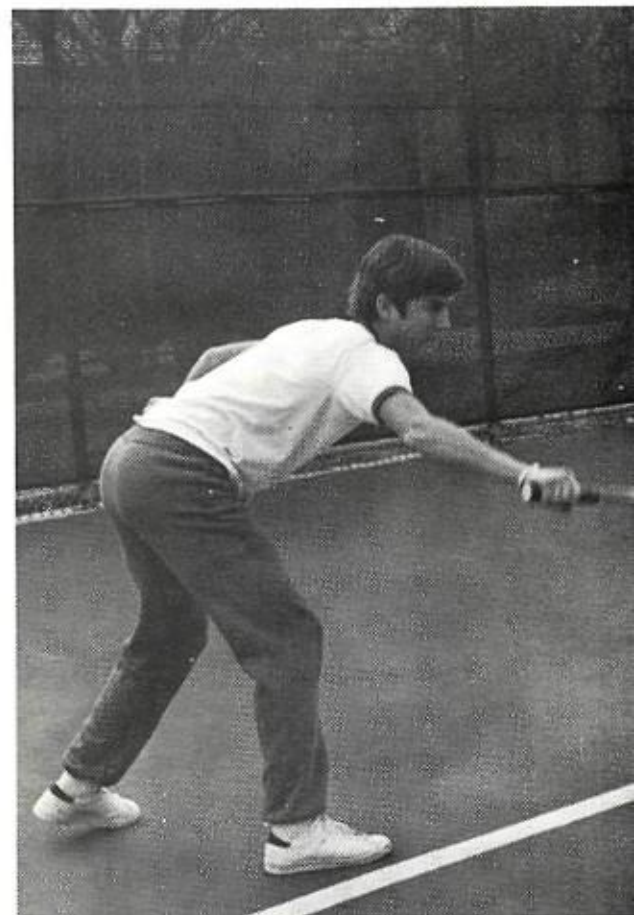

Trinity is hosting the District 7-4A Tennis Tournament again. The desire to be top competitors for this meet is what will face the tough competitors of Trinity for the 1971-'72 season.

T. H. S. Gymnasts Eye Top Honors

Coach Jerry Milan's Boys' and Girls' Gymnastic team plans to take the top honors in state this year as they start the season in last year's 3rd rank behind L. D. Bell and Austin Reagan.

Coach Milan seems enthused as the Trojan gymnasts prepare for dual meets with Austin Reagan, L. D. Bell, and San Angelo Central. Also there is the Texas High School Invitational (February 26), Southwest A.A.U. age group meet (February 4 and 5), Southwest A.A.U. Novice Junior and Senior meet, U.S.G.F. meet, and Garland Invitational.

Highlighting the year for the team is the region I Championship (April 8 and 9) hosted here at Trinity. And finally the State meet at Odessa (April 21-23).

Outstanding gymnasts hoping for top honors are Gary Alkire, Robert Buckelew, Shane Hobbs, and Jack Jetton, for the boys; and Shirley Ingram, Cindy King, Renee Smith, and Sherrill Smith.

May 4-5-6	State Meet	Austin

The 1971-72 Trinity Track Team is in its second year under the instruction Coach Bryant Clark. This year's team looks promising, but Coach Clark stated that there was no way of knowing who will be the top two in the region, of so many contestants.

The most promising of the team is senior hurdler Gary Hoglan, who already put a first at the Ft. Worth Indoor Meet and a third at the Astrodome National Meet on his column; and the mile relay team of Ronnie Wren, Mike Rozelle, Ricky Davis, and Steve Risinger, senior miler Keith Bullard, junior runner Clint Miller, and sophomore sprinter Don Gzalski should be given recognition. A promising one in the field is sophomore pole vaulter David Clark.

Track is a tough sport. Yet much can be expected from this year's team, as they prepare for the District Meet on April 15th.

Davis and Risinger complete a hand-off in the mile relay.

The crack of the pistol starts the first heat of a Trinity dual meet.

Standing: Sowell, Johnson, Bundren, Moore, Brister, Lawson, Threatt, French. Kneeling: Gooch, Mays, Allport, Copher, Rutledge, Patterson, Perrimore.

This season Coach Wes Pyfer became the new commander of the Trinity Trojan Baseball Team. The team plans to leave many schools behind in a wake of victories this season. Players plan to play games throughout the spring and summer and hope to attract spectators who bring much needed support and enthusiasm.

Golf Team

The Golf Team sponsored by Jack Ingle will compete against other teams in the district when they represent Trinity High School. Outstanding players that will lead the team are seniors Ched Kinler and Bobby Maddox.

Standing: Coach Ingle, Thomas Hudson, D. Maddox, B. Maddox, VanTreze, Beach. Kneeling: Wimp, Kinler, Crossland, Chapman, Thompson, Ledbetter, (not pictured, Osborne).

Officers and Sponsors Make Unified Effort

To keep the top class moving and involved is the task handled by the senior sponsors and class officers. They are responsible for planning the all important activities of a senior year. They, together with the senior council, must inject the pride, enthusiasm, and unity that is necessary to keep a class going.

We, the Senior Class of 1972, wish to express our sincere thanks and appreciation to Mrs. Patsy Daunis, Mrs. Jan Haddock, and Mr. Modie Joe Wells for all the assistance and guidance they have administered to our class in the four years they have accepted the task of being sponsors.

Senior Council Constructs Blueprints For '72

Laura Gonzalez brings Senior meeting to order.

It takes more than three officers and sponsors to keep a class as large as the Senior Class of '72 in action. That is the duty of the Senior council. All three groups together must drudge through all the paper work and red-tape that is behind all the activities of the class. They plan all the details from the agenda for each class meeting to counting the ballots for the class song.

Senior Distinctions

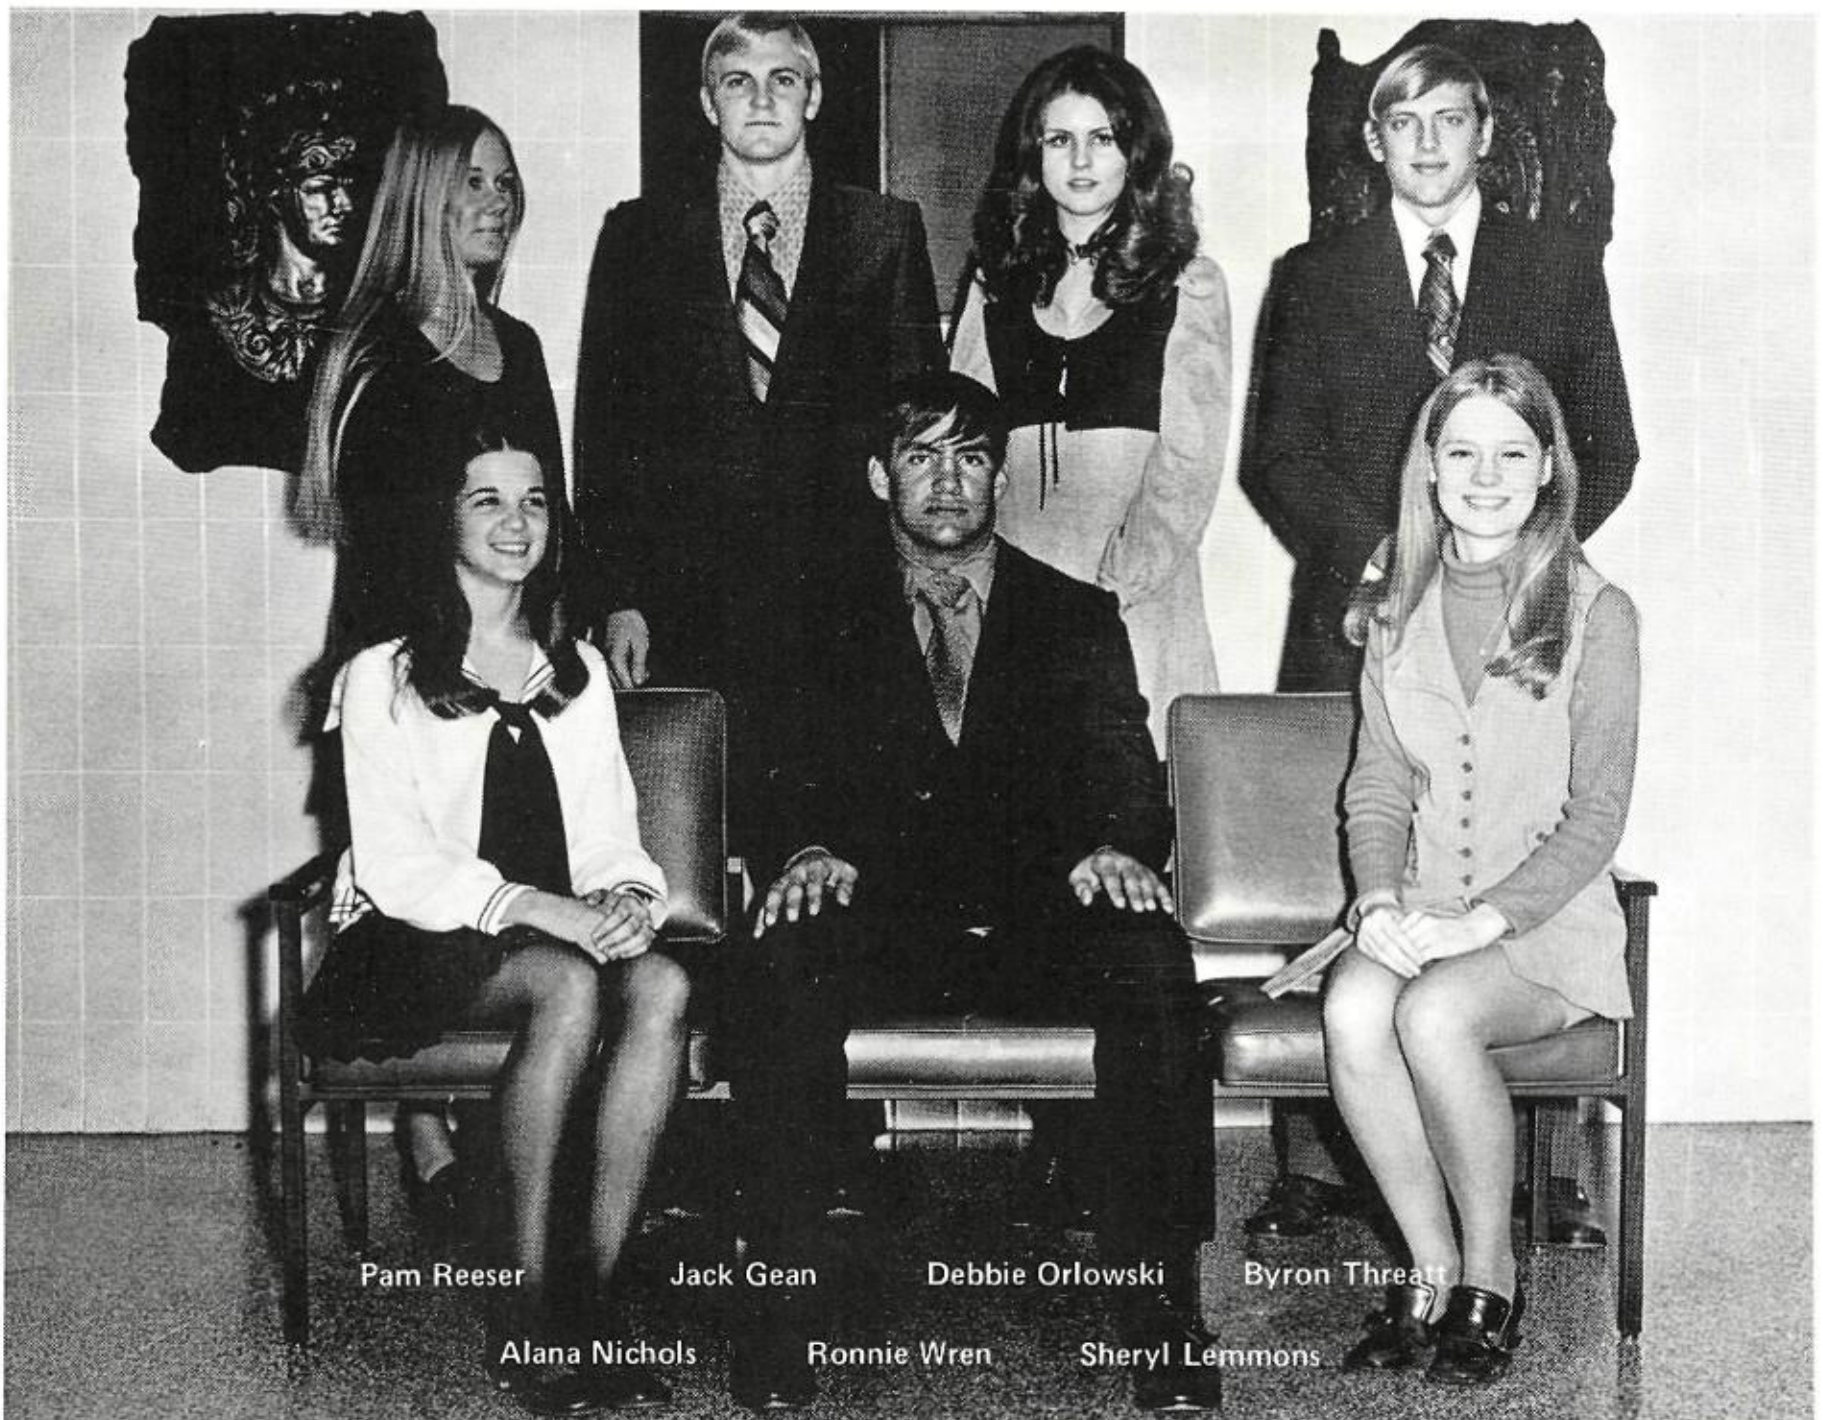

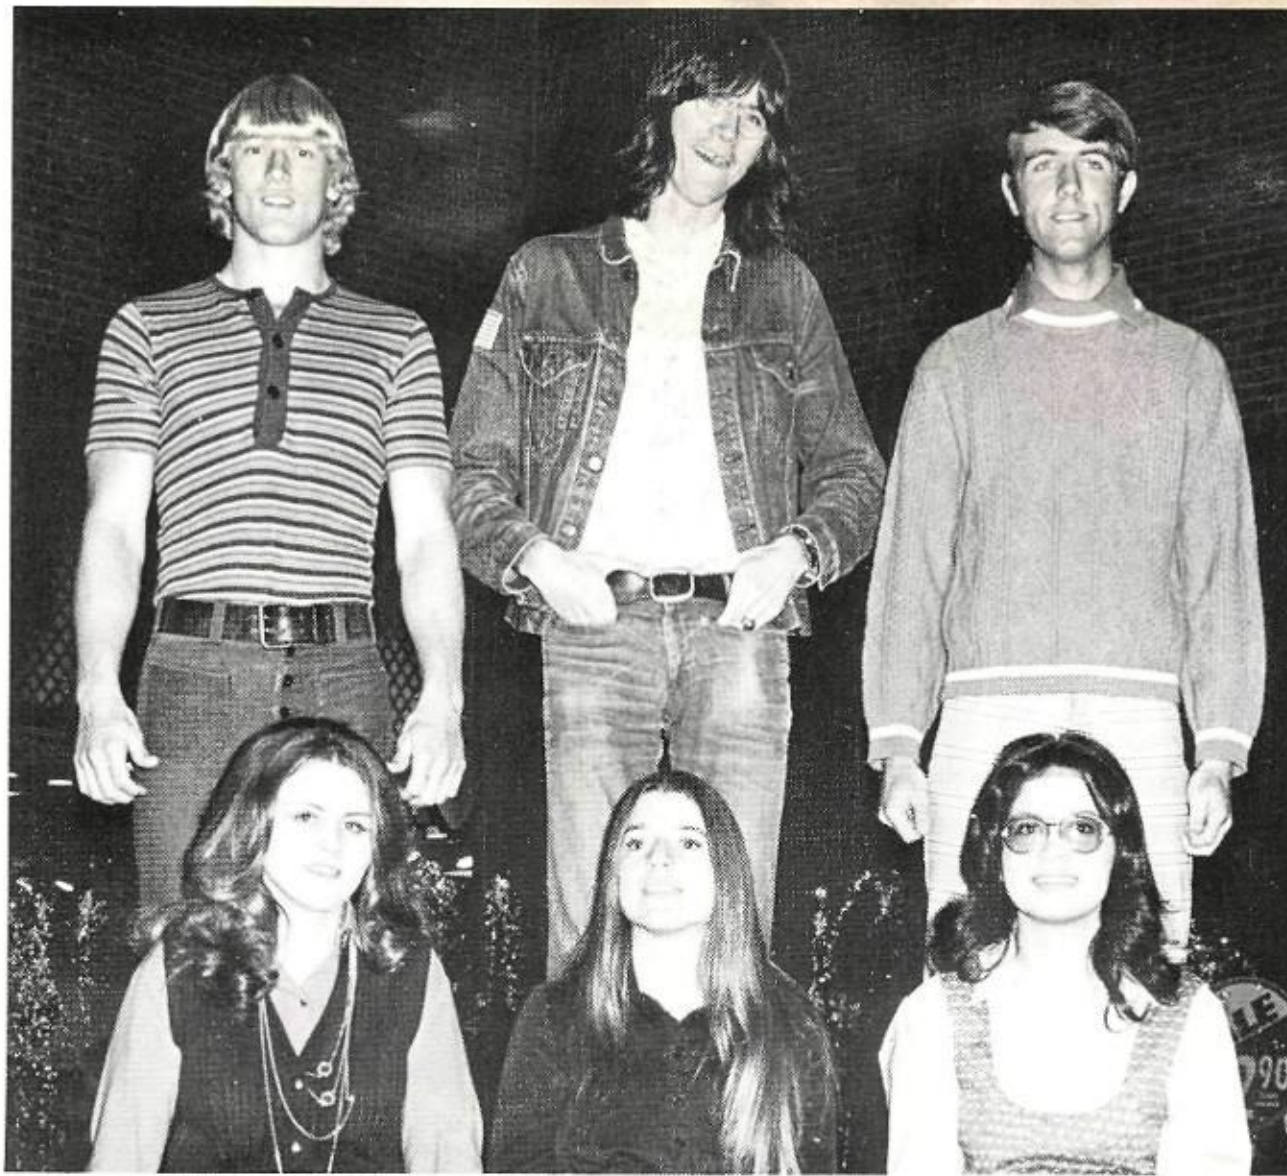

SENIOR FAVORITES

This year the Senior Class chose for their nominees for class favorite Mike McKnight, Bobby Wilcox, and Jim Graham, pictured (left to right) to the left. Debbie Orlowski, Michelle Arth, and Laura Gonzalez were the girls nominated for favorite. After a run-off, a tie resulted. The winners were McKnight, Wilcox, Orlowski, and Gonzalez.

MR. AND MISS TRINITY

After several nominations and runoffs, the faculty selected eight people to contend for the honor of Mr. and Miss Trinity. Don Middleton, another nominee, is not pictured.

The award was presented to Debbie Orlowski and Byron Threatt at the basketball game on Tuesday, February 8th, during halftime.

STRICTLY

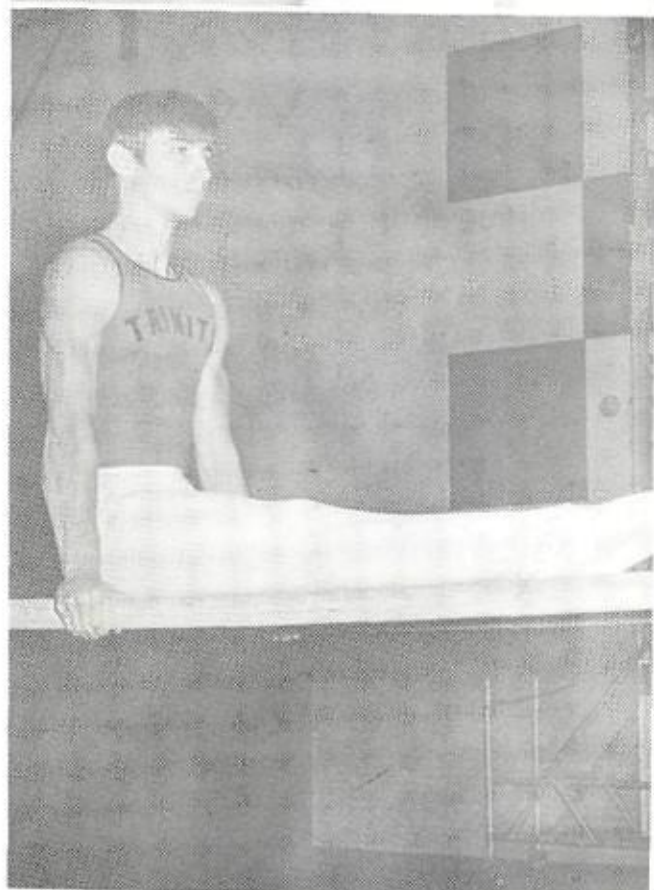

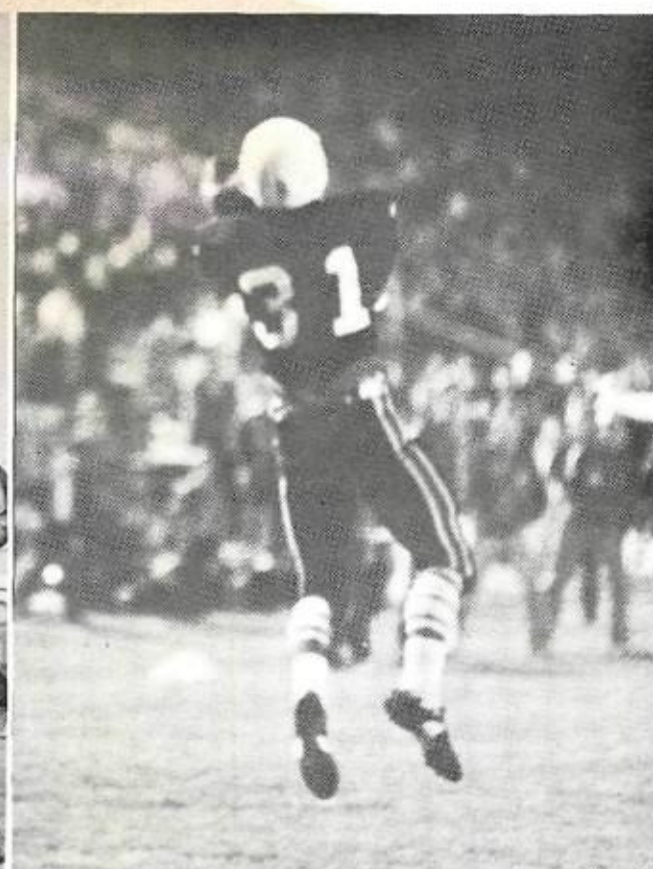

Trinity
rewards its Senior Class
by granting them privileges not enjoyed by
their underclassmen. The newest of these is open lunch
bestowed on them at mid-term through the efforts of the Student Council.
Some of the old traditionals are the senior rings and then the measuring for caps
and gowns in anticipation of the final day. This year, the seniors were
the only class to have the opportunity of performing a
class play. They can also have schedules
arranged so that they can have
sixth period off.

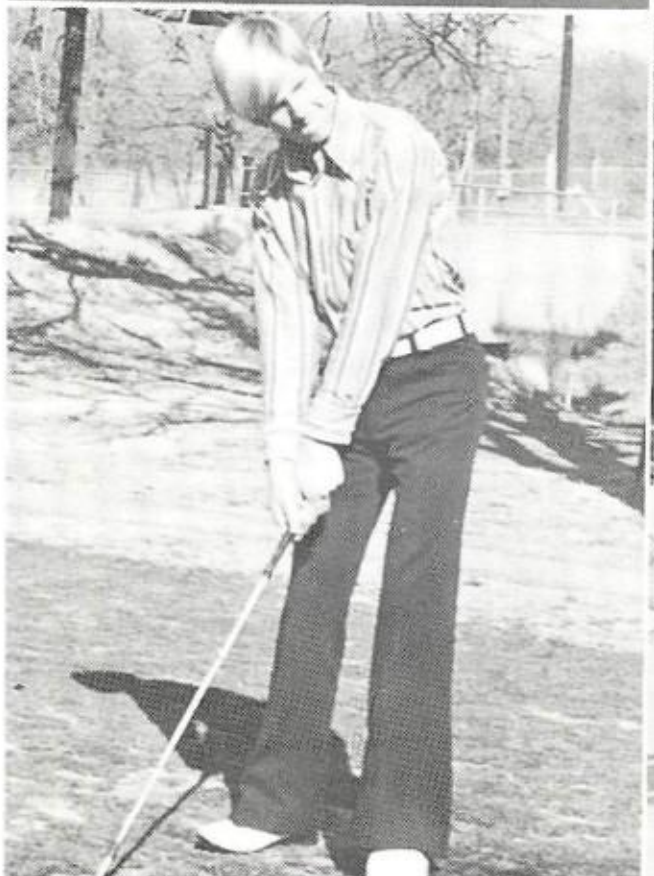

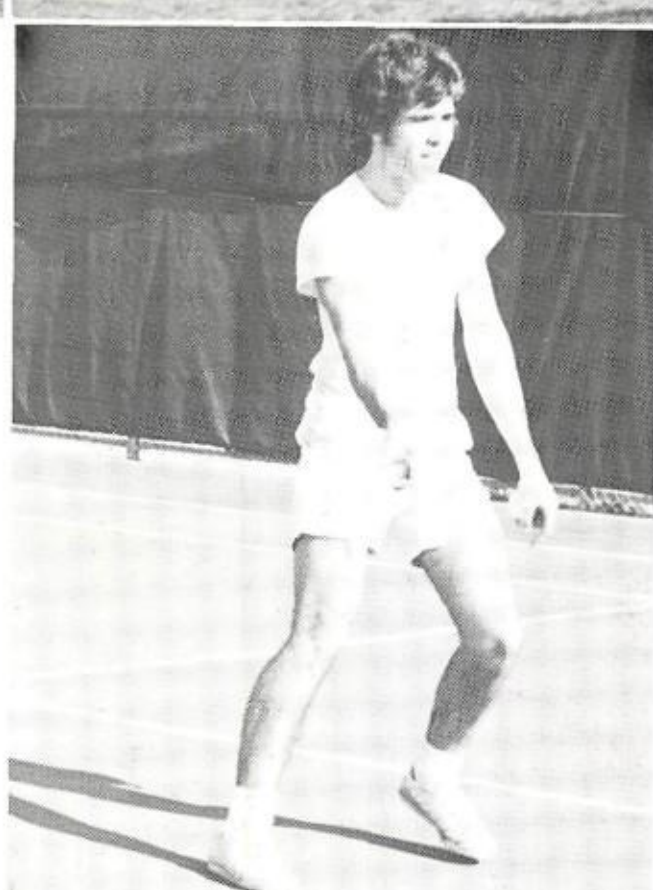

SENIORS

Seniors in Sports

Sports are a means of expression; the participants are encouraged to excel and are given the opportunity to compete. Training starts in elementary school so that by the time they reach their Senior year in high school the boys are proficient competitors, worthy of recognition.

Seniors Prepare for Homecoming Activities

Preparations for Homecoming causes commotion throughout the THS campus. Enthusiastic seniors are determined to make the Homecoming weekend memorable and successful by vying for float and hall decoration awards. Seniors participate in the Homecoming Queen court and strive to make the dance a success.

At the close of the celebration the seniors are already speculating about next year's Homecoming when they are guests at their alma-mater and return as "exes".

"Matchmaker" is Money Maker For Seniors

After seven long weeks of rehearsals, the Senior Class presented their version of Thornton Wilder's MATCHMAKER. The script was the same story that has been adapted for the Broadway musical "Hello Dolly". Several of the more famous

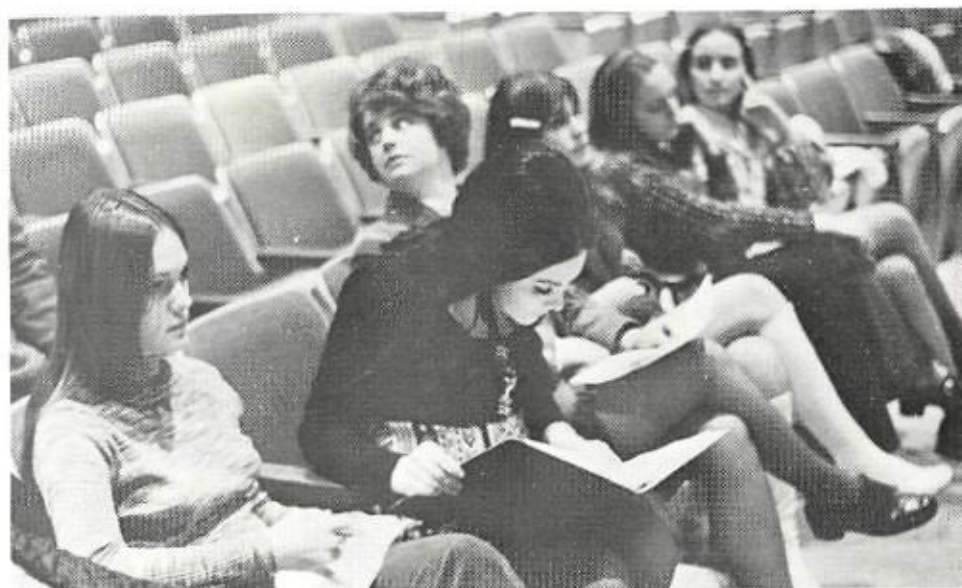

songs were borrowed from the musical version, and these productions added color and pageantry to the amusing story of the renown busybody, Dolly Levi.

"How can you keep a straight face with a line like 'Oh, no, no. I was just blowing my nose'." Debbie Orlowski, Pam Reeser.

"Pssst! That was your cue!" Danny Zachery, Ronnie Wren.

"Hold it! Let's cut that line." Directors Mrs. Beverly, Miss Jane Thomas.

"Zachery, quit crunching! We can't hear our cues." Ronnie Wren, Danny Zachery, Pam Reeser, Charlie Bundren.

Seniors Make it with "Matchmaker"

The third graduating class of Trinity excellently performed Thorton Wilder's "Matchmaker" on the nights of March 10 and 11. The play was about a rich, widowed merchant of Yonkers who employs an old friend of his late wife to find him a new bride. Instead, she decides she wants him for herself and a chaotic escapade developed. A revolving stage and gayly dressed chorus lines heightened the evening entertainment.

"OK, lets watch these comments in the front row!"
Malachi Stack (James Henson).

Horace (Ronnie Wren) and

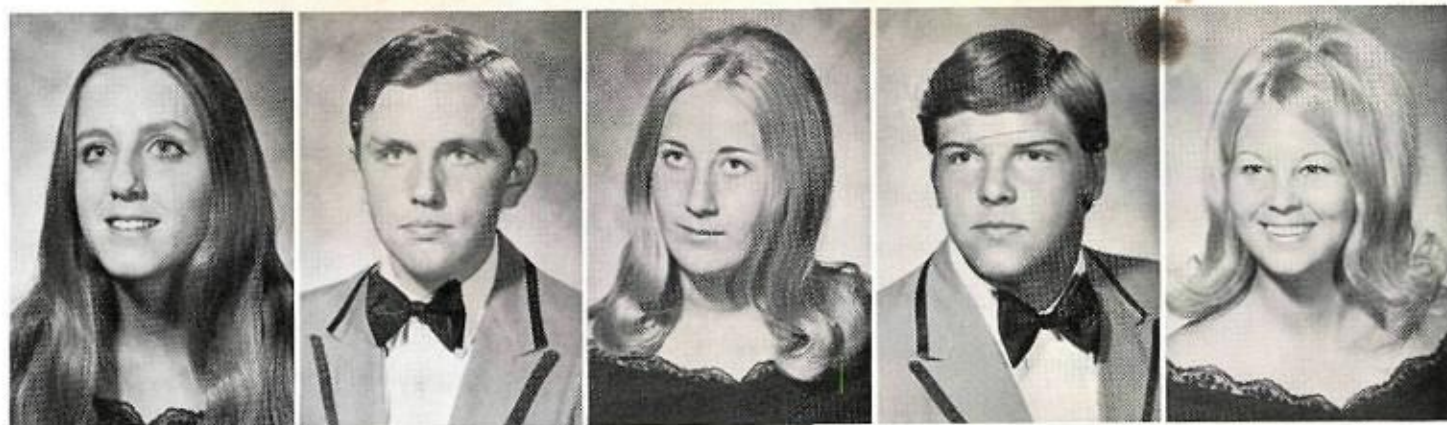

"Ah yes, my line! What is my line!?"
and Horace (Ronnie Wren).

Dolly (Debbie Orlowski)

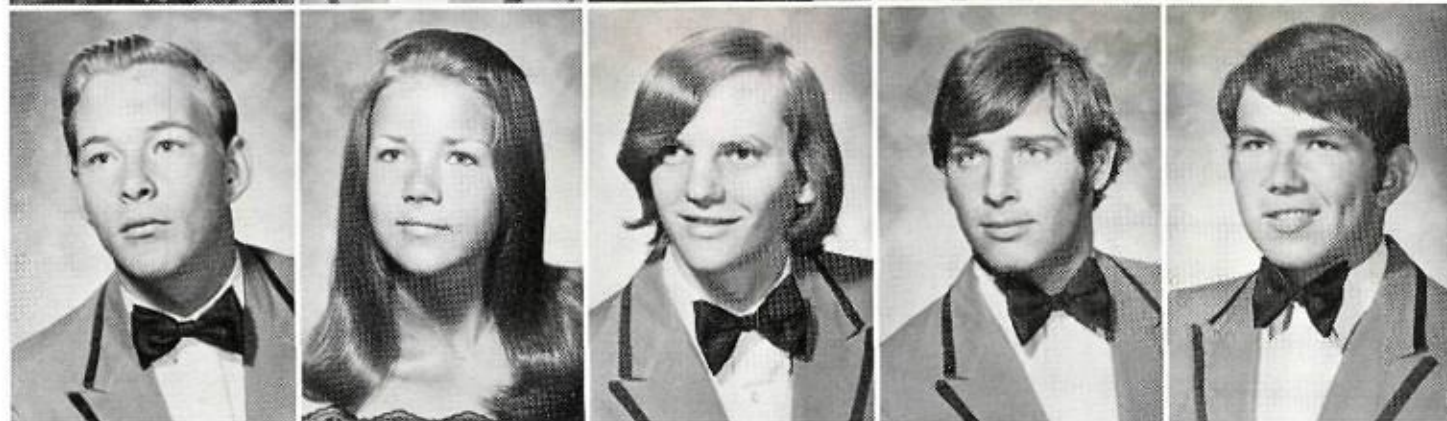

"Ambrose, dear, stop standing on my dress!"
Ermengarde (Charnell Hightower) and Ambrose
(Gary French).

MEMORIES

FORTY YEARS IN THE DESERT!... FOR THIS?!

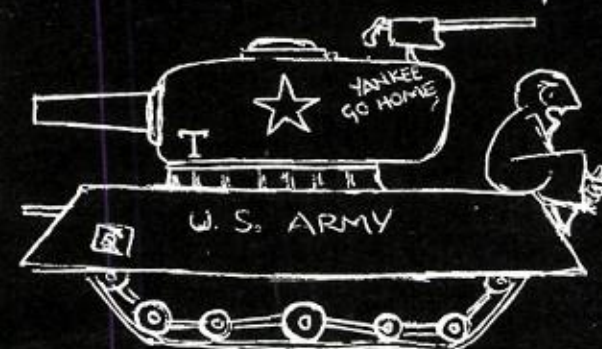

IF SOMEBODY DOESN'T COME BY WITH A GLASS OF WATER, I WISH YOU'D START PRAYING FOR RAIN.

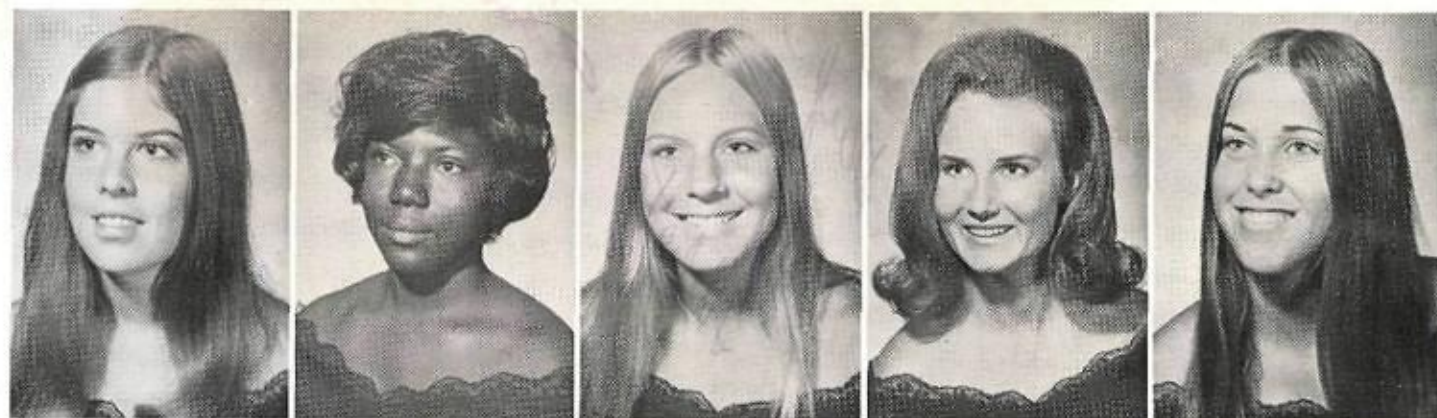

"Do you realize how many years we've spent in school?" ... "Yeah, I'm getting so old I shave every other day now!" ... "Remember some of the funny things?" ... "You mean like 34 people asking you for donations in one lunch period?" ... "Yeah, and somehow, no matter how many times it was fixed, there was always a crack in the library window" ... "Hey, you remember when the bells would ring early and you'd spend the next 15 minutes trying to figure out what schedule you were on: the afternoon pep rally, morning assembly, after lunch afternoon assembly, etc." ... "Yeah, and you always knew spring was here when you'd be walking down the mall and all of a sudden---drench! There's the sprinklers---everywhere but on the grass!" ... "Remember staying up till 3:00 A.M. trying to type page one of your senior theme?" ... "And each morning the silence was broken by a 'bing, bong, bing!'" ... "And remember ..."

IT'S GOT LOUSY PICKUP, BUT I'M ALWAYS FIRST OUT OF THE PARKING LOT

Linda Laughlin

**Trinity is a dizzying whirl
of activities, a combination of
laughing, yelling and yet sincere students.**

**Somehow, among the confusion each individual
managed to be self-assertive. We blended
despite our differences and drew from each other
that which was beyond ourselves, expanding in
knowledge and self-awareness, for individuality
is illuminated through . . . CONTRAST.**

Linda,
May the most you
wish for in life,
be the least you get.

It's been a great
year knowing ya.
Lots of luck in the future.

Linda,

We never have been really good friends, where we did stuff together, but I like how real well Linda, I think you're really weird. I hope to see you a lot in future.

Much Love,
Jackie
Student

Linda,

You're a real nut, it's a wonder that some people in a school don't know you. You're this lot of fun to be with. I wish you all the success in life. Be sweet & get out of school. Good luck when you get your driver's license.

I'm gonna try my best to forget you. Not really. Have fun, it's been great in Recordkeeping class with you.
Love, Linda Townsend

Linda,

You're a real sweet girl. I've enjoyed having you in my class & in FHA. Good luck & happiness for the future.

Mrs. Howard

You're a very dumb girl (not really) your very sweet & always making unnecessary remarks. Stay the way you are.
Sr. 72 Love Patti

Linda, we're really sad to see you go since you had your last year of school. Love Sharon

Love ya, Brenda Bal

Linda, Good luck as you graduate & the many years afterward. Keep smiling & may God bless you.

Linda,
 You dumb girl.
 You should have known
 better than to run off and
 not sign my Year Book a while
 ago. So now your in for it, you stupid,
 ugly, self centered, fat, stupid, ugly,
 self centered, fat, stupid, ugly, self centered
 girl, How did you like that. Bet you
 feel horrible now. Dood. Well anyway
 I'm just kidding. Dood Suck always.

Slave Auctions . . . Come to THS

This year's TWIRP WEEK was the fourth year straight to be sponsored by FTA. As were last year's playday events, this year's were divided among THS clubs. Some of the events were Beard Growing, Sponge Throw, Motorcycle Rally, Slave Auctions, and Whipped Cream Fight. The week was topped off by the Sadie Hawkins dance and the presentation of Daisy Mae and Lil' Abner.

The "Dry Bones" faculty-Mr. Chandler, Mr. Reavis, Mr. West, and Mr. Boaz.

May 4, 7:30 P.M. in the Trinity High auditorium a happening took place. We called it a "Talent Show"; they called it "Rollin' on a River". That's just what they did, with Tim Rhodes as M.C. He carried us through several "talent-full" acts including several singing acts, along with comedy, some fire-baton twirling, and the theme song by "Michael". The climax came when the judges announced the winner as the Faculty Quartet who sang "Dry Bones". First runner up was an "Edith Ann" comedy act; second was the Troy-Ann drill team.

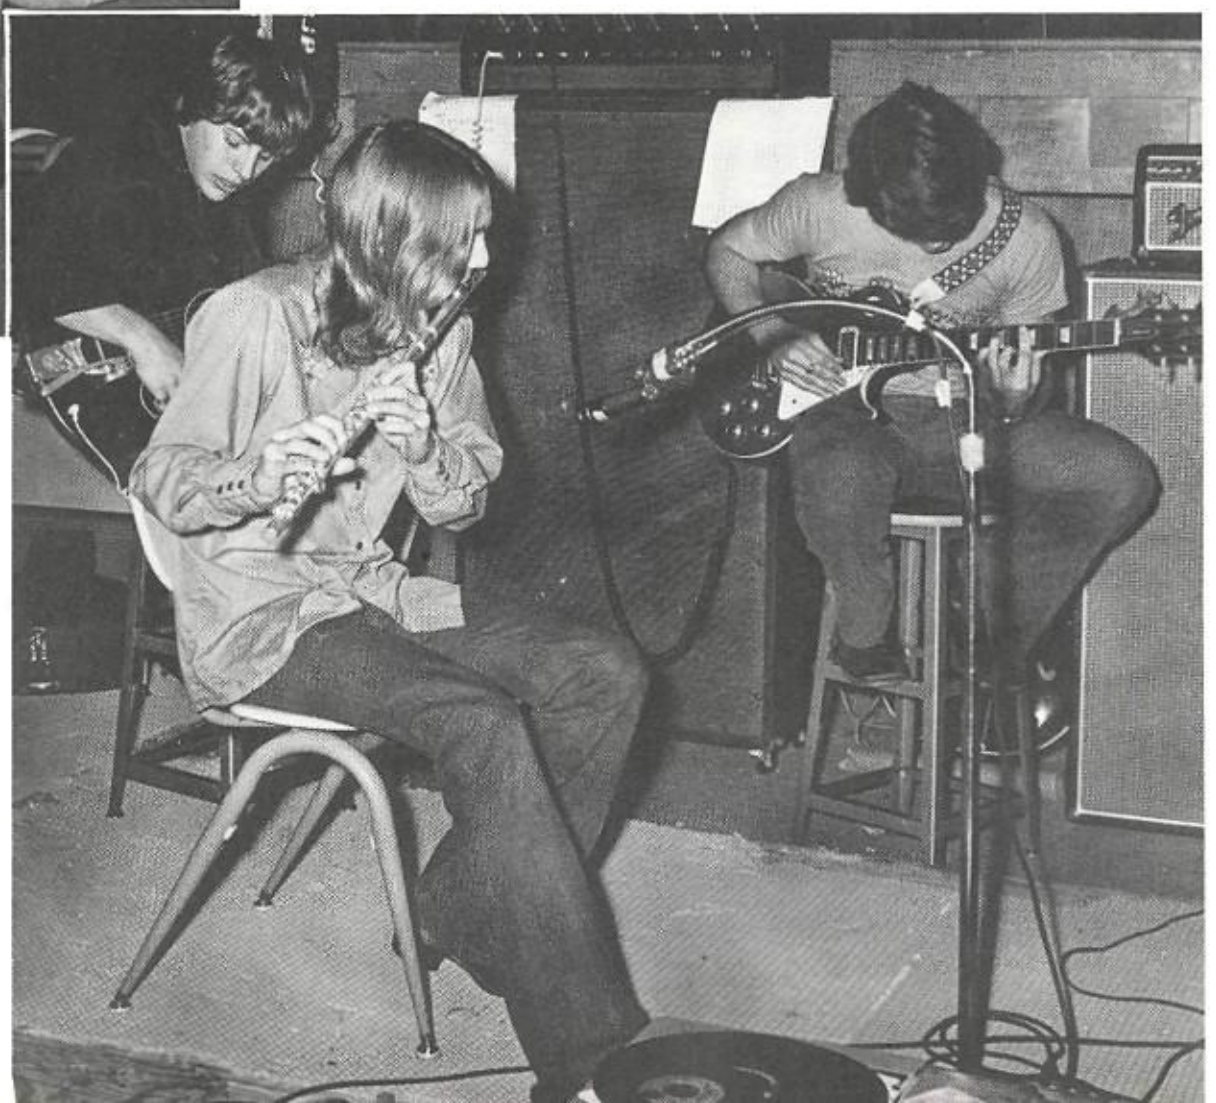

Gary Alkire and Terry Paramore.

Above: Fire-baton act adds excitement to talent show.

Below: "Michael" performing their version of the senior theme "Stairway to Heaven".

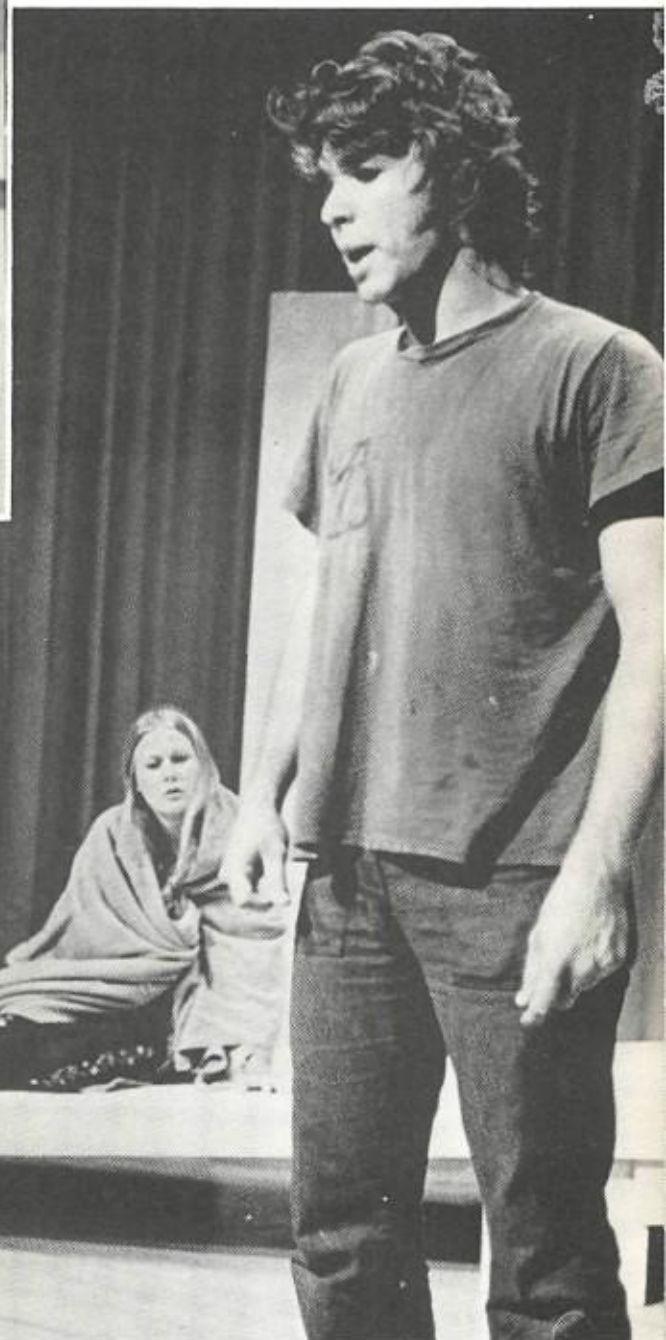

"Rollin'
on a River"

"Dark of the Moon"

"Barbara Allen I give ya this ring, that shines in the dark as a token of my luv fer ya."

"What fer they burned my baby?" Barbara Allen (Pam Reeser) and witch boy (Danny Zachary).

"They burned the baby 'cause it was a witch baby, twisted and black like in a rat." DeeDee Dorrow, Stephanie Bledsoe, and Donna Forister.

Under the direction of Miss Jini Eillot, the Trinity Thespians presented the U.I.L. play "Dark of the Moon". Two performances were given, one for the students and then another for competition. The cast, mainly seniors, worked many late nights to perfect it, for U.I.L. regulations are strict. The play can only be 40 minutes long, requiring to the second timing, and a limited number of cast members including technical crews. The whole play is a bit unusual, including the plot, yet it only rated third place in U.I.L.-a great disappointment to all involved, for all were first place actors.

Choir Initiates New Traditions

This was a year of firsts in the history of Trinity's Choral department. For the first time at Trinity, members of the A Capella Choir will receive choir letters. To receive these letters the members must have earned superior rating while competing at the UIL choir contest.

Also another first this year was the beginning of the presentation of the National School Choral Award to an outstanding choir member. The award is voted upon by the A Capella Choir and is based upon musicianship and contribution to the choir. The first recipient of this award was Jimmy Parker.

Los Colinas Hosts THS Prom

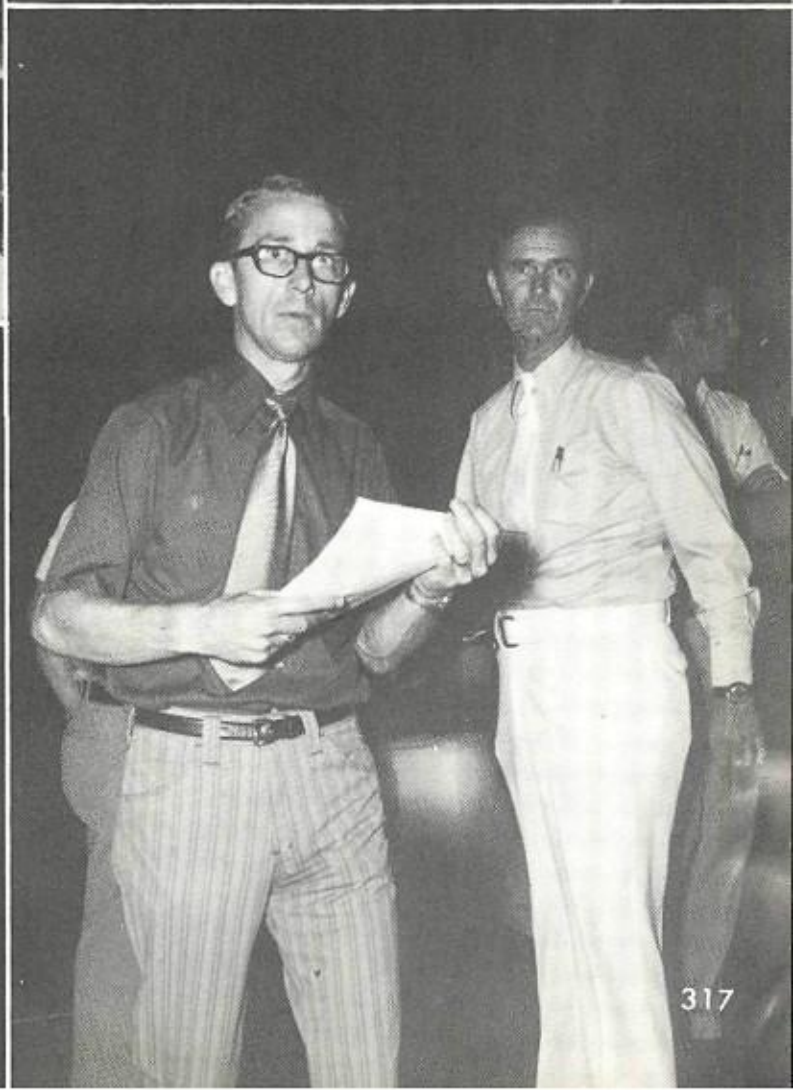

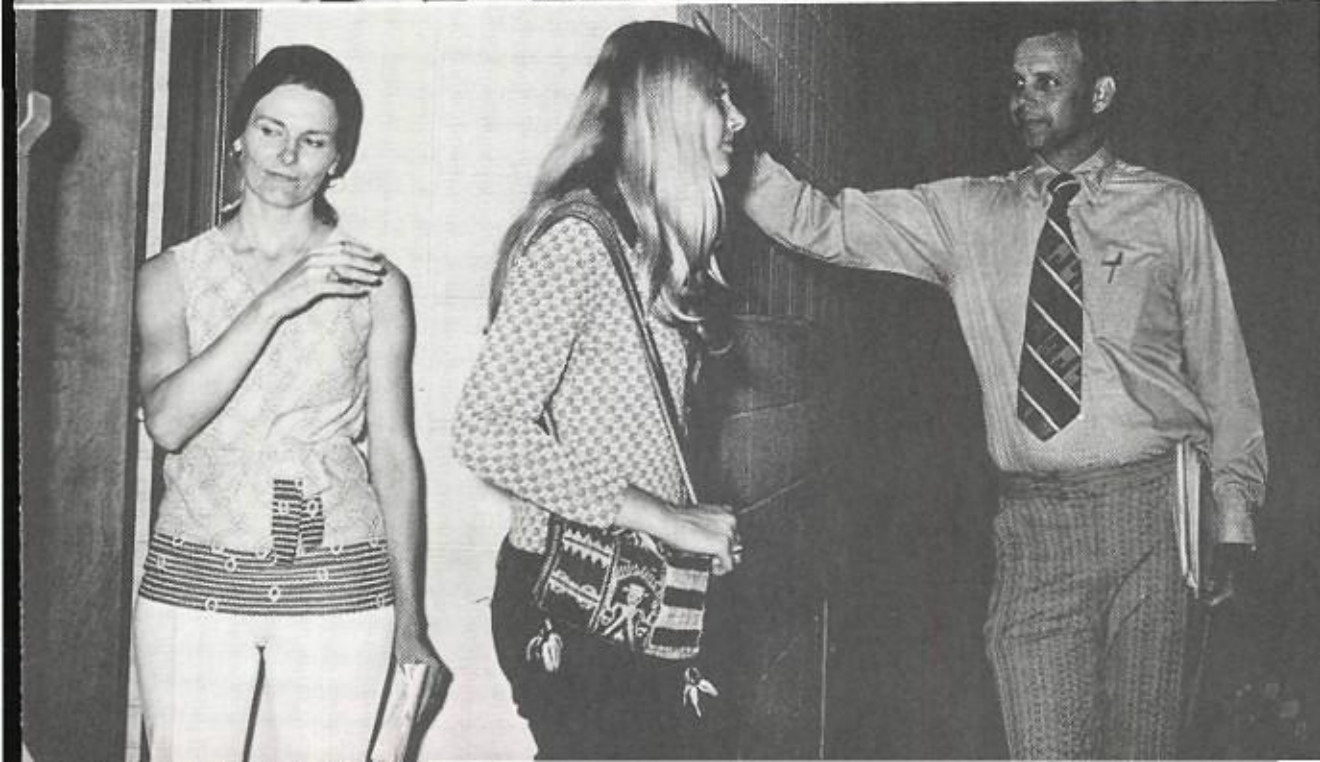

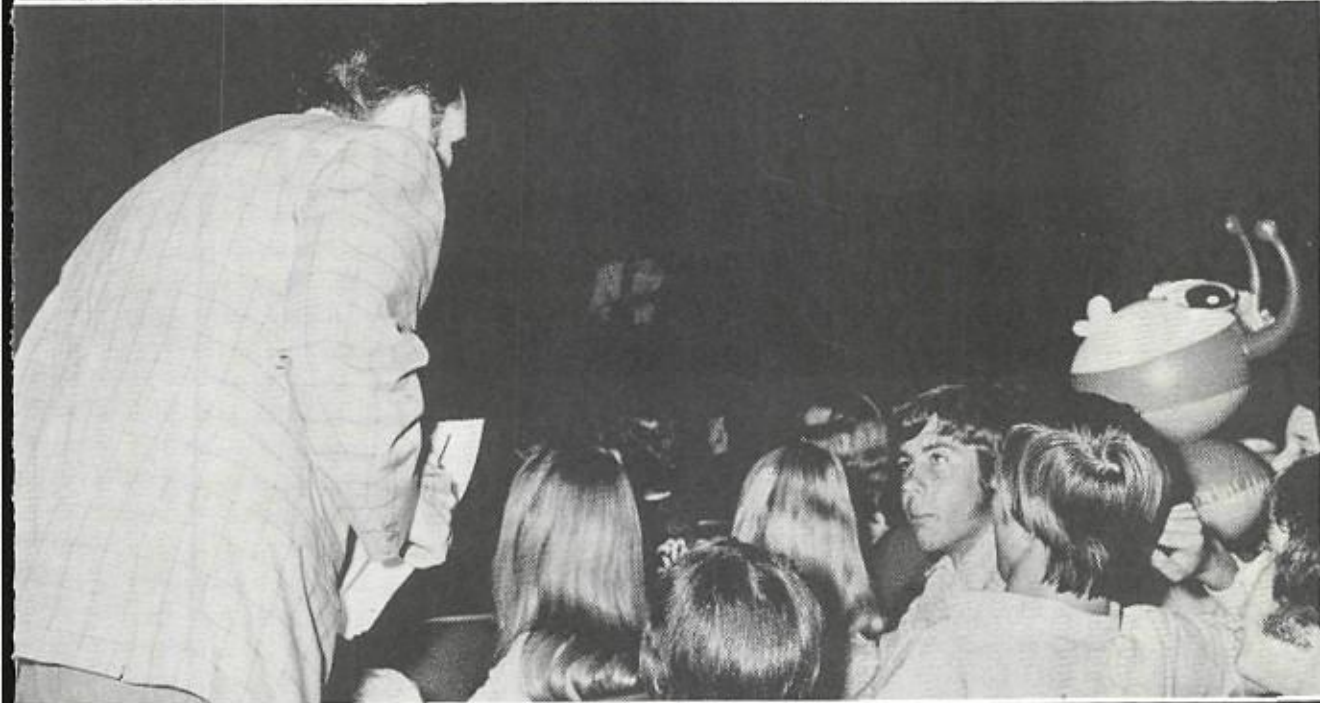

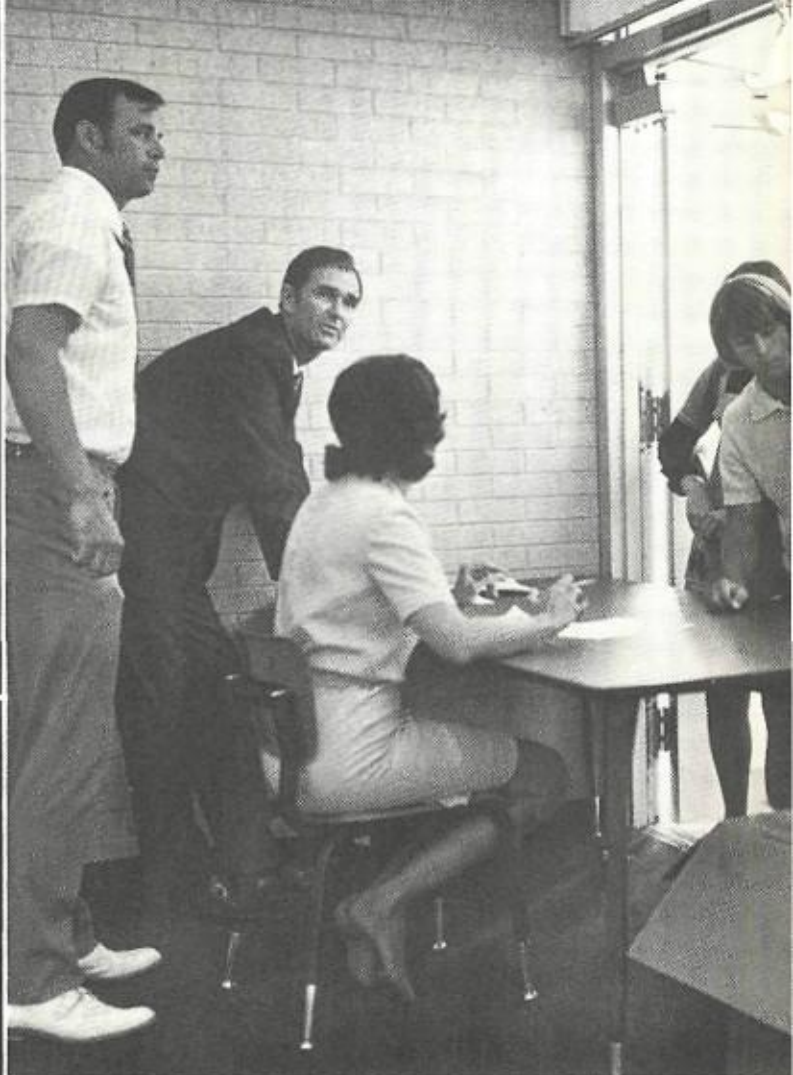

Saturday-May 13. Prom night. To many it was symbolic of the end of their years in school. A big celebration at Los Colinas Country Club. Elegance. Sound by Sister Elizabeth. 12:00 came and the Prom was over. But not the night for most of the Seniors. Now it was time for their own parties. At the lake, at a clubhouse, anywhere and everywhere. But Sunday afternoon found them all safely home and zzzzzzzzz

Practice Makes Perfect

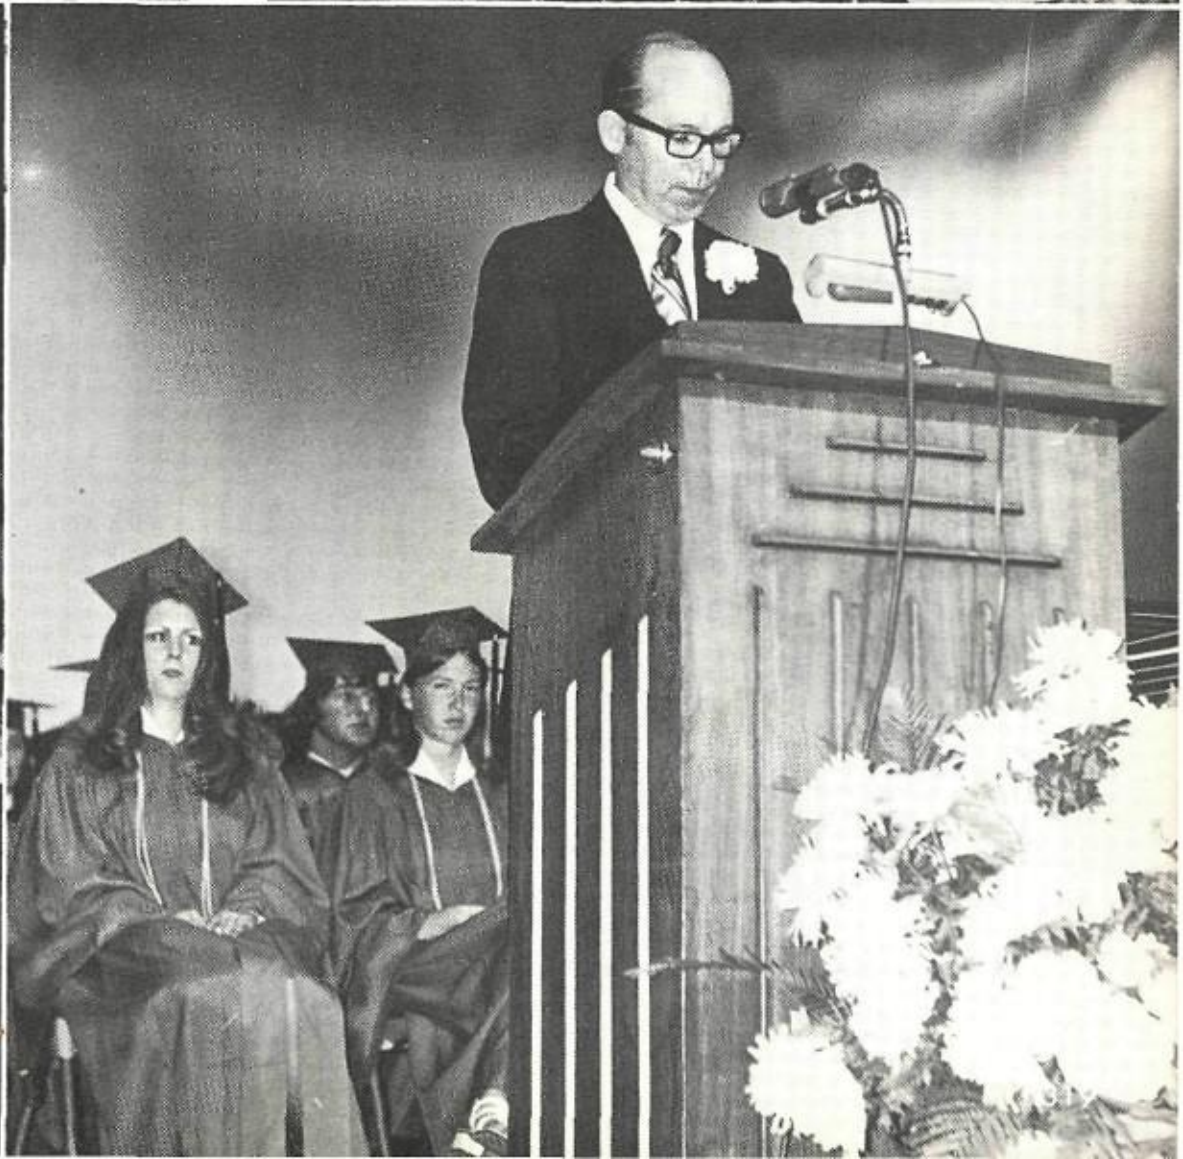

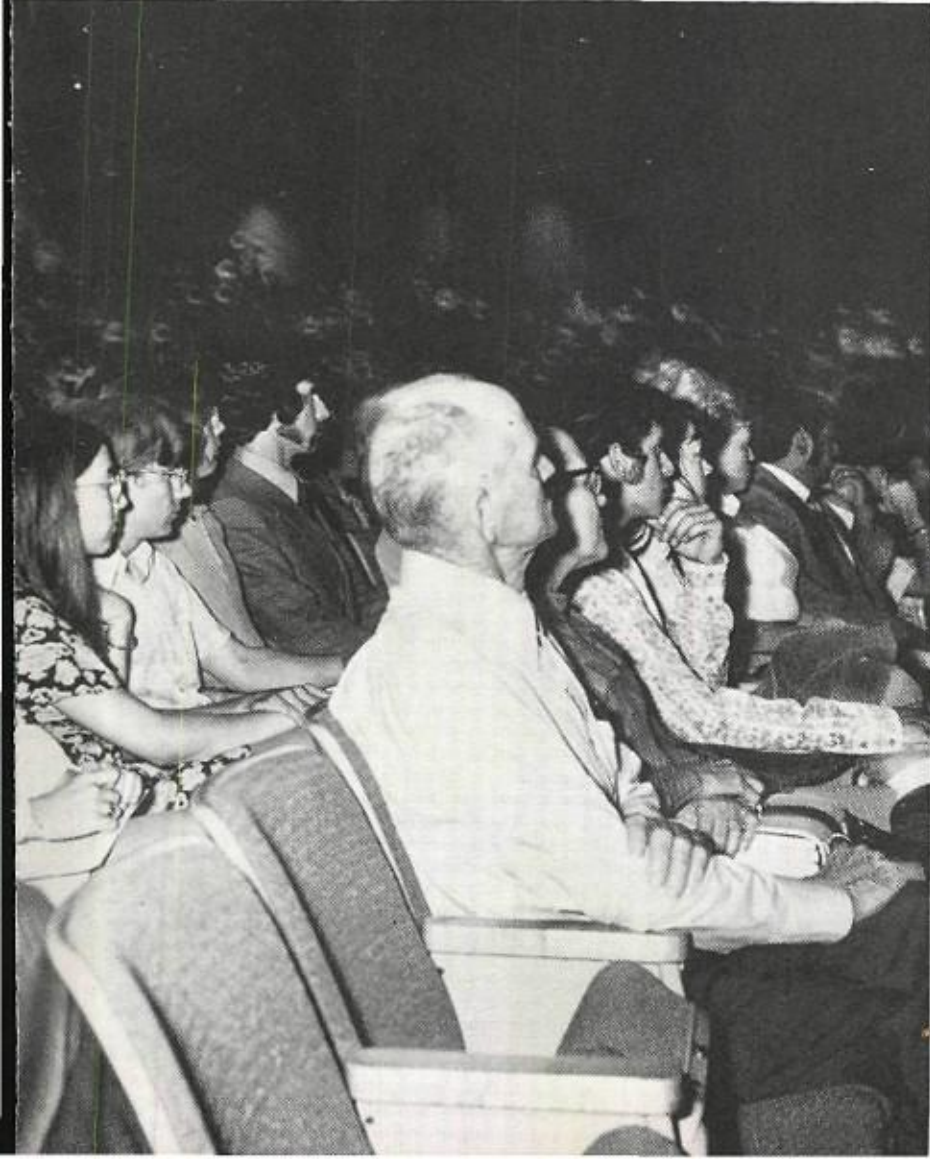

Students And Administrators

The speakers at this year's graduation were Mr. B. J. Murray, Mr. Charles Wages, and Mr. Frank Johnson. The ten students with the highest grade-point averages were (counterclockwise) James Wright, Pam Resser, Debbie Orlowski, Debbie Zieschang, Lynne Dunham, Kennye Hill, Carroll Boardway, Connie Mitchell, and Linda Nail.

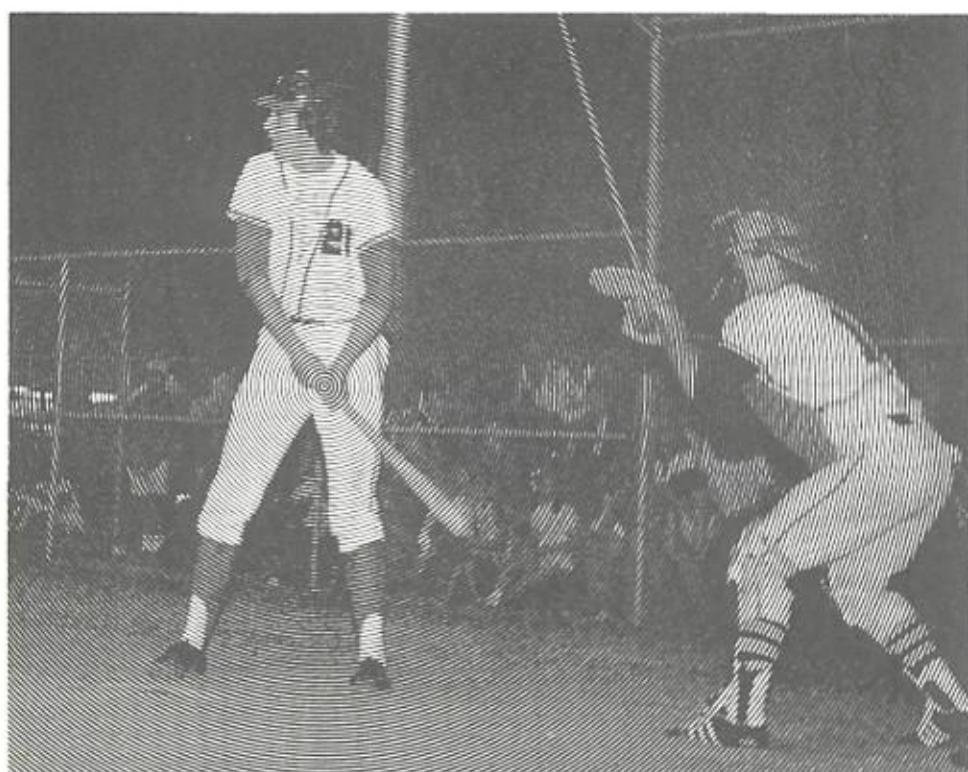

Speak Out at THS Graduation

This year's graduating class had a high percentage awarded scholarships. The Valedictorians were Connie Mitchell with a 3.25 and Linda Nail with a 3.27. Graduation was held at Texas Hall at the University of Texas at Arlington.

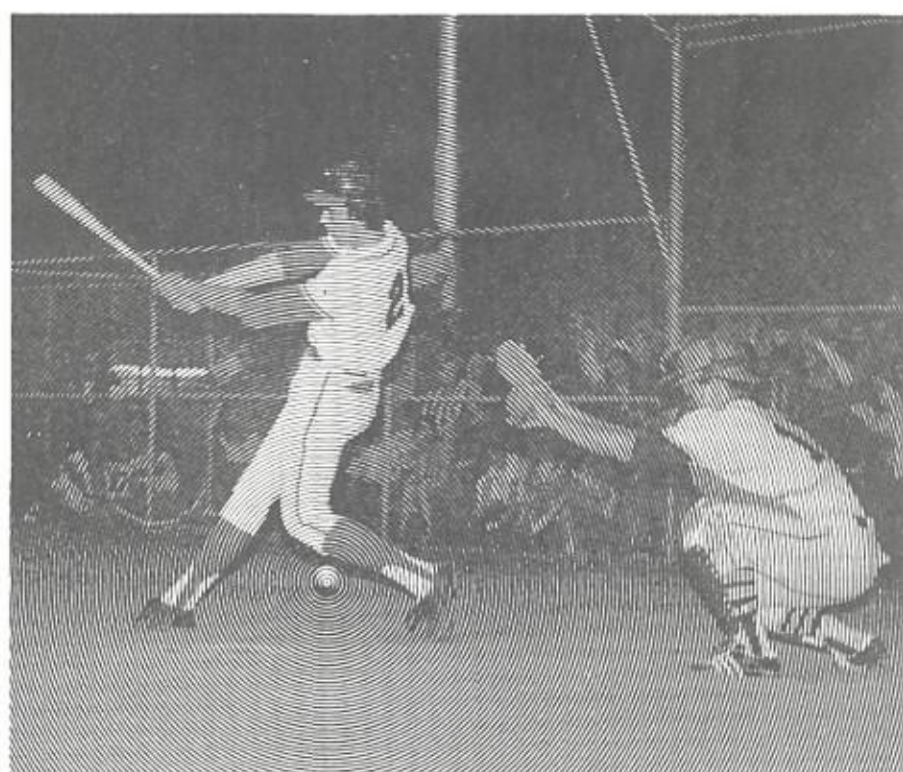

Homerun!

The Trinity High School Baseball Team was under the direction of Coach Wes Pyfer. The team this year was young, composed mostly of Sophomores and Juniors. The District record (2-14) and the Overall record (3-21) did not do justice to all the work and preparation the team underwent. Great improvement is expected next year, though.

"Here it comes . . .

. . . Where'd it go, huh, huh, huh?"

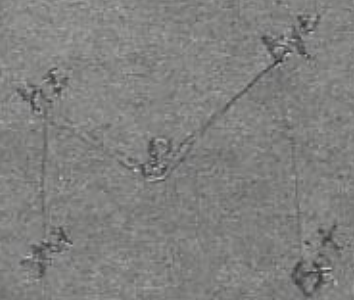

Whose turn to hop over whom??

Linda,

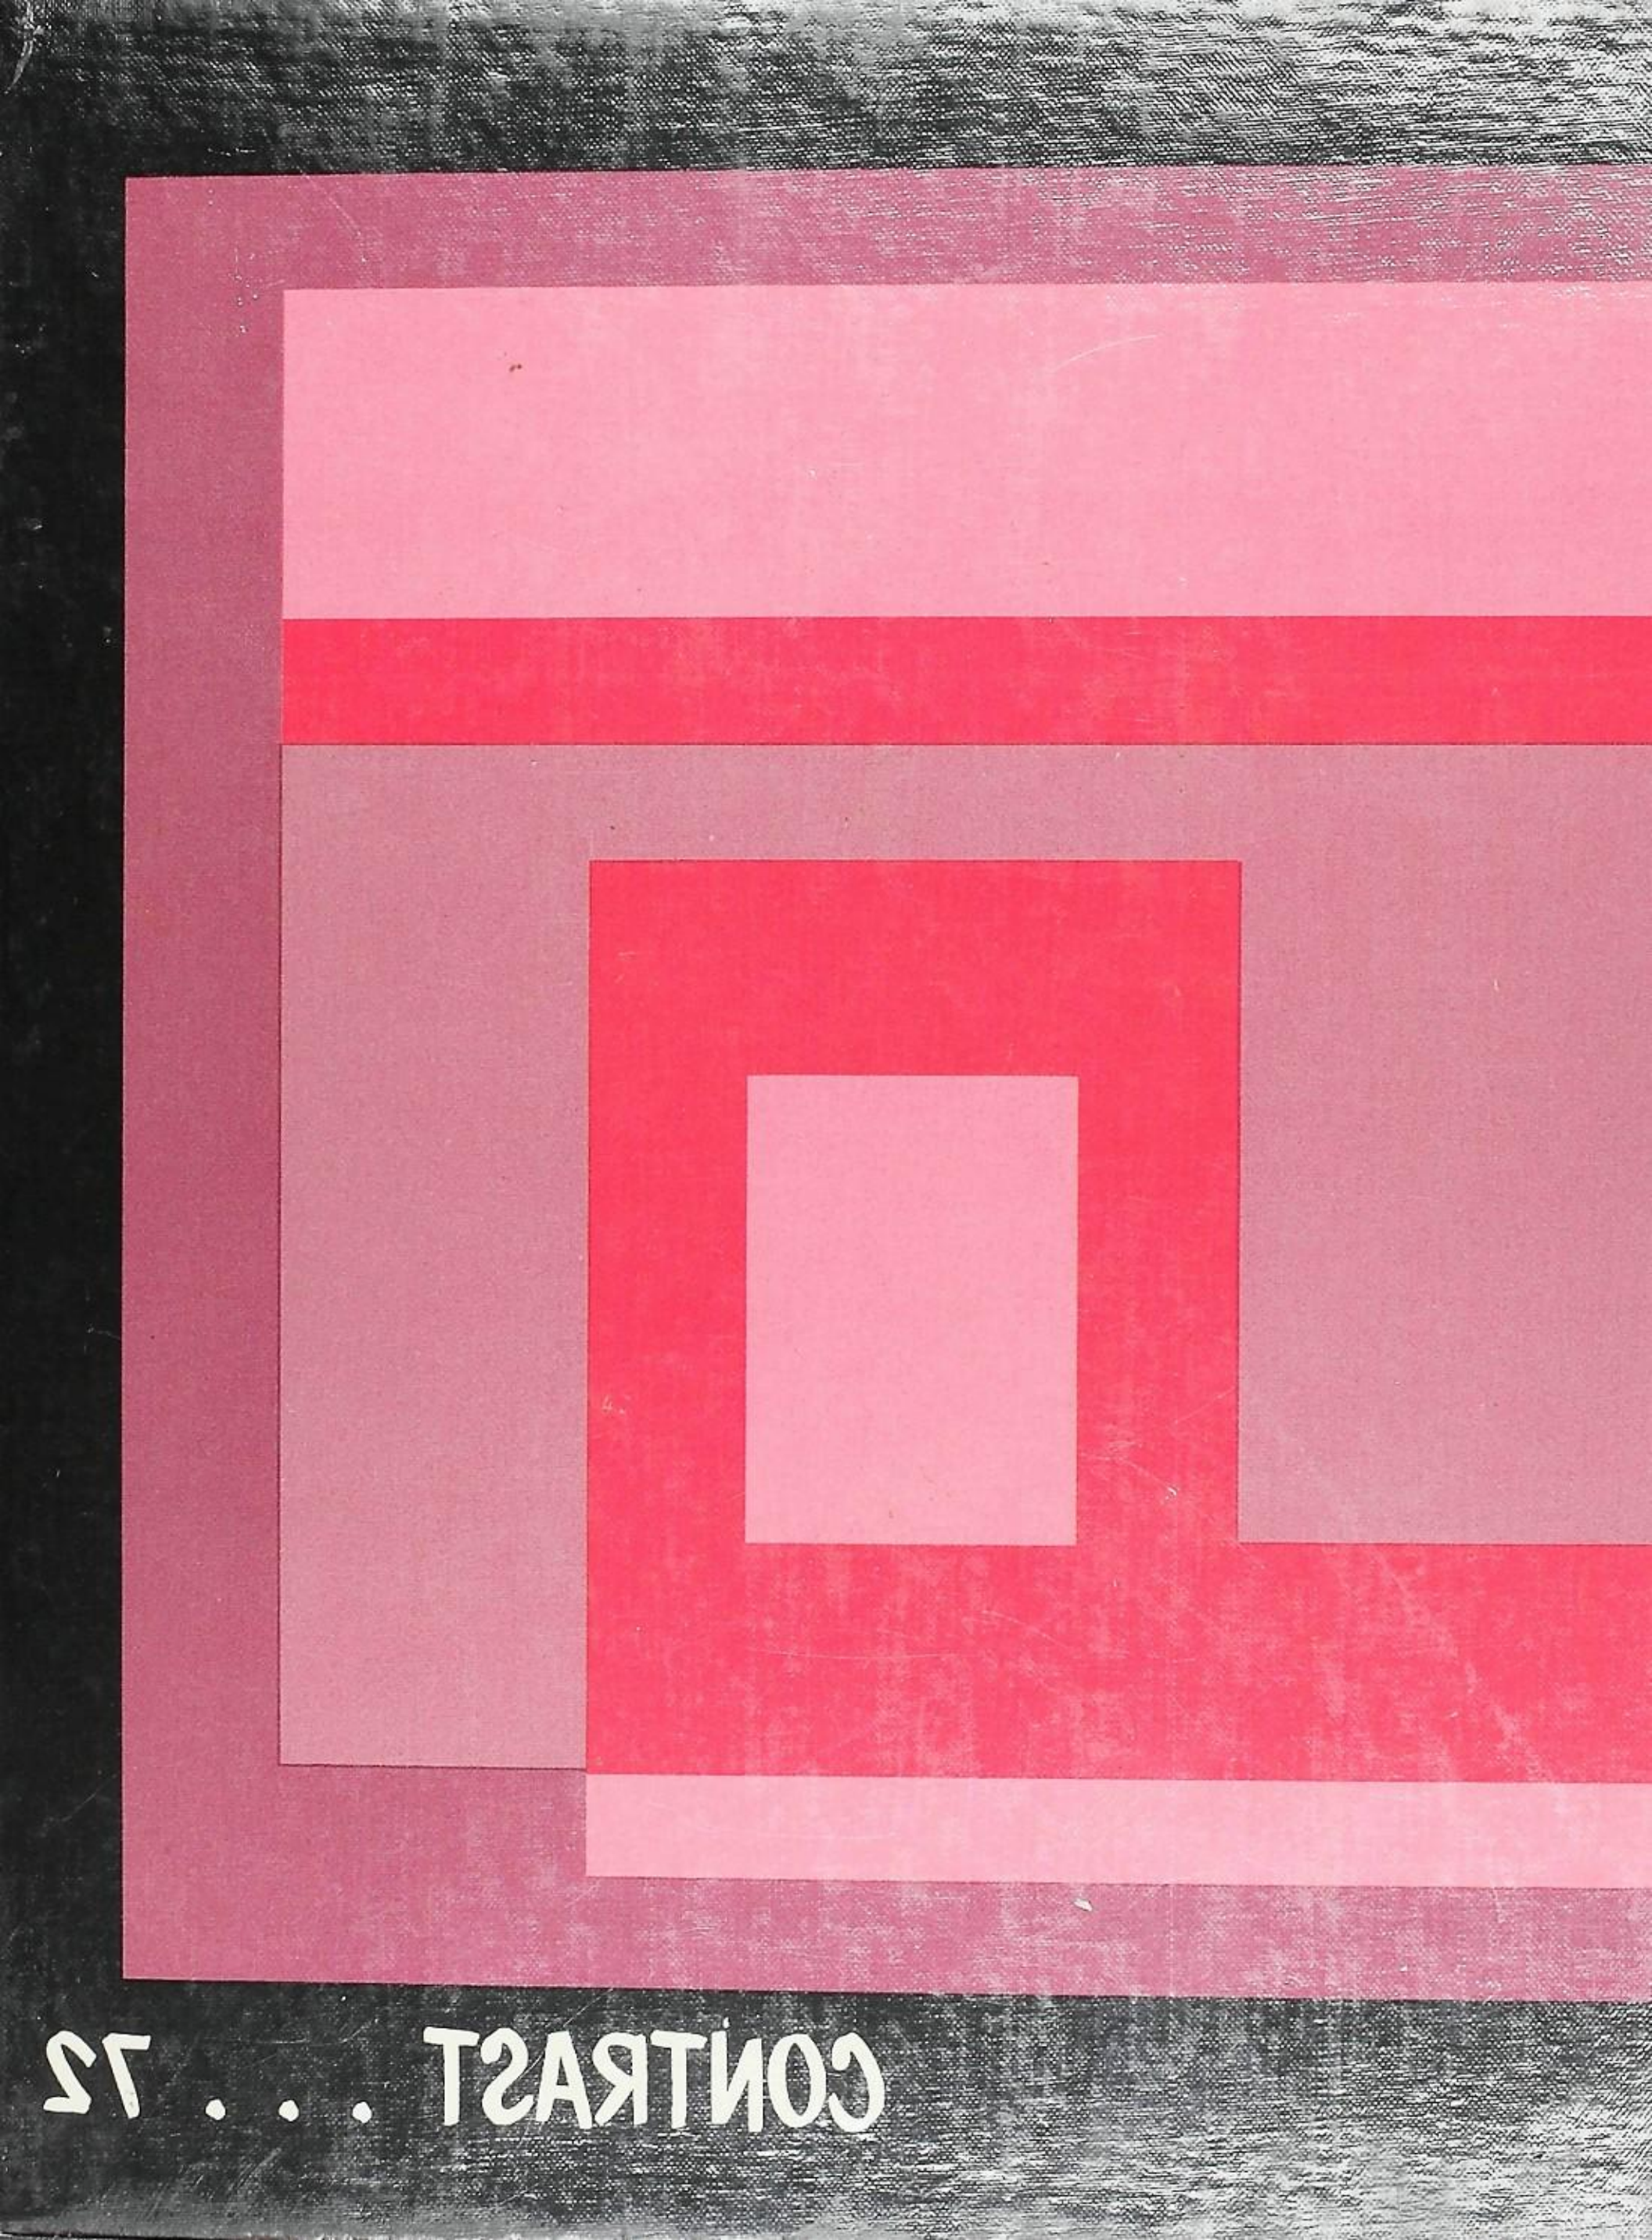

Guess what? I'm writing on your black page. It's really been a great year. I guess our senior year is the best even though it's a mess. I've known you ever since our Pules Jr. High days and I hate to leave you. Maybe I see you at Homecoming, if I get to come back. Be at peace with yourself and God.

Love,

Shirley Haley
